REASON FOR ITEM

For the Committee to consider a draft report framework for this review and to consider its draft recommendations prior to submission to the Cabinet (*attached separately as Annex A*).

OPTIONS OPEN TO THE COMMITTEE

1. To accept the draft report framework as drafted
2. To amend, add or delete parts of the draft report framework.
3. To agree the draft report recommendations as drafted
4. To amend or delete the draft report recommendations

INFORMATION

Background

1. At the 19 June 2012 meeting, the Policy and Overview Committee agreed to review adult community mental health services.
2. At previous meetings held in September, October and November, the Committee received evidence from a variety of witnesses. In early November, the Committee also conducted site visits to a number of community mental resources to inform its review.
3. The Committee will be conducting a further site visit in December to hear from Carers and these views will need to be incorporated into the draft final report
4. Attached is a draft report framework incorporating draft recommendations for the Committee's consideration.

SUGGESTED COMMITTEE ACTIVITY

- To consider whether the draft report framework takes account of the evidence, advice received by the Committee.
- To consider whether any changes would improve the clarity of the report.
- To agree the recommendations of the report.
