Agenda

The usual notice period for Licensing Sub-Committee meetings has not been given in this instance because S105 of the Licensing Act 2003 requires the hearing of a Temporary Event Notice to take place as soon as possible. This agenda and report will therefore only be considered if the Chairman agrees it to be urgent. The Reason for urgency is to ensure a decision can be made by the Sub-Committee before the event takes place.

4.0 LEGAL IMPLICATIONS

Where it is proposed to use premises for one or more licensable activities during a period not exceeding 168 hours, an individual may give to the licensing authority notice of that proposal (a "temporary event notice"). The Police and the Council's Environmental Protection Unit ("EPU") are required to object to temporary event notices where it is considered that the proposed temporary event would undermine the licensing objectives.

The procedure to be followed by the licensing authority on receipt of a temporary event notice depends on whether the notice is a "Standard Temporary Event Notice" or a "Late Temporary Event Notice". A Standard Temporary Event Notice is one where at least 10 clear working days notice is given to the licensing authority. A Late Temporary Event Notice is one where between 5 and 9 clear working days notice is given to the licensing authority.

Procedure for Standard Temporary Event Notices:

Where a licensing authority receives a Police or EPU objection to a standard temporary event notice, they must hold a hearing to determine whether the temporary event should be permitted, unless all parties and the licensing authority agree that a hearing is not necessary. The purpose of the hearing is for the licensing authority to consider whether, having regard to the objections, the licensing objectives would be undermined if the temporary event were to be permitted. The applicant and any objectors may agree modifications to the temporary event notice in order to overcome objections, and if so agreed, the relevant objections are deemed to have been withdrawn. If all objections are withdrawn, the event may proceed in accordance with the temporary event notice.

Where the objections have not been withdrawn, if the licensing authority considers that allowing the temporary event would undermine the licensing objectives, it must issue a counter notice to the applicant refusing permission for the temporary event. The licensing authority may allow a temporary event to go ahead subject to such conditions as it considers necessary in order to promote the licensing objectives. The licensing authority's decision must be made at least 24 hours prior to the start of the proposed event. The Council must provide reasons for any decision that it makes.

Procedure for Late Temporary Event Notices

Where a licensing authority receives a Police or EPU objection to a late temporary event notice, they must automatically issue a counter notice to the applicant refusing permission for the temporary event at least 24 hours before the start of the proposed temporary event.

Appeals

In the case of decisions on Standard Temporary Event Notices, where a Counter Notice is issued by the Licensing Authority, the premises user, Police and/or EPU have the right to appeal the decision of the Sub-Committee to the Magistrates' Court within a period of 21 days beginning with the day on which the premises user was notified by the Licensing Authority of the decision. No appeal may be brought later than five working days before the day on which the event specified in the TEN begins. No appeal may be made where a counter notice is issued following an objection to a Late Temporary Event Notice.

Dear Ms Waterford,

**Re; Temporary Event Licence.
The Lounge Bar & Restaurant, Dawley Road, Hayes, UB3 1EN.**

On Thursday 2nd July 2015, Police received an application from the above premises for one application under Section 100 of the Licensing Act 2003. The Temporary Event Notice application has been made by Miss Claudette St Paul. The dates and times of the application are as follows:

- Friday, 17th July 2015 until 02.00 hours on Saturday morning.
- Saturday, 18th July 2015 until 0300 hours on Sunday morning.
- Sunday, 19th July 2015 until 0130 hours Monday morning.

On behalf of the Commissioner of Police I wish to make an objection to this application based on the Prevention of Public Nuisance Objection, on the grounds that the premises was recently granted a Temporary Event Licence for Saturday 13th June 2015 and this resulted in the police receiving numerous complaints from local residents about nuisance and anti social behaviour being caused by customers leaving the premises in the early hours of the morning.

The complaints were about drunkenness, people shouting and shrieking, drinking in the street and throwing empty beer cans into residents gardens, people hanging about outside making noise and a report of one male dropping his trousers so that he could take a photograph of his genitals.

I must also mention the premises also had a Temporary Event Licence for the weekend after and this went off without any incidents being reported to the police, however this application is for the whole weekend and going by the history of complaints from the local resident police have concens that there is a very high risk that there will be further incidents of Anti Social Behaviour and Nuisance should this Temporary Event Licence be granted.

MEMORANDUM

From: John Abiona	To: Licensing Officer
Location: 3S/02 Ext: 6874	
My Ref: 107456	3S/09
Your Ref: The Lounge, Dawley Road, Hayes,	Date: 02.07.2015

Dear Sir or Madam,

Re: Application for a Temporary Event Notice - Licensing Act 2003
Address: The Lounge, Dawley Road, Hayes, UB3 1EN

I refer to the application for a Temporary Event Notice under the Licensing Act 2003, relating to the above named premises scheduled for 17th - 19th July 2015.

