

MAJOR REVIEWS IN 2011/12 – CONSIDERATION OF DRAFT FINAL REPORT

Contact Officer: Charles Francis
Telephone: 01895 556454

REASON FOR ITEM

Members are asked to comment on a draft of this Committee's final report on their review into Personalisation and Disabilities with Reference to Transition.

OPTIONS OPEN TO THE COMMITTEE

1. Consider the detail contained within the draft final report
2. To discuss the recommendations contained within the report and suggest any changes or additional recommendations.
3. To agree the submission of the final report and the recommendations contained within to a future Cabinet meeting.

INFORMATION

1. For this review there were three witness sessions held on 12 October, 8 November and 8 December 2011. Prior to this, the outgoing Head of Transformation provided the review with a presentation on personalisation and identified the work streams which were currently being undertaken by officers.
2. The three witness sessions involved receiving evidence from the organisation Look Ahead, service users, carers, the Disability Association of Hillingdon and Hillingdon Carers.
3. The draft final report is attached as Annex A for the Committee's consideration.

SUGGESTED COMMITTEE ACTIVITY

- To consider whether the draft final report takes account of the evidence, advice and views received by the Committee.
- To consider whether any changes would improve the clarity of the report.
- To agree the recommendations of the report.
