Urgency Notice

In accordance with the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, 28 clear days notice of a decision on this report, to be considered by Cabinet on 25 July 2024, was not practicable.

This report has also been circulated less than 5 working days before the Cabinet makes any decision on the matter and will only be considered if approved at the meeting by the Chair (Leader of the Council).

Under special urgency rules in the Council's Constitution, the Chair of the Corporate Resources & Infrastructure Select Committee has kindly agreed that a decision on this matter can be considered at this Cabinet meeting because it is urgent and cannot reasonably be deferred.

The reason for urgency is due to unanticipated changes in time-frames, so the Council can make the necessary contractual payment without incurring substantial additional financial cost.

This report/matter will be considered in private for the following reason:

The disclosure of information in accordance with Section 100(A) and paragraph 3 of Part 1 of Schedule 12 (A) to the Local Government Act 1972 (as amended), in that the report contains information relating to the financial or business affairs of any particular person (including the authority holding that information) and that the public interest in withholding the information outweighs the public interest in disclosing it.

Notice of the Council's intention to hold this meeting (part in private) is set out on the main Cabinet Agenda A for this meeting.
