749	Award of contract: Minet Drive care and support service for people with learning disabilities	Minet Drive is a 12 bed supported housing development which will enable people with high needs currently living in residential care to move back into the community with care and support. This report recommends the award of a care and support contract following a competitive tendering process. The Disabilities Commissioning Plan approved by Cabinet on the 26th January 2012 identified the development of supported housing as critical to ensuring that people with learning disabilities are able to live independently in the community and to reduce the reliance of the Council on institutional care provision.
