Prior to the current management taking over in April 2023, the premises had its licence revoked due to serious concerns, including:</p> <ul style="list-style-type: none"> -Sales of alcohol to underage individuals -Frequent anti-social behaviour, fights, and disturbances -Significant police and council involvement <p>While the applicant claims a clean record since May 2023, residents and local stakeholders have continued to raise concerns regarding late-night disorder associated with the venue, especially in the surrounding streets. As of early 2025, it is widely believed by residents of Harlington Road and Uxbridge Road that the venue is not complying with key conditions of its current licence, specifically the requirement to operate ID scanning (face scanners) from 8pm on Fridays and Saturdays, which has not been observed in regular operation.</p> <p>The Metropolitan Police and the Council's Licensing Sub-Committee previously refused a variation application in June 2024 due to ongoing concerns about the premises' potential to generate crime and disorder. Despite proposed new conditions in this application, I do not believe insufficient evidence that robust enforcement or cultural change has taken place on-site.</p>

	<p>Given this track record and continued local unease, it is wholly inappropriate for the venue to be open until 12:30am or 1:30am, especially without meaningful compliance enforcement. A suitable timing would be in line with the Vine Pub opposite.</p> <p><u>Prevention of Public Nuisance</u></p> <p>Residents have historically suffered significant noise disruption from this premises — including loud music, patrons shouting in the street, and general late-night disturbances. These issues persist and are exacerbated by the venue's proximity to residential areas.</p> <p>Noise is especially problematic after 11pm, when the surrounding streets are quieter. The presence of an outdoor garden area and recorded music intensifies this impact. Although the applicant proposes limiting outdoor use after 11pm, previous promises have not been upheld, and enforcement has been lacking.</p> <p>Additionally, public littering and loitering from patrons exiting the premises late at night continues to be an issue, affecting quality of life for nearby residents and generating more work for the Council's Street Scene Enforcement team.</p> <p><u>Public Safety</u></p> <p>Given the history of fights, drunkenness, and ASB, there are public safety concerns that remain unaddressed. Although the applicant has included standard safety conditions (CCTV, staff training, emergency exits), compliance remains questionable, and trust is low in their ability to self-regulate, especially into the early hours of the morning.</p> <p>In addition, there are worries that the venue may exceed safe capacity during busy evenings, especially given its late proposed hours. Any such risk is heightened by the location's history of disorder and the previous need for police intervention.</p>

The outcome you are seeking from the Licensing Authority (See note 6);

I request that the Licensing Authority reject the variation application and instead restrict the terminal hour for licensable activity to 11pm Sunday to Thursday, and midnight on Friday and Saturday, with premises to be fully closed to the public no later than 30 minutes after these times. This will allow for winding down while preserving residents' rights to peace, safety, and quiet enjoyment of their homes.

Good day Lois, I would like to register my objection to this application . I believe the proposed closing times will create a public nuisance with residential properties in close proximity to the licensed premises. With late closing times , I believe nuisance attracted by large groups of people both entering and exiting the licensed premises will increase significantly. This premises has directly affected parking issues in the surrounding area and the noise generated by the external entertainment is still a cause of concern. I feel conditions placed on these premises will not negate issues which they will cause.

Regards
Cllr Roy Chamdal
