Limited parking is available at the Civic Centre. For details on availability and how to book a parking space, please contact Democratic Services

Please enter from the Council's main reception where you will be directed to the Committee Room.

Accessibility

An Induction Loop System is available for use in the various meeting rooms. Please contact us for further information.

Electronic devices

Please switch off any mobile devices before the meeting. Any recording of the meeting is not allowed, either using electronic, mobile or visual devices.

Emergency procedures

If there is a FIRE, you will hear a continuous alarm. Please follow the signs to the nearest FIRE EXIT and assemble on the Civic Centre forecourt. Lifts must not be used unless instructed by a Fire Marshal or Security Officer.

In the event of a SECURITY INCIDENT, follow instructions issued via the tannoy, a Fire Marshal or a Security Officer. Those unable to evacuate using the stairs, should make their way to the signed refuge locations.

A useful guide for those attending Planning Committee meetings

Security and Safety information

Fire Alarm - If there is a FIRE in the building the fire alarm will sound continuously. If there is a BOMB ALERT the alarm sounds intermittently. Please make your way to the nearest FIRE EXIT.

Recording of meetings - This is not allowed, either using electronic, mobile or visual devices.

Mobile telephones - Please switch off any mobile telephones and BlackBerries before the meeting.

Petitions and Councillors

Petitions - Those who have organised a petition of 20 or more borough residents can speak at a Planning Committee in support of or against an application. Petitions must be submitted in writing to the Council in advance of the meeting. Where there is a petition opposing a planning application there is also the right for the applicant or their agent to address the meeting for up to 5 minutes.

Ward Councillors - There is a right for local councillors to speak at Planning Committees about applications in their Ward.

Committee Members - The planning committee is made up of the experienced Councillors who meet in public every three weeks to make decisions on applications.

How the Committee meeting works

The Planning Committees consider the most complex and controversial proposals for development or enforcement action.

Applications for smaller developments such as householder extensions are generally dealt with by the Council's planning officers under delegated powers.

An agenda is prepared for each meeting, which comprises reports on each application

Reports with petitions will normally be taken at the beginning of the meeting.

The procedure will be as follows:-

1. The Chairman will announce the report;
2. The Planning Officer will introduce it; with a presentation of plans and photographs;
3. If there is a petition(s), the petition organiser will speak, followed by the agent/applicant

followed by any Ward Councillors;

4. The Committee may ask questions of the petition organiser or of the agent/applicant;
5. The Committee debate the item and may seek clarification from officers;
6. The Committee will vote on the recommendation in the report, or on an alternative recommendation put forward by a Member of the Committee, which has been seconded.

About the Committee's decision

The Committee must make its decisions by having regard to legislation, policies laid down by National Government, by the Greater London Authority - under 'The London Plan' and Hillingdon's own planning policies as contained in the 'Unitary Development Plan 1998' and supporting guidance. The Committee must also make its decision based on material planning considerations and case law and material presented to it at the meeting in the officer's report and any representations received.

Guidance on how Members of the Committee must conduct themselves when dealing with planning matters and when making their decisions is contained in the 'Planning Code of Conduct', which is part of the Council's Constitution.

When making their decision, the Committee cannot take into account issues which are not planning considerations such as the effect of a development upon the value of surrounding properties, nor the loss of a view (which in itself is not sufficient ground for refusal of permission), nor a subjective opinion relating to the design of the property. When making a decision to refuse an application, the Committee will be asked to provide detailed reasons for refusal based on material planning considerations.

If a decision is made to refuse an application, the applicant has the right of appeal against the decision. A Planning Inspector appointed by the Government will then consider the appeal. There is no third party right of appeal, although a third party can apply to the High Court for Judicial Review, which must be done within 3 months of the date of the decision.

REASON FOR URGENCY

The works to the Listed Building are required urgently to ensure they can be carried out having regard to the individual circumstances of the occupants. In order to ensure works can be carried out in a timely manner it is considered that the application warrants urgent consideration.

1. CONSIDERATIONS

1.1 Site and Locality

The application site comprises White Heath Farm, a dairy farm comprising a series of detached buildings surrounding an open yard. The Farm is some 200m north of Hill End Road, accessed by a driveway. The Farmhouse is a Grade II Listed Building and the application site is surrounded by open green meadows and lies within the Green Belt, as designated in the Hillingdon Local Plan: Part 1 - Strategic Policies (November 2012).

1.2 Proposed Scheme

Listed Building Consent is sought for the refurbishment of the building including the repair and redecorating of the main entrance double doors. The proposal includes the replacement of all existing windows with double glazed timber alternatives with single glazed profile, the like for like replacement of the natural slate roof, repair works to internal spaces and works to fire protect the doors.

