1. On receiving the Notice of Hearing

What is the Notice of Hearing?

Hillingdon Democratic Services will give appropriate notice of the hearing, which depends upon the type of application to be considered. Exact timings are shown on the front page of the Agenda (attached to the front of the Notice of Hearing).

A Notice of the Hearing will be sent to all parties accompanied by:

- Date, time and location of the actual hearing and a procedural briefing to be held beforehand;
- This procedure note, the report from the Council's Licensing Officer with relevant requests attached;
- Confirmation that a party may be assisted / represented by a person who does not have to be legally qualified;
- Confirmation that a party to the hearing may address the authority, give further information on a point on which the authority requires clarification and, if considered by the authority to be required, question another party to the hearing;
- The consequences of not attending or being represented at a hearing (which normally will be that the hearing will proceed in the party's absence); and
- A note of any particular points on which the Hillingdon Licensing Service wants clarification.

Write to: Clerk to the Committee, Cabinet Office, 3E/05, Civic Centre, Uxbridge, UB8 1UW

What do I do when I receive the Notice of Hearing?

On receipt of the Notice of Hearing, all parties must inform the Clerk to the Committee – **normally no later than 2 working days before the hearing*** – whether they:

- Intend to attend or to be represented at the hearing;
- Consider a hearing to be unnecessary; and
- Wish to request that another person appear at the hearing (other than their representative) as a witness. If such a request is made, it should be accompanied by details of the name of that person and a full description of the points about which that person may be able to assist the hearing.

*Full details are given in the front of the Notice of Hearing of the deadline by which you should give your notice. All those who have made a request and the premises licence holder are also reminded of their right to have a legal representative at the hearing.

If a party does not notify the above to the Clerk to the Committee before the relevant deadline they will not be entitled to speaking rights at the hearing.

IT IS IMPORTANT THAT YOU REPLY TO THE NOTICE

If I want to withdraw my request - how do I do this?

Any party may withdraw their request by contacting the Clerk to the Committee by telephone, letter or email, providing they give notice no later than 24 hours before the hearing. If, during the hearing, any party wishes to withdraw their request they may do so orally by informing the Chairman.

What happens if I cannot attend the sub-committee hearing?

When a party informs the authority that he/she cannot attend the hearing or, without prior notice, fails to attend or be represented at the hearing, the sub-committee may either adjourn the hearing to a specified date, but **only** where it considers this to be necessary in the public interest or necessary for its consideration of any representations. Alternatively, the sub-committee may hold the hearing in the party's absence.

Where the sub-committee adjourns the hearing it shall notify the parties of the new date, time and place to which the hearing has been adjourned. Where the hearing is held in the absence of a party the sub-committee will still consider the application or any representations submitted by that party.

Can the date of the hearing be changed?

Only if the Licensing sub-committee scheduled to hear the review considers it to be necessary in the public interest or necessary for its consideration of any representations made by a party. In all other circumstances, the licensing authority cannot be flexible in the dates for hearings as the Licensing Act 2003 sets a strict legal deadline by which hearings must be heard.

Can you accommodate any special needs I may have?

Yes, if any person, who intends to be present at the hearing, has any special needs, (for example in connection with access, hearing, language or vision) this should be brought to the attention of the Clerk to the Committee prior to the hearing in order that appropriate provision may be made.

2. Before the Hearing

You will have been notified of the date and time of the Licensing Sub-committee hearing. The hearings will normally take place at the Civic Centre, High Street, Uxbridge in one of the Committee Rooms.

How do I get to the Civic Centre?

Parking may be available via the entrance to the Civic Centre in the High Street by contacting the Clerk to the Committee in advance. Parking is also available in the nearby Chimes Shopping Centre Car Park. Bus routes 607, 427, U1, U3, U4 and U7 all stop at the Civic Centre. Uxbridge underground station, with the Piccadilly and Metropolitan lines, is a short walk away.

Please enter from the main reception where you will be directed to the relevant Committee Room. Please switch off your mobile phone when entering the room and note that Hillingdon Council operates a no-smoking policy in its offices.

Will the hearing be in public?

There may be other members of the public and press that attend the hearing to observe the proceedings, but they will not be allowed to speak. At any hearing, the person who has requested the review may attend in person or, if the review is made by an organisation or corporate body, a duly authorised representative may be present, who is able to speak on their behalf can do so.

The hearing will take place in public. However, in exceptional circumstances, when the sub-committee considers that it is in the public interest, it may exclude the public from all or any part of a hearing. Hearings will normally take place during the day.

I have some new evidence - may I present it?

The sub-committee **will not** normally allow the production of new written evidence not previously submitted by any party. In the case where the sub-committee does allow new evidence, all other parties must give their consent before it is heard.

If new material is permitted, the hearing may need to be adjourned to allow time to consider it and for other parties to respond to it. Accordingly, any application to have new material considered should demonstrate exceptional reasons for its admission. It is, therefore important for parties to ensure that all evidence is submitted in writing as soon as possible and in accordance with the relevant timescales.

Will I be briefed on procedure before the hearing?

Yes, in the notice of hearing, you will have been asked to attend a procedural briefing before the hearing starts. All parties will be asked to attend this briefing so that the Council's Legal Advisor can outline the procedures to be followed at the hearing.

What if there is more than one Applicant or a number of different Parties to the review attend the hearing?

At the briefing, the Legal Advisor may ask that a spokesman is agreed amongst those present who have similar requests for a review or representations in support.

Who are the people on the Licensing sub-committee?

Three elected councillors of the London Borough of Hillingdon sit on a Licensing sub-committee and it is only they who can determine the application. Its minimum membership is two. Councillors who sit on the sub-committees have been trained in the new Licensing regulations and have experience of determining applications of various kinds.

One of the Councillors will be the Chairman of the hearing and it will be he/she who will call interested parties and responsible authorities to speak and ensure time limits are adhered to as set out in the procedures.

