The Decision

RESOLVED: That the Sub-Committee had considered all the relevant evidence made available to it and in doing so has taken into account the Licensing Act 2003, the Guidance issued by the Secretary of State under Section 182 of the Act, the Council's Statement of Licensing Policy and Licensing objectives.

The decision of the Sub-Committee is to revoke the licence.

The licence holder has not demonstrated that he is able to manage the premises in a manner which upholds the licensing objectives. The addition of conditions and a change of DPS will not be effective because Mr. S. will continue as owner and therefore be in a position to direct the actions of the new DPS. The proposed new DPS has not demonstrated the knowledge of the licensing objectives and the conditions attached to the current premises licence. The Sub-Committee is particularly concerned that she indicated that the shop could carry out on sales, when specific conditions currently on the licence prevent, on sales. This indicates that she does not have the skill necessary to manage the premises in a manner which upholds the licensing objectives.

The meeting, which commenced at 2.00pm, closed at 3.40pm.
