RE: Licence applications 59 Station Road Hayes UB3 4BE trading as Nur Food Centre

Officers from the ASB Investigations Team and Environmental enforcement Team have witnessed the above premises displaying goods on the Highway with more than double of their allocated allowance. Officers have given them verbal warning that this practice must cease, however they continued to display goods and breach their street trading terms and conditions.

They have been issued with 3 (three) fixed penalty notices in the months of September and October 2013. Although the FPN's have been paid at the lesser amount of £60, they still continue to breach their street trading terms and conditions..

For these reasons I object to their license being renewed.

Thank you

Yours Sincerely