The Environmental Protection Unit, in its capacity as a responsible authority, is making a representation to this application, in relation to the licensing objective 'Prevention of Public Nuisance'

The grounds for this objection are:

Recent complaints of noise disturbance to the local residents and documentary evidence indicating Public Nuisance at the last two events held in June 2015 at this premises.

At approximately 03:42 hours on Sunday 14th June 2015; two local residents reported been disturbed by a large group of patrons from The Lounge after the event. They were making their way from The Lounge past the cottages, and in the direction of Blyth Road. They were shouting, staggering and shrieking all the way.

On Sunday 21st June 2015, Three local residents reported been disturbed by loud music from The Lounge, the loud music was on until 00:30 hours.

I have video footage and photographs sent from distressed local residents to buttress their complaint. I will make this available for the committee to view at the hearing.

In view of all the above, I am concerned that the proposed event until 0300 hours will generate noise disturbance to the local residents in terms of loud noise /music/ patrons shouting whilst leaving the premises at the early hours of the morning.

Yours faithfully,

John Abiona

Hi Janet, I did not hear anything on Saturday only a few people walking past probably around 1am? They had something on last night until about 1am and the music was loud , it stopped at about 12 30 no one could sleep in the back rooms here until it stopped , even getting permission to stay open till that time

On Monday am is madness .also one of the Pink well Ward councillors (Jazz Dhillon) said he was trying to get over Bournes Bridge (the weekend before last in the small hours), he said the traffic was gridlocked, with cars parked up on the bridge and right down to the traffic lights outside my house, and lots of people milling outside the pub--

It is now a little before 4am. For the last 10 minutes or so, large groups of patrons from The Lounge have been making their way from The Lounge past the cottages, and in the direction of Blyth Rd. They have been shouting, staggering and shrieking all the way. Again, they are nearly all dressed head to toe in white.

It is now 4am. Traffic is at a standstill outside the house because of people further up the road loitering in the street. Cars are honking their horns.

It's now 3:07am. There is no sign of people leaving the club. Noise/music/shouting from the club can be heard in the back bedrooms of the house. It is a humid night, so having to close the windows to avoid noise is annoying.

About 2 minutes ago, I witnessed a man dressed in white shuffling up the road on the pavement opposite the cottages with his white trousers pulled halfway down his thighs shuffling up the road holding his phone out in front of him taking a 'selfie' of his penis.

It is now 4:20am.

It is now pretty much daylight outside.

Some loud and drunk people are beginning to make their way back up the road from The Lounge. It is 3:42am.

Nearly all of the club patrons (both sexes) seen going up to The Lounge, and back are dressed completely in white. So I'm guessing The Lounge has been having a 'white party'.

Did they have an extension to their licensed hours for this event? If not why are they still operating nearly 3hrs after they should?

Dear Ms Waterford

**Re; Temporary Event Licence:
The Lounge Bar & Restaurant, Dawley Road, Hayes, Middlesex, UB3 1EN.**

POLICE OBJECTION NOTICE

On Thursday 12th February 2015 police received an application for the above premises for one application under section 100 Licensing Act 2003. The Temporary Event Notice application is for Sunday 22nd February 2015 from 00.00hrs until 05.00hrs on Sunday 22nd February 2015. This application has been made by Miss Claudette St Paul.

On behalf of the Commissioner of Police I wish to make an objection to this application based on the Prevention of public Nuisance Objective. On the grounds that police have been receiving numerous complaints from local residents about noise and nuisance and anti social behaviour being caused by customers leaving the premises in the early hours of the morning.

There have been complaints about people urinating in the public places in full view of the resident's houses. On the 28th December 2014 at about 05.00hrs police were called to Dawley Road after the road was completely blocked by large vehicle that could not pass each other and this was caused by the amount of vehicles that were parked on the footpaths on both sides of the road, these vehicles belonged to people attending the premises. Officers also observed people coming out of the premises at this time. The premises was meant to be closed at 01.00hrs

Dear Sir/Madam,

Re: Lounge Bar, Dawley Road, Hayes, UB3 1EN

**Application for a temporary events notice under the Licensing Act 2003
From 28 February 2015 to 1 March 2015**

I write with reference to the above application for a temporary events notice (TEN).

I wish to formally object to this TEN on the grounds of Prevention of Public Nuisance as the proposed event is scheduled to run to 05:00 hrs on 1st March and is likely to result in noise disturbance to nearby residential premises on Dawley Road from loud music and patrons leaving/entering the premises early in the morning. The applicant has not proposed any measures to ensure noise disturbance to nearby residential is not caused.

Yours faithfully,