3. Comments on Public Consultations

EXTERNAL

English Heritage:

We do not wish to comment in detail, but offer the following general observations.

English Heritage Advice

I was able to make an external site visit with your conservation officer on 23 January 2014 to discuss the proposals and have subsequently also received further information and details regarding the condition of the existing windows and the proposed replacements; including amended drawings for the proposed ground floor windows to the front elevation. I acknowledge that the existing windows are relatively modern and in poor condition and am content that the proposed replacements will suitably preserve the special interest of this grade II listed building.

Recommendation

We recommend that this application should be determined in accordance with national and local policy guidance, and on the basis of your specialist conservation advice. It is not necessary for us to be consulted again. However, if you would like further advice, please contact us to explain your request.

Greater London Archaeology Advisory Service (English Heritage):

On the basis of the information provided, we do not consider that it is necessary for this application to be notified under the GLAAS Charter.

Harefield Village Conservation Area Panel:

The Panel had no objection to the proposal and was pleased to see the Council refurbishing with care, one of its listed buildings.

INTERNAL

Conservation Officer:

No objection subject to conditions requiring the timber window frames to be painted white and further details of the structural repair works to the office/basement.

4. UDP / LDF Designation and London Plan

The following UDP Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1 (2012) Built Environment

PT1.EM2 (2012) Green Belt, Metropolitan Open Land and Green Chains

PT1.HE1 (2012) Heritage

Part 2 Policies:

BE8 Planning applications for alteration or extension of listed buildings

BE9 Listed building consent applications for alterations or extensions

BE10 Proposals detrimental to the setting of a listed building

OL4 Green Belt - replacement or extension of buildings

5. MAIN PLANNING ISSUES

The main planning issues relates to the impact the proposed works would have on the Grade II Listed Building and on the Green Belt.

BE8 of the Hillingdon Local Plan: Part 2 - Saved UDP Policies (November 2012) will not permit applications to alter or extend Listed Buildings where damage may be caused to the historic structure. External and internal alternations should harmonise with their surroundings. BE10 of the Hillingdon Local Plan: Part 2 - Saved UDP Policies (November 2012) will not grant permission for proposals that are detrimental to the setting of the Listed Building. Policy OL4 of the Hillingdon Local Plan: Part 2 - Saved UDP Policies (November 2012) does not permit developments in the Green Belt that would injure the visual amenity of the Green Belt by their siting, materials and design.

The proposed scheme includes a number of external and internal works to the Listed Building. The main entrance doors would be repaired and redecorated, and all the existing timber windows would be replaced with new double glazed timber windows in the same style as the existing windows. The roof would be replaced with like for like natural slate. The scheme also includes repair works to internal spaces and works to fire protect the doors.

The Council's Conservation Officer considers the proposed external and internal works to be acceptable. The internal works would not cause harm to the structure of the Listed Building, whilst the proposed external works would improve the appearance of the building, which is currently in poor condition. The improved appearance would reduce the visual impact of the building on the surrounding Green Belt.

The proposed scheme complies with Policies BE8, BE9, BE10 and OL4 of the Hillingdon Local Plan: Part 2 - Saved UDP Policies (November 2012). The application for Listed Building Consent is therefore recommended for approval.

6. **RECOMMENDATION**

That subject to the application be referred to the National Planning Casework Unit (NPCU), the application not being called in and the Local Planning Authority not being directed to refuse the application, that the application be approved subject to the following conditions:

1 LB1 Time Limit (3 years) - Listd Building Consent

The works hereby permitted shall be begun before the expiration of three years from the date of this consent.

REASON

To comply with Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

2 LB2 Making good of any damage

Any damage caused to the building in execution of the works shall be made good to the satisfaction of the Local Planning Authority within six months of the works being

completed.

REASON

To safeguard the special architectural and/or historic interest of the building in accordance with Policy BE8 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012)

3 LB10 Internal and External Finishes (Listed Buildings)

All new works and works of making good to the retained fabric of the building, whether internal or external, shall be finished to match the existing fabric with regard to methods used and to material, colour, texture and profile.

REASON

To safeguard the special architectural and/or historic interest of the building in accordance with Policy BE8 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012))

4 LB11 Further Details (Listed Buildings)

Further details of the structural repair works to the office/basement shall be submitted to and approved in writing by the Local Planning Authority before the relevant part of the work is begun.

REASON

To safeguard the special architectural and/or historic interest of the building in accordance with Policy BE8 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012)

5 NONSC Non Standard Condition

The timber frames of the windows shall be painted white.

REASON

To safeguard the special architectural and/or historic interest of the building in accordance with Policy BE8 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012)