Other people who will be present along with the Councillors include:

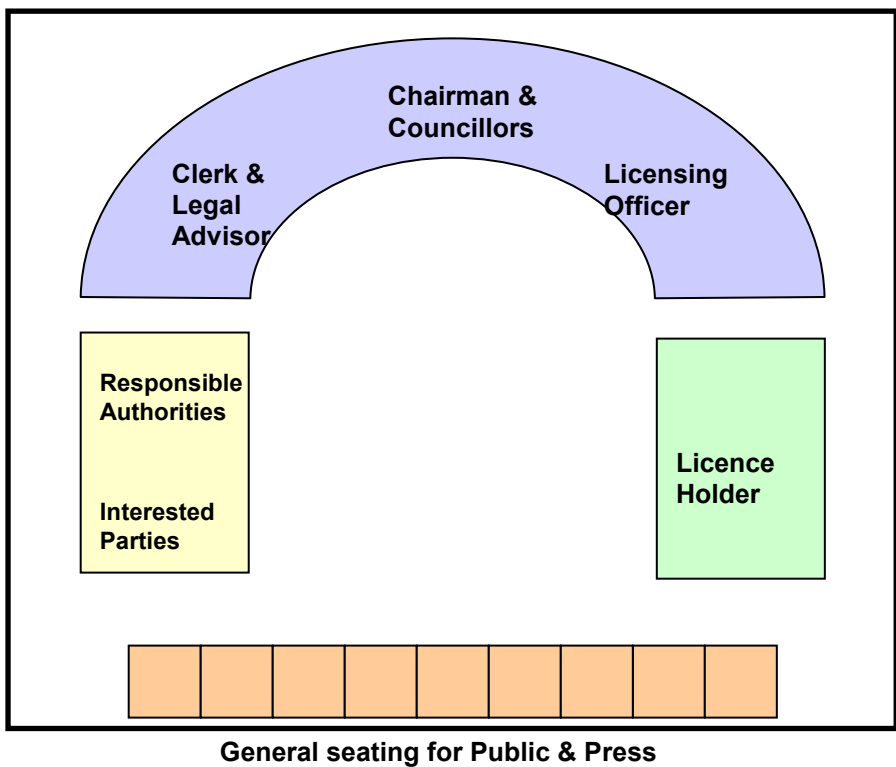

- The **Council's Licensing Officer** who will introduce the Officer report and outline his/her role.
- A **Legal Advisor** whose role is to assist the Committee with legal advice and to ensure that a fair and balanced hearing takes place.
- A **Clerk to the Committee** whose role is to summarise and record decisions on individual matters and to provide help and assistance to members of the public attending such meetings.

3. During the Hearing

The procedure at the sub-committee hearing will, in general, be based on those used in a court of law. Although the strict rules of evidence will not apply, they will be observed to a great extent, because this is the best way of hearing the evidence from all parties. The hearing will take the form of a discussion led by the sub-committee councillors. The sub-committee will seek clarification on the issues from the parties as it considers appropriate.

Where shall I sit at the hearing?

The hearing will begin immmediatly after the procedural briefing and the set up of the room for those involved will generally be as shown below:

In general, how will the hearing be conducted?

