That the audit opinion and the evidence on which it was based be noted.</p>	
8.	<p>ANNUAL REVIEW OF INTERNAL AUDIT</p> <p>Members were reminded that the Accounts and Audit Regulations 2011 required that the Council annually conducted a review of its Internal Audit function.</p> <p>The Committee was informed that this year's review had been carried out by the Head of Audit of the City of London. In addition he assessed the Head of Audit & Enforcement role against the standards set out in the CIPFA document, 'The Role of the Head of Audit in Public Sector Organisations' which had been issued in 2011.</p> <p>The audit service was found to be largely compliant, apart from exceptions already noted by the Committee. There were two minor recommendations which were made as points of good practice.</p> <p>Reference was made to the recommendation made in relation to the Internal Audit function potentially having a wider role in the delivery of the BID transformation programme. The Deputy Director of Finance reported that discussions had taken place with both the Chief Executive and Deputy Chief Executive regarding this and both were of the view that although Internal Audit should continue to have full oversight of the transformation programme they should not be routinely involved in the delivery of the programme itself. This was partly because they would not have the capacity to do so and it would take valuable Internal Audit resource away from other priorities but also so that they could remain independent of the programme which would be important when they came to audit revised operations following BID reviews.</p> <p>The Committee also noted that the Head of Audit & Enforcement was no longer responsible for planning enforcement.</p>	

	<p>recommendations which came out of the review would be fully considered and taken forward by the Leader of the Council and the Cabinet Member for Finance, Property & Business Services, and where appropriate taken to a future Council meeting for consideration.</p>	
13.	<p>REPORT TO THE COUNCIL ON THE WORK OF THE AUDIT COMMITTEE FOR 2011-12</p> <p>Details of the work carried out by the Committee during 2011-12 were contained in the report.</p> <p>Minor amendments were made to the report.</p> <p>RESOLVED –</p> <p>1. That, with the amendments suggested, the report be noted and Council be asked to approve the report.</p>	
14.	<p>CHANGING LEGISLATION AND CURRENT ISSUES</p> <p>The Committee noted the following:</p> <ul style="list-style-type: none"> • Auditing Practices Board – Consultation on the Work of Internal Auditors, together with a summary of the report produced by Deloitte • Auditing Standards Board Paper on Professional Scepticism • National Fraud Briefing – Paper issued by the Audit Commission.
