CODE OF CONDUCT FOR MEMBERS AND CO-OPTED MEMBERS

Reporting Officers: Borough Solicitor and Head of Democratic Services

SUMMARY

1. The Committee is asked to give consideration to a review of the new ethical framework adopted by Council on 5 July 2012 in accordance with the Localism Act 2011 [the Act]. The Act made a number of significant changes to the previous ethical framework for Members and Co-opted members of local authorities, which came into force on 1 July 2012.
2. Council in July 2012 agreed inter-alia:
 - a) the adoption of a new Code of Conduct for Hillingdon Members and co-opted members
 - b) the abolition of the previous Standards Committee and sub-committees and the appointment of a new Standards Committee with a reduced membership.
 - c) amendments to the following associated documents:
 - The Code of Conduct complaint procedure and form - including the introduction of a new Whips' Protocol.
 - The Planning Code of Conduct and ICT Usage Policy for Members
 - d) to make an appointment to the role of 'Independent Person' until 30 June 2013
 - e) to review the effectiveness of the new ethical framework in 12 months time.

In accordance with the last resolution above Members are asked to consider the following report and recommendations for Council on 4 July 2013.

RECOMMENDATIONS: That Council be asked to:

- a) **note the successful operation of the new ethical regime for Members and Co-opted members adopted in July 2012;**
- b) **make no changes to the current Code of Conduct for Members and Co-opted members, associated documents, complaints procedure and Whips' Protocol**
- c) **approve the appointment of (tbc) as the Standards Committee Independent Person for a 5 year period to July 2018.**

BACKGROUND INFORMATION

The New Code of Conduct

3. Council in July 2012 considered various options for the adoption of a new Code which was to be 'minimalist' in nature and based on the Nolan principles. The Code adopted was based on a model issued by the DCLG and is attached as Appendix 1.

4. Part 2 of the new Code sets out the requirements for notification and disclosure of Members and Co-opted members' Disclosable Pecuniary and non-Pecuniary interests. It is now a criminal offence under the Act for a Member or co-opted member, without reasonable excuse, to fail to give notification of a pecuniary interest or fail to disclose it.
5. All Members were required to indicate in writing within 28 days, that they would abide by the contents of the Code and to complete a Register of Disclosable Pecuniary and non-pecuniary interests form for the publicly available Register. The Head of Democratic Services confirms that all Members have met this requirement.
6. In addition, all Members and Co-opted members have been offered training on the new Code and their obligations under it and the majority have undertaken such training.

A New Complaints Procedure

7. The Act requires the Council to have in place arrangements under which firstly, complaints can be investigated and secondly, decisions on complaints can be made. Although the Act no longer makes it a requirement to have a Standards Committee in place, Council agreed to retain the Committee to deal with complaints against Members and co-opted members.
8. The Code of Conduct complaint form was revised to bring it up to date. To avoid as far as possible having to deal formally with a proliferation of complaints which are time-consuming, potentially expensive and distressing for the Members concerned, Council also adopted a Whips Protocol designed to deal with the majority of complaints made by both Hillingdon Members and members of the public. The Protocol is intended to be the precursor to the formal complaints process and is the first port of call when complaints are made against Members and co-opted members.
9. Council agreed the abolition of the previous three Sub-Committees set up by the Standards Committee to deal with complaints and determined that, under the new system, the Standards Committee itself will both assess and hear complaints against Members and co-opted members, although Council also noted the extremely limited range of sanctions available under the new regime which can be imposed against Members or co-opted members who have been found to have breached the Code.
10. It is interesting to note that, in the period since the adoption of the new Code only one complaint about a Member has been received (there were 30 such complaints since the previous Code was adopted in May 2008). The complaint was dealt with by using the Whips' Protocol and was satisfactorily resolved.
11. In the circumstances, it is not recommended that any changes be made to the Code of Conduct and associated complaints procedures as adopted by Council in July 2012.

Independent Person

12. The Act envisaged a new role for an Independent Person and states that there must be provision for the appointment by an authority of at least one Independent Person

whose views are to be sought and taken into account in relation to the conduct of a Member or co-opted member of the authority. The retained Independent Person would not be a member of the Standards Committee but provision would be made for Standards Committee Members to consult with him/her in the event that a formal complaint is made against a Hillingdon Member or co-opted member.

13. The Act originally barred existing Standards Committee members who within the last five years had been a Member, co-opted member or officer of the authority in question from being appointed as the Independent Person. However, the Government made transitional provisions allowing an authority to appoint a person as an Independent Person who, although not a member or chairman of a Standards Committee at the time of appointment [or thereafter] had held such a post within the last five years.
14. The Act requires that the appointment of an Independent Person be made after the position has been advertised to the general public. The Standards Committee in February 2013 agreed to re-advertise the position and accordingly, the Monitoring Officer has invited, through advert, expressions of Interest for the role of Independent Person. Ten such expressions, including one from the current Independent Person, have been received and are attached as a separate Appendix for Members' consideration.
15. The individuals expressing an interest have been invited to be interviewed by the Committee so that a recommendation for the appointment can be made to Council in July. It is suggested that the appointment be for an initial five year term to cover the period to the Council elections in 2018.
16. The position carries a Special Responsibility Allowance of £1,500 p.a.

The Planning Code of Conduct and ICT Usage Policy for Members

17. Both these documents are linked to the Code of Conduct and minor changes were made to both to reflect the adoption of the new Code. Both are deemed to be currently fit for purpose and it is not recommended that any further changes are required at this time.

Financial Implications

18. There are no specific financial implications arising from this report. The adoption of the Whips Protocol has assisted in resolving a complaint without having to resort to expensive, independent investigations.

Legal Implications

19. The legal implications are contained in the body of the report.