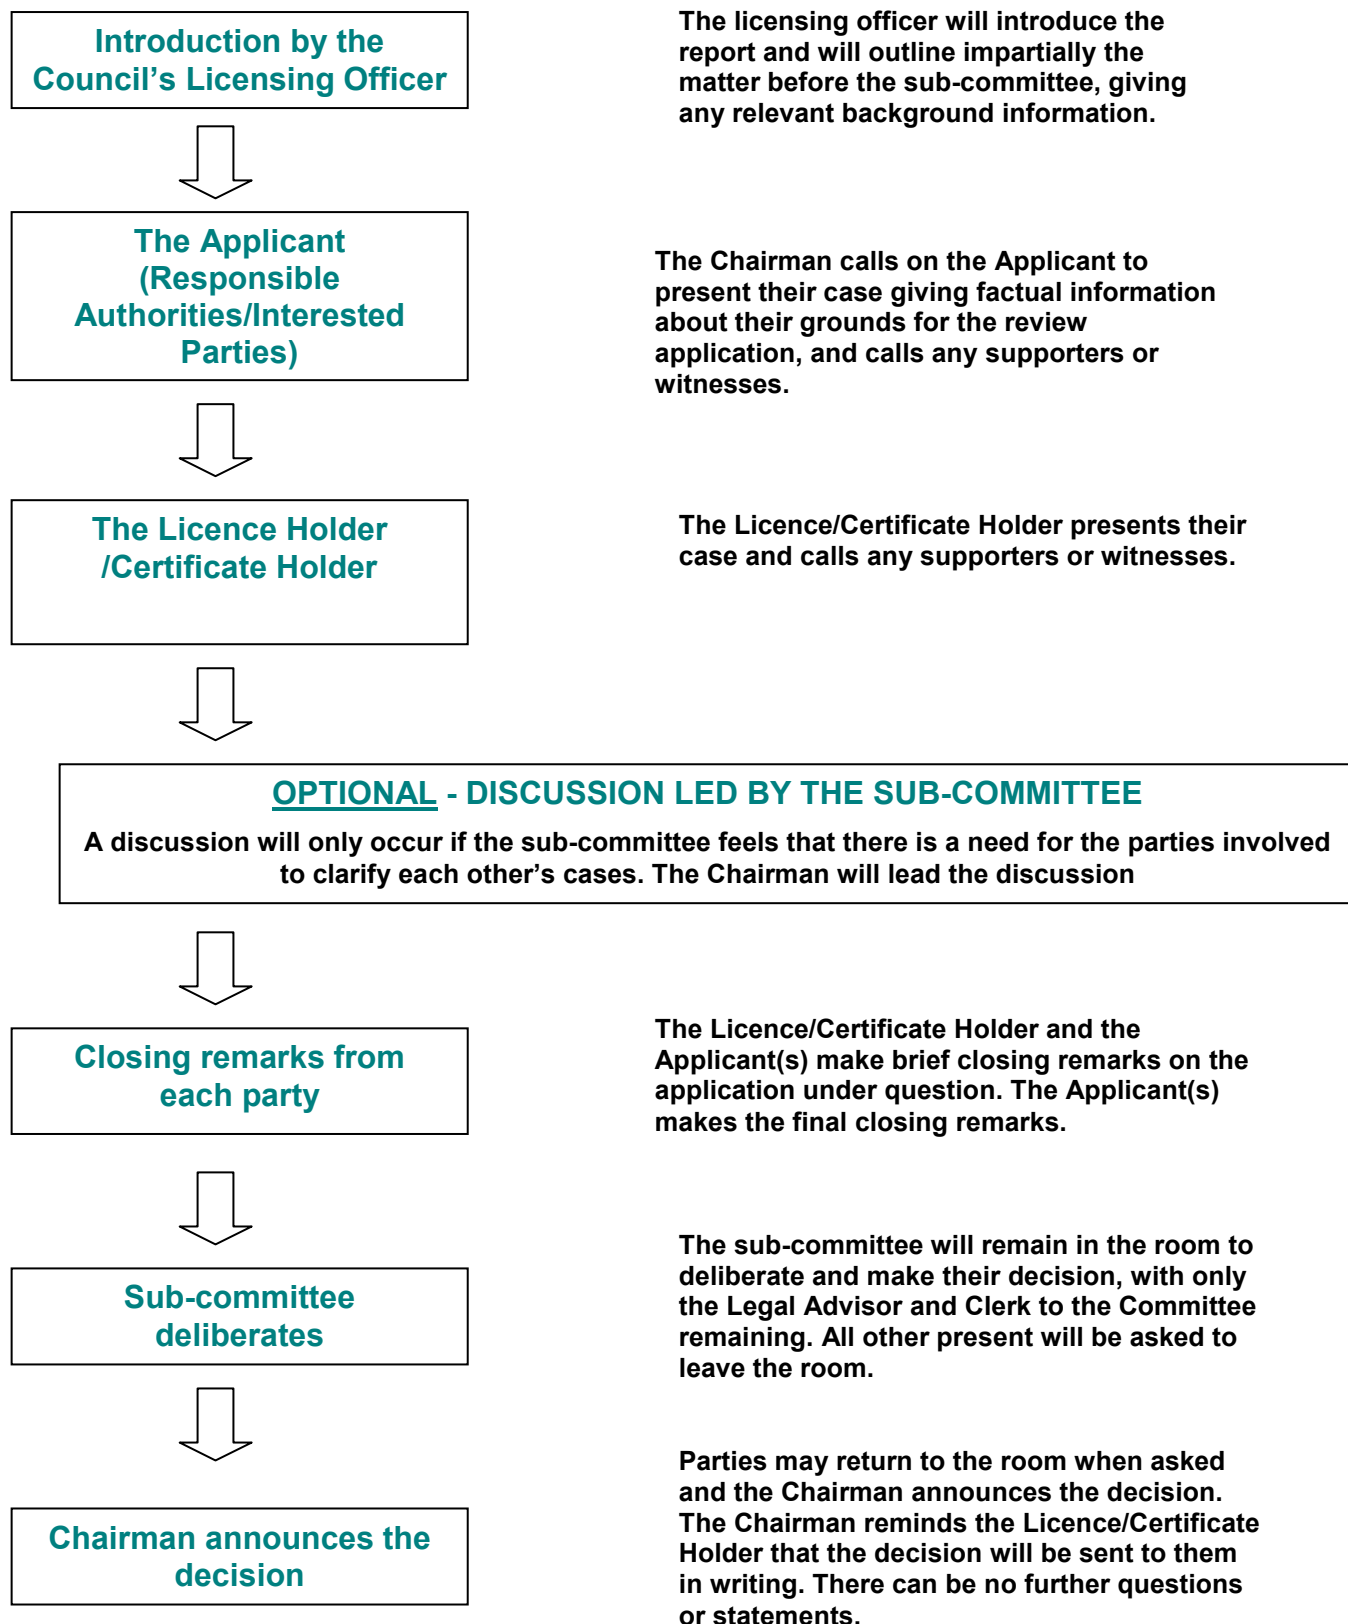

The procedure to be followed at the hearing will normally be as shown in the flow chart below, although all procedural matters will be subject to the discretion of the Chairman. All persons present will be requested to identify themselves and to give the reason for their presence. The sub-committee may consider any request from a party for another person to appear at the hearing as their representative.

It is important to note that cross-examination will not normally be permitted. Evidence, discussion and address must be relevant to the four licensing objectives. Repetition should also be avoided. The sub-committee will seek to prevent irrelevant and repetitive matters.

If, during its deliberations, the sub-committee considers that it is necessary for any person present at the hearing to provide further information or clarification on a particular point the hearing may be reconvened to deal with that issue. The sub-committee can also ask for procedural, technical or legal matter from officers present at any time during the proceedings.

What is the order of proceedings?

The Chairman of the sub-committee will open the hearing by introducing the Councillors explaining the purpose of the proceedings and the general procedure. The Chairman will then check that there are no additions or alterations to the list of those appearing at the hearing, which will have been prepared in advance by the Clerk to the Committee and will then outline the procedure that will be followed for the remainder of the hearing. The procedure is as follows:

Can a councillor sit on a sub-committee if the application is in their ward?

Councillors who sit on a sub-committee are advised to take steps to minimise their involvement in any application prior to its consideration by the sub-committee so that decisions are seen to be reached at the hearing impartially and with an open mind. Councillors should not appear to be acting both as an advocate on behalf of their residents and as an adjudicator on an application.

