Councillor Neil Fyfe and Cllr Beulah East attended as Ward Councillors in support of the petitioners. Sergeant Phillips from Charville Safer Neighbourhood Team also attended in support of petitioners.

As petitioners were not in attendance, Cllr Burrows asked if Ward Councillors would like the petition heard in their absence. Ward Councillors were happy for the petition to be heard. Cllr Burrows also highlighted an email in support of the petitioners' request from Cllr O'Connor.

Both Ward Councillors spoke and raised the following points:

- Visibility was often restricted.
- People park wherever they like.
- Speed bumps were already in place.
- There was not a School Crossing Patrol Officer.
- There were two entrances to the school, one on Raynton Drive and the other on Frogmore Avenue.
- A zebra crossing could cause more chaos.
- Works completed on Balmoral Drive end of Raynton Drive were an improvement.

Sgt Phillips of Charville, Safer Neighbourhood Team also raised the following points:

- PCSO's had no power to ticket drivers and were often abused by drivers.
- Disabled drivers were often parking across residents' dropped kerbs.
- The Council's enforcement team were not available all the time.

The Cabinet Member listened to the concerns and responded to the points raised.

Councillor Burrows thanked Sgt Phillips for the work his team carried out in Charville Ward and for taking the time to attend the petition hearing. Cllr Burrows explained that the Council was currently in the process of recruiting additional School Crossing Patrol Officers, however, these were subject to interviews and CRB checks.

Officers explained that the School Travel Plan Team updated their plans on a yearly basis. The School Travel Plan Team encouraged people to walk or cycle to school. Officers stated ideally there would be a School Crossing Patrol Officer at every school; however, this was determined by risk assessments and the level of footfall.

Resolved - That the Cabinet Member:

- 1) Met with petitioners and considered their request for a zebra crossing outside Hayes Park Primary School in Raynton Drive.**
- 2) Noted the current proposals to improve road safety in the vicinity of Hayes Park Primary School.**

	<p>3) Asked officers to place this request on the Council's Road Safety Programme for subsequent investigation and the development of possible options.</p> <p>4) Asked officers to liaise with Parking Services to review the level of parking enforcement in this area, and carry out some additional short-term enforcement in an attempt to break the bad habits of parents and relatives.</p> <p>REASONS FOR RECOMMENDATION</p> <p>The petition hearing provided a valuable opportunity to hear directly the concerns and suggestions of petitioners.</p> <p>ALTERNATIVE OPTIONS CONSIDERED / RISK MANAGEMENT</p> <p>These were discussed in greater detail with petitioners.</p>
