

REVIEW INTO THE ADULT AND COMMUNITY LEARNING SERVICE - THIRD WITNESS SESSION

| | |
|---------------------------|---|
| Committee name | Residents, Education and Environmental Services Policy Overview Committee |
| Officer reporting | Neil Fraser, Chief Executive's Office |
| Papers with report | Appendix A - C – further supporting information |
| Ward | All |

HEADLINES

The Committee is conducting an in-depth review into Hillingdon's Adult and Community Learning Service. As part of the review, a number of witness sessions and other activities will be undertaken to gather relevant information and evidence for Members.

This third witness session is themed around key opportunities available to, and challenges faced by, the service. Debbie Scarborough – Service Manager, Adult and Community Learning, will be attending to aid the Committee. In lieu of external witness attendance, a brief video detailing some of the service's partners will be shown at the meeting.

RECOMMENDATIONS

- 1. That the Committee considers the evidence provided, and asks further exploratory questions to aid their review.**
- 2. That the Committee suggests recommendations for consideration when drafting the final report to Cabinet.**

SUPPORTING INFORMATION

Further information to aid the Committee is included as Appendix A - C of this report.

Implications on related Council policies

The role of the Policy Overview Committees is to make recommendations on service changes and improvements to the Cabinet, who are responsible for the Council's policy and direction.

How this report benefits Hillingdon residents

Policy Overview Committees directly engage residents in shaping policy and recommendations to the decision-making Cabinet that seek to improve the way the Council provides local services.

Financial Implications

None at this stage.

Legal Implications