If a Councillor on the sub-committee has already taken a view on an application in advance of the hearing, they should not be present for the hearing of the application and should leave the meeting room for that item. They should also not visit any premises under consideration prior to the hearing. In any cases of doubt, the Councillor should not sit on the sub-committee for a particular application. In this instance, a substitute Councillor may need to be found from the main Licensing committee of the Council or the hearing may continue as long as two of the three Councillors are still present.

The agenda papers will show which ward each Councillor sits for and the reports from the Council's Licensing Officer will detail which ward the application is in.

Can a ward Councillor make a representation and or speak at a hearing?

If a ward Councillor, who does not sit on the sub-committee, wishes to make a formal objection to an application they may only do so if they make a written relevant representation as would apply to an Interested Party and in the same way as any other member of the public using the procedures outlined in this protocol. If the ward Councillor believes they have a personal or prejudicial interest in the application, they may still submit a relevant representation.

Ward Councillors, who do not sit on the sub-committee, may also speak at a sub-committee hearing in support or against an application, for example on behalf of their constituents without notice. They may also speak as an advocate or witness on behalf of the applicant or an Interested Party, even if they believe they have a personal or prejudicial interest. However, for the purposes of transparency, at the hearing, the ward Councillor should disclose what their personal or prejudicial interest is and whether they have been in contact with the applicant, agent, Interested Party or responsible authority beforehand or have visited the premises concerned.

Ward Councillors making either a written relevant representation or wish to speak at a hearing should not communicate about the application before the hearing with any Councillors who sit on the sub-committee. This is so the sub-committee makes their decision with an open mind.

What power does the Chairman have to control the meeting?

Under the Licensing act 2003, the Chairman may require any person attending the hearing who is behaving in a disruptive manner to leave the hearing and may refuse to permit that person to return or may permit the person to return only on such conditions as he or she may specify.

How will the sub-committee make its final decision?

Once the sub-committee has heard from officers and the parties to the hearing and has had answers to its questions, the sub-committee will usually withdraw to make its decision on the application. The sub-committee must disregard any information given or evidence produced by a party or witness, which is not relevant to the application, representations or notice or the promotion of the licensing objectives.

Members of the sub-committee have a duty to behave impartially, not to predetermine the issue and not to discuss matters with press or residents. In making its decision the sub-committee must state the reasons for that decision, taking into account the evidence presented by all parties during the hearing.

4. After the Hearing

When will we get formal notice of the decision?

The Chairman will normally announce the Sub-committee's decision in public at the end of the hearing and the reasons for the sub-committee's decision. This decision will then be communicated in writing to the parties as soon as possible after the hearing.

The Council's Legal Advisor will send the premises licence holder a decision letter shortly after the meeting outlining the decision and any conditions that are attached to the licence. In addition, a copy of the decision letter will be sent to all those who made an application for a review in connection with the premises. This will confirm the decision made; any conditions attached to a review application or the reasons for revocation. Details of the respective appeal rights will also be sent with this notice.

The minutes of the meeting will be made available on the Council's website at:
www.hillingdon.gov.uk

Can we appeal against the decision?

Following the decision, the premises licence holder or any person who has made an application for a review can appeal to the Magistrates Court.

How can I find out about other applications in my area?

The council's Licensing Service is required to arrange for a poster to be displayed at, or near, the premises in question when applications for Reviews of premises licences or club premises certificates are received. A poster is also displayed at the Civic Centre.

All applications once they are lodged will be available for viewing on Hillingdon Council's website at www.hillingdon.gov.uk and in the Civic Centre Offices by appointment with the Licensing Service during working hours.

TITLE: APPLICATION FOR A TRANSFER OF A PREMISES LICENCE AND CHANGE OF DESIGNATED PREMISES SUPERVISOR

Committee	Licensing Committee	
Officer Contact	Sharon Garner	01895 277230
Papers with report	Appendix 1 – copy of application form Appendix 2 – copy of letter from Sgt Meens	
Ward(s) affected	Townfield	

SUMMARY

To consider representations from the Metropolitan Police in respect of an application to transfer the premises licences and vary the designated premises supervisor for **Costcutter, 10 Coldharbour Lane, Hayes UB3 3EW**

RECOMMENDATION

That the Licensing Sub Committee determine the application.

INFORMATION

- 1.1 An application to transfer the premises licence and vary the designated premises supervisor for Costcutter, 10 Coldharbour Lane, Hayes from Mr Harcharan Singh and Mr Harpreet Singh to Mr Amarjeet Singh was received on 29th July 2011.

Note: A copy of the application form is annexed to this report as **Appendix 1**

- 1.2 In accordance with the legislation, the applicant is required to send a copy of the application to the Licensing Sergeant of the Metropolitan Police Service

On 9th August 2011 a representation was received from the Metropolitan Police Service against both applications.

A copy of the letter of representation is annexed to this report as **Appendix 2.**

FINANCIAL IMPLICATIONS

- 2.0 Members should be aware that the Planning, Environment, Education and Community Services directorate does not have a budget provision for costs, should the applicant be successful in appealing to the Court(s) against a decision of the Council. In the event that a Court was to uphold an appeal, officers would need to identify how the costs would be funded before action could be taken in order to comply with Council financial policy.

LEGAL IMPLICATIONS

3.0 Principles for making the determination

The general principle is that applications for Premises Licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.

3.1 Relevant representations are those which:-

- Are about the effect of the granting of the application on the promotion of the licensing objectives
- Are made by an interested party or responsible authority
- Have not been withdrawn
- Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.

The four licensing objectives are :

- a. The prevention of crime and disorder;**
- b. Public safety;**
- c. The prevention of nuisance; and**
- d. The protection of children from harm.**

Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.

