

Schools' Strategic Partnership Board

Reconstituted June 2015

Agreed Terms of Reference

Rationale

A strong and positive relationship between a local authority and all schools within the borough is central to the success of the borough, and the shared ambition to provide the highest quality of education and opportunity for all young people from Hillingdon.

Within the context of an increasingly diverse and autonomous school system the borough is committed to developing and supporting the most effective models of school-led support and challenge, alongside its central role as strategic champion of educational excellence. The borough has a clear role and responsibility to work with partners to secure the highest standards of education, to tackle underperformance swiftly and effectively and to promote school to school collaboration.

The development of the Hillingdon Schools' Strategic Partnership Board (SSPB) is key to the development, leadership and quality-assurance of school improvement strategy and direction across the borough. This leadership group is strategically aligned with a range of partners in order to best represent the needs and vision of school leaders and professionals across the borough and to take the driving role in shaping and securing school improvement in Hillingdon. As national and local requirements regarding school and education development evolve, it is anticipated that the SSPB will broaden and extend its focus.

Principles

The principles that underpin our vision for school improvement and which are upheld by SSPB are:

- That local solutions, supported by national best practice, are often best placed to drive improvement
- That challenge and support mechanisms across the borough should be transparent, clearly understood by all and open to interrogation to ensure the greatest impact on outcomes and opportunities for our young people
- That the council, as a strategic champion for securing the highest standards of education for all young people within the borough of Hillingdon, will provide appropriate drive and leadership; challenging, intervening and brokering where necessary to address concerns around underperformance.
