Stephanie,

Following our site meeting the other day to go over the extent of the highway usage for the coming market in Uxbridge Town Centre, I have no issues to raise from highways.

Dear Diane,

Re: Street Trading Application Consultation London Local Authorities Act 1990 (As Amended)

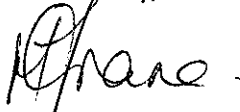

Thank you for your letter dated 3rd October 2011 with regards to the Street Trading Application which has been received from an external organisation, for a licence under the above Act to hold a Christmas themed market in Uxbridge Town Centre 17th – 20th November 2011 (inclusive).

The Uxbridge Forward Board has discussed the application, and at the present time would not object in principle, with the hope that the planned market will bring additional footfall to the Town Centre over the four day period and provide additional attractions not currently provided by the existing Market Holders and Street Traders.

If you would like to discuss the views of Uxbridge Forward with me in more detail, please feel free to contact me on the telephone number or email address below.

With thanks,

Yours sincerely,