3.2 The Licensing Sub-Committee must also consider the London Borough of Hillingdon's Licensing policy when deciding whether or not to grant the application. The terms of the Statement of Licensing Policy are highly persuasive, but not binding, on the Licensing Sub-Committee. The Licensing Sub-Committee may depart from the guidance contained in the Statement of Licensing Policy if it considers there are clear and convincing reasons to do so.

Where there is a conflict between the Licensing Act 2003 and the Statement of Licensing Policy, the Licensing Act must prevail.

3.3 Members are required to have regard to the DCMS Guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case

3.4 When relevant representations are received then the Sub-Committee must have regard to them. Representations based on commercial reasons or need are not in themselves relevant representations. For example, a representation from a bar owner that the grant of a premises licence to another bar will take customers away from his/her premises is not a relevant representation, nor is a representation from a local resident that another off licence in the parade of local shops is not needed.

3.5 The Licensing Sub-Committee can attach a "weight" to any relevant representations, such factors that could influence the "weight" to be placed on a representation could include:-

- Whether the representation can be clearly related to any one of the four

licensing objectives;

- Whether the representation concerns matters over which the applicant is able to exercise control;
 - Whether the representation is based on “hearsay” evidence;
 - Whether the representation is supported by firm evidence;
- Whether the person making the representation has attended the hearing in person.

3.6 Having considered all relevant representations, and having taken into account the promotion of the licensing objectives, a decision can be taken:-

- To grant the application.
- To reject the application.

3.7 **Conditions**

Conditions will not be necessary if they duplicate a current statutory requirement.

Members are also referred to the DCMS guidance on conditions, specifically section 10, and Annex D.

The Statutory Guidance states that only necessary, proportionate and enforceable conditions, which promote one or more of the licensing objectives, should be attached to the licence if it is granted (paragraph 10.11).

The Licensing Authority may therefore only impose such conditions as are necessary to promote the licensing objectives arising out of the consideration of the representations (paragraph 10.11), and should avoid straying into undisputed areas (paragraph 10.12).

Statutory Guidance also states that the pool of conditions that are supplied by the Secretary of State should not be applied universally irrespective of particular circumstances, but may be used as examples that can be tailored to suit individual premises and particular situations.

3.8 **Reasons**

If the Sub-Committee determines that it is necessary to modify the conditions, or to refuse the application for a Premises Licence application, it must give reasons for its decision.

The Role of the Licensing Sub-Committee

Sub-Committee members will note that, in relation to this application, the Council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the Council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.

Members should note that the Licensing Sub-Committee is meeting on this occasion solely to **perform the role of licensing authority**. The Sub-Committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, Members should disregard the Council’s broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the Licensing Law, Guidance and the Council’s Statement of Licensing Policy.

As a quasi-judicial body the Licensing Sub-Committee is required to consider the

application on its merits. The Sub-Committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, the occurrence of which would be relevant.

The Licensing Sub-Committee must give fair consideration to the contentions of all persons entitled to make representations to them.

The Licensing Sub-Committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.

The Sub-Committee can only consider matters within the application that have been raised through representations from interested parties and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case to case basis.

Under the Human Rights Act 1998, the Sub Committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The Sub-Committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the Borough.

Interested Parties, Responsible Authorities and the applicant have the right to appeal the decision of the Sub-Committee to the Magistrates' Court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

Dear Ms Waterford

Re; Application to transfer premises licence; Costcutter 10 Coldharbour Lane Hayes.

On behalf of the Commissioner of Police I wish to submit an objection to the application by Amerjeet Singh to be transferred onto the licence at the above premises.

This transfer application being part of a long and complicated process which has had as part of that process a number of hearings before the licensing committee and before the Magistrates court in an application of appeal.

In 2006 this premises was transferred to Harcharan Singh and Harpreet Singh and subsequently in 2008 a company was established as savers food and wine as a company with Harcharan as company secretary and Amarjeet Singh as director.

Previous to owning 10 Coldharbour Lane Harcharan Singh was already the owner of 75 Station Road Hayes a shop called Hayes Superstore with his brother Manmohan Singh. Harcharan Singh being the DPS he remains the lease holder at present.

In late 2010 the trading standards office at the LBH requested a review of the licence at 75 Station Road, and this was supported by the police. The review was based in the main on the previous background of the shop in relation to previous non duty paid product and more recent seizures of the same with tobacco and a test purchase to an underage person and breaches of the condition of the licence.

The committee revoked the licence on the 19th January 2011 and this was subsequently appealed.

There followed several hearings in the magistrates court as a result of the appeal these being on the 28th March 2011 and 25th May 2011. On the 26th May the premises was again given a supervisory test purchase and on this occasion Manmohan Singh sold beer to a 15year old without hesitation and the cctv was not working correctly in relation to recording the incident. Thereby breaching the licensing conditions.

On the 20th July 2011 the committee heard an application to transfer the licence at 75 Station Road from Harchran and Manmohan Singh to Harcharan Singh. This was opposed by the police and the committee found for the applicant in the consideration that it was in the best interest of the shop to remove Manmohan from the licence.

On the 3rd June there was an application by Amarjeet Singh for a new licence for the address at 75 Station Road as a result Amarjeet was interviewed by police who later opposed the application. The application was heard on the 27th July and rejected.

On the 1st August the court heard the appeal hearing and in the proceedings the magistrate on hearing substantial evidence from Mr Harcharan Singh strongly suggested that his testimony was not truthful and on advice the appeal was withdrawn. As a result of this case 75 Station Road has now lost their licence to continue to sell alcohol.

It has been the police position that Amarjeet Singh is linked with Harcharan and Manmohan Singh and that they are in reality part of the same business empire. Manmohan Singh has shown himself to be unreliable in relation to selling on two occasions to underage, Harcharan Singh has shown himself to be less than honest at the appeal hearing and Amarjeet Singh has in interview with the police been less than truthful and dishonest. A committee has already refused him an application to have a new licence at 75 Station Road, he was unable to convince the committee with sufficient comfort that the steps to promote the licensing objectives would be applied and were understood.

