1. Local authority, region and the total (state-funded sector) figures cover achievements in state-funded schools only. They do not include pupils recently arrived from overseas and so will not match with state-funded figures in the main tables. The 'England' line above includes all pupils from state-funded schools, independent schools, independent special scho

2. Including entries and achievements in previous academic years.

3. Figures for 2015/16 are revised, all other figures are final.

4. In 2016 a new secondary school accountability system was implemented, including new headline measures. The 5+ A\*-C grades including English and maths measure is no longer used to hold schools and local authorities to account, and is published here to provide a comparison over time only. More information on the new headline measures can be found <https://www.gov.uk/government/publications/progress-8-school-performance-measure>

5. From 2009/2010 until 2012/2013 international GCSEs, accredited at time of publication, have been counted as GCSE equivalents and also as English and mathematics GCSEs. From 2013/14 a number of these qualifications are now regulated as Level 1/2 Certificates and are counted in the same way as a GCSE in this publication (see quality and methodol

6. In 2013/14, two major reforms were implemented which affect the calculation of key stage 4 performance measures data: 1) Professor Alison Wolf's Review of Vocational Education recommendations which: restrict the qualifications counted; prevent any qualification from counting as larger than one GCSE; and cap the number of non-GCSEs included in perf

7. In 2014/15, early entry policy, under which only a pupil's first attempt at a qualification is counted in performance measures, was extended to all subjects.

8. City of London does not have any state funded secondary schools, therefore no data is presented here.

x Figure has been suppressed due to low numbers (1 or 2 pupils) or where secondary suppression has been applied.