Since owning the shop at 10 Coldharbour Lane the trading standards have on occasions visited the store

25 October 2007: Joint test purchasing exercise carried out by trading standards and the police. Alcohol sold to a minor. Police issued a Penalty Notice for Disorder to the seller.

1 October 2008: Joint visit by trading standards and customs. Non duty paid and foreign cigarettes found on the premises which were seized by customs. Trading standards seized some non-compliant cosmetics.

Mr Amarjeet SINGH has now begun the appeal against the finding of the committee to his application for a new licence at 76 Station Road, Hayes.

SUMMARY

To consider an application for a Review of a premises licence under Part 3 Section 51 of the Licensing Act 2003 made by Sgt Ian Meens on behalf of the Metropolitan Police Service in respect of **Venus Convenience Store, 18 Station Road, West Drayton UB7 7BY**.

RECOMMENDATION

That the Licensing Sub Committee determine the application.

INFORMATION

- 1.1 An application for a Review of the premises licence for Venus Convenience Store made by Sgt Ian Meens on behalf of the Metropolitan Police Service, was received on 13th July 2011 on the grounds of:-

Prevention of crime and disorder – the sale and display for sale counterfeit and non-duty paid goods

Public Safety – the sale of counterfeit goods with the possibility of risk to public health

- 1.2 The premises is a single unit shop selling groceries and alcohol. The premises licence was issued to Mr M and Mrs S Asgar on 11th August 2006.
- 1.3 Sgt Meens sent copies of the application to all the Responsible Authorities as required by the Licensing Act 2003. A copy of the application is annexed to this report as **Appendix 1**.
- 1.4 In accordance with the legislation, a poster giving details of the application was displayed at the premises for 28 days and checks were made by the council's Licensing Officers to ensure that the poster was still correctly displayed.
- 1.5 As required by the legislation, a poster was also displayed on the Civic Centre notice board for 28 days and the details were listed on the council's website.

- 1.6 The legislation provides for other Responsible Authorities and/or interested parties such as residents to support the Review application. The period for Responsible Authorities and local residents to support the application expired on 10th August 2011. One letter of support along with supporting evidence was received from the Council's Trading Standards Officer.

These letters of support are annexed to this report as **Appendix 2**.

2.0 **LEGAL IMPLICATIONS**

The licensing authority must review the premises licence where it is alleged in an application for review by a Responsible Authority or an Interested Party that any of the licensing objectives are being undermined.

2.1 "Relevant representations" are those which :–

- Are relevant to one or more of the licensing objectives;
- Are made by a responsible authority or an interested party within the prescribed period;
- Are made by the holder of the premises licence in response to an application for a review of the said premises
- Have not been withdrawn; and
- If made by an interested party, that they are not, in the opinion of the relevant licensing authority, frivolous or vexatious.

The four licensing objectives are –

- The prevention of crime and disorder;
- Public safety;
- The prevention of nuisance; and
- The protection of children from harm

Each objective must be considered to be of equal importance

- 2.2 The Licensing Sub-Committee must also consider the London Borough of Hillingdon's licensing policy when what action, if any, to institute. The terms of the Statement of Licensing Policy are highly persuasive, but not binding, on the Licensing Sub-Committee. The Licensing Sub-Committee may depart from the guidance contained in the Statement of Licensing Policy if it considers there are clear and convincing reasons to do so.

Where there is a conflict between the Licensing Act 2003 and the Statement of Licensing Policy, the Licensing Act must prevail.

- 2.3 Members are required to have regard to the DCMS Guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

+

- 2.4 The sub-committee may decide to: –

- Take no action
- Modify the conditions of the licence by altering, omitting or adding any

- condition;
- Issue a formal warning, recommending an improvement within a specified time frame;
- Exclude a licensable activities from the scope of the licence;
- Remove the designated premises supervisor;
- Suspend the licence for a period not exceeding three months; or
- Revoke the licence.

For this purpose the conditions of a premises licence are modified if any of them are altered or omitted or any new condition is added. Modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months.

- 2.5 The Sub-Committee may decide that no action is necessary if it finds that the review does not require it to take any steps necessary to promote the licensing objectives.

In deciding what remedial action if any it should take, the Sub-Committee must direct its mind to the causes or concerns which the representations identify. The remedial action should generally be directed at these causes and should always be no more than a necessary and proportionate response.

It is of particular importance that any detrimental financial impact that may result from a licensing authority's decision is necessary and proportionate to the promotion of the licensing objectives in the circumstances that gave rise to the application for review.

2.6 **Conditions**

Conditions will not be necessary if they duplicate a current statutory requirement..

Members are also referred to the Home Office guidance on conditions, specifically section 10.7 and Annexe D.

The Statutory Guidance states that only necessary, proportionate and enforceable conditions, which promote one or more of the licensing objectives, should be attached to the licence.

The Licensing Authority may therefore only impose such conditions as are necessary to promote the licensing objectives arising out of the consideration of the Review application (paragraph 10.11), and should avoid straying into undisputed areas (paragraph 9.24). Statutory Guidance also states that the pool of conditions that are supplied by the Secretary of State should not be applied universally irrespective of particular circumstances, but may be used as examples that can be tailored to suit individual premises and particular situations.

2.6 **Notification of Determination**

Where the authority determines an application for review it must notify the determination and reasons for making it to: –

- The holder of the licence;
- Any person who made relevant representations;
- The chief officer of police for the area (or each police area) in which the premises are situated

2.8 **The Role of the Licensing Sub-Committee**

Sub-Committee members will note that, in relation to this application, the Council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the Council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.

Members should note that the Licensing Sub-Committee is meeting on this occasion solely to **perform the role of licensing authority**. The Sub-Committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, Members should disregard the Council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the Licensing Law, Guidance and the Council's Statement of Licensing Policy.

As a quasi-judicial body the Licensing Sub-Committee is required to consider the application on its merits. The Sub-Committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts. The Licensing Sub-Committee must give fair consideration to the contentions of all persons entitled to make representations to them.

The Licensing Sub-Committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.

The Sub-Committee can only consider matters within the application that have been raised through representations from interested parties and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case to case basis.

Under the Human Rights Act 1998, the Sub Committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The Sub-Committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the Borough.

Interested Parties, Responsible Authorities and the applicant have the right to appeal the decision of the Sub-Committee to the Magistrates' Court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

3.0 **FINANCIAL IMPLICATIONS**

Members should be aware that the Planning, Environment and Community Services does not have a budget provision for costs, should the applicant be successful in appealing to the Court(s) against a decision of the Council. In the event that a Court was to uphold an appeal, officers would need to identify how the costs would be funded before action could be taken in order to comply with Council financial policy.

On the 7th April 2011 the Metropolitan Police in company with officers from London Borough of Hillingdon Trading Standards and HM Revenue and Customs visited the premises in order to carry out regulatory checks.

At the premises Customs officers removed a number of items seized under powers of the Customs and Excise Acts.

Customs seized 24.05 litres of mixed spirits, 72 litres of mixed wines liable to forfeiture by virtue of the Customs and Excise Acts. The customs officials were satisfied that due to the proprietors inability to produce invoices or receipts to prove duty payment that the UK excise duty had not been paid

The revenue due on this quantity would be £588.59

Hillingdon local Authority Trading Standards officers further seized 6 bottles of Bollinger Champagne and 17 bottles of Glens Vodka believing the same to be counterfeit goods.

On the particular day of this regulatory check inspections were also made at 8 other shops in and around the UB post code area. 6 of the premises checked had substantial amounts of non duty paid and or counterfeit goods and all 6 are expected to be the subject of the review process. 2 other had small amounts, only one shop did not have any such product.

The level of disregard for the law is clearly evident and is an indication of the problem in parts of Hillingdon

The police feel that the abuse is at such a level that warrants the matter being brought before the committee and in such cases the guidance suggests that revocation of the licence should be a matter for strong consideration.

Dear Mrs Garner

LICENSING ACT 2003

I write in relation to the premises licence at 18 Station Road, West Drayton, which has been called in for review by the Metropolitan Police Service.

As a responsible authority, the Trading Standards Service fully supports the review of this premises licence and I would ask the Licensing Sub-Committee to consider the enclosed information.

Trading Standards Officers were present during the multi-agency visit to the premises on 7 April 2011. Their role was to examine the alcohol on the premises to ensure that it was genuine. Following this examination, Trading Standards seized 6 bottles of Bollinger champagne and 21 bottles of Glens vodka which was suspected to be counterfeit.

The seized bottles were subsequently submitted to their respective trade mark holders for examination. The Bollinger champagne has been confirmed as counterfeit. The Glens vodka was identified as genuine, however the HMRC Duty Paid Labels affixed to the bottles are counterfeit. This indicates that duty has not been paid on these items. I attach witness statements from King-Yip Cheung (the Trading Standards Officer who visited the premises) and Chloe Craven (Brand Manager for Bollinger champagne).

Please do not hesitate to contact me should you require any further information.

Yours sincerely

STATEMENT OF: King-Yip Cheung

Age of witness: (if over 18 enter "Over 18") Over 18

Occupation of witness: Senior Trading Standards Officer

This statement consisting of 2 page(s) each signed by me, is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything that I know to be false or do not believe to be true.

Dated the 8th day of August 2011 Signed: K.Y. Cheung

I am a Senior Trading Standards Officer employed by The London Borough of Hillingdon Trading Standards Department and my duties include enforcing the Trade Marks Act 1994 and the Consumer Protection from Unfair Trading Regulations 2008. On 7 April 2011, I was involved in a joint enforcement operation with HMRC Customs and the police relating to counterfeit and non duty paid alcohol and tobacco at premises in the borough of Hillingdon. Also involved in the operation was Ron Smart (Trading Standards Enforcement Officer) and Police Licensing Sergeant, Ian Meens and HMRC customs officers. At approximately 13:00 hours, I entered the premises of Venus Convenience, 18 Station Road, West Drayton, Middlesex with officers of the HMRC and the metropolitan police. As we entered the shop HMRC customs introduced themselves to the person at the till and advised that they were accompanied by Trading Standards officers and the police and that we would be carrying out a regulatory visit at the premises. I then explained to the person at the till who I now know to be the owner, Mr Mohammad Asgar, that Trading Standards will be conducting a routine inspection of the premises regarding alcohol and tobacco compliance with Trading Standards legislation. I then proceeded to examine the bottles of Bollinger Champagne that were on display in the shop. The Bollinger was located on the top shelf to the right of the counter. I asked Mr. Asgar to remove these 6 bottles from the display so that I could examine them. The Trading Standards Service had received

Signed: K.Y. Cheung

information from Mentzendorff & Co Ltd, the trade mark owner of Bollinger Champagne, that their product was being counterfeited. From the guidance information I had received from Mentzendorff & Co Ltd, I was able to identify that the 6 Bollinger bottles that I examined might be counterfeit product. All 6 bottles had identical labelling and markings. I also examined 21 bottles of Glen's Vodka that was displayed in the shop and in the store room that I believed might be counterfeit. Again all the bottles had identical labelling and markings. I advised Mr Asgar that I would seize the counterfeit bottles of Bollinger Champagne and Glens Vodka that I suspected was counterfeit product. I placed the 6 bottles of Bollinger Champagne into a bag which I sealed with seal number A002729; 6 bottles Glen's Vodka which I sealed with seal MPSE50486262; 6 bottles Glen's Vodka which I sealed with seal MPSE50486258; 4 bottles Glen's Vodka which I sealed with seal MPSE50486258 and 5 bottles of Glen's Vodka which I sealed with seal MPSE51944891. I produce these bottles of Bollinger Champagne and Glen's Vodka in evidence marked as exhibits KYC1, KYC2, KYC3, KYC4 and KYC5 respectively. I advised Mr Asgar that the seized items would be examined by the owners of the Bollinger and Glen's trade mark to confirm that they were counterfeit. During the visit HMRC Customs notified me that they had discovered a large quantity of non duty paid alcohol in the shop. I observed HMRC Customs seize these goods from Mr Asgar's shop. On 14 June 2011, I arranged for the seized Bollinger Champagne to be formally examined by Mentzendorff & Co Ltd, the trade mark owner of Bollinger Champagne. On 18 July 2011, I arranged for the seized Glen's Vodka to be formally examined by Glen Catrine Bonded Warehouse Ltd, the trade mark owner of Glen's Vodka. The Bollinger Champagne was identified as counterfeit. I produce as exhibit KYC6, a witness statement from Mentzendorff & Co Ltd dated 29 July 2011, confirming that the bottles of Bollinger Champagne are counterfeit. The Glen's Vodka was identified as genuine however the UK Duty stamp back labels were counterfeit. This would indicate that the bottles were non duty paid product. I produce as exhibit KYC7, a copy of the email dated 27 July 2011, provided to me by Tom Taylor at Glen Catrine Bonded Warehouse Ltd confirming this.

Statement of Witness

(Criminal Procedure Rules 2005, r27.1 (1); Criminal Justice Act 1967, s.9, Magistrates' Courts Act 1980, ss. 5A (3) (a) & 5B)

Statement of: Chloe Craven

Age of witness: Over 18 (30) DOB 24.05.1979

Occupation of witness: Champagne Bollinger Brand Manager, Mentzendorff & Co Ltd

This statement, consisting of two pages each signed by me, is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

Dated 29th July 2011

Signed 

I am employed as Champagne Bollinger Brand Manager by Mentzendorff & Co Ltd, Prince Consort House, 27-29 Albert Embankment, London, SE1 7TJ. Mentzendorff & Co Ltd are the UK agents for Champagne Bollinger. As such I have developed a familiarity with genuine Champagne Bollinger and in particular the way Champagne Bollinger trade marks are used on Champagne Bollinger products.

I am therefore able and authorised by Mentzendorff & Co Ltd and Champagne Bollinger to examine purported Champagne Bollinger goods and make statements as to the authenticity of such goods.

The production of such counterfeit stock infringes trade mark numbers 2327949, 308985, M703525, M816145, E8343394 and E8163313 for Champagne Bollinger. A copy of trade mark number 2327949 is attached.

On 14th June at the request of Mr K-Y Cheung from Hillingdon County Council Trading Standards Department I examined 1 physical 1.5L bottle of Champagne Bollinger to establish its authenticity. The bottle in question is marked with evidence bag LA023436.

Based on my knowledge and experience the 1.5L bottle of Champagne Bollinger referred to above is not genuine Champagne Bollinger product nor was it manufactured by or on behalf of Champagne Bollinger.

I am able to confirm with confidence that evidence in evidence bag LA023436 is not genuine Champagne Bollinger for the following reasons:

The neck label on the counterfeit bottle is missing the word 'en' just above '1829' on the Bollinger shield logo. The printing on a genuine bottle also uses gold foil to make the shield shiny. On the counterfeit bottle this is yellow not iridescent gold. Also, the frame of the shield on the counterfeit bottle is just a single yellow line but on the genuine bottle there are many lines on the frame of the shield (see image Appendix 1).

Statement of Witness

(Criminal Procedure Rules 2005, r27.1 (1); Criminal Justice Act 1967, s.9, Magistrates' Courts Act 1980, ss. 5A (3) (a) & 5B)

On evidence in bag LA023436 the bottle has only one Royal Warrant (see Appendix 2) as part of the label, which is correct for the old packaging, however the quality of the printed label is of inferior quality than the genuine label and has been printed on a basic inkjet printer rather than the expensive embossing on the genuine bottles.

On removing the foil from the top of the bottle the genuine bottle has a Bollinger branded metal cage holding the cork down. The bottle in evidence bag LA023436 has a plain gold cage.

It is apparent that this specimen of evidence bag LA023436 is a bottle of cheap sparkling wine re-labelled to impersonate Champagne Bollinger.

The Bollinger brand is trusted for its quality and therefore any counterfeit using the name Champagne Bollinger placed on the market purporting to be manufactured by or on behalf of Champagne Bollinger does irreparable harm to the Champagne Bollinger brand.

The distribution of counterfeit Champagne Bollinger is severely damaging to the reputation of Champagne Bollinger and infringes its trade mark rights and misleads the public. Counterfeit Champagne Bollinger is clearly not the same product as genuine Champagne Bollinger and is therefore clearly taking advantage of the Champagne Bollinger trading name to mislead consumers and enhance its own trade.

Dear Mr Cheung,

I have examined the 70cl and 1L bottles of Glen's Vodka that you sent under seal number LA023434 and my findings are as follows;

Glen's Vodka 70cl -

The bottle has our production lot code L3/121/09 14:33 etched into the bottle which shows that the product is genuine.

Glen's Vodka 1L -

The bottle has our production lot code L2/303/09 16:20 etched into the bottle which shows that the product is genuine.

The UK Duty Stamp back labels on both bottles are counterfeit and were not applied by our company.

As I explained previously, I can no longer provide formal s9 Witness Statements for duty evasion. However, should you require any further information or assistance with the matter, please do not hesitate to contact me.

Please let me know how you want to proceed and what you want done with the bottles in question.

Kind regards

Tom
