## 7.0 LEGAL COMMENTS

7.1 The granting of a temporary street trading licence under the London Local Authorities act 1990 is discretionary and the Act does not set specific criteria for determining temporary

---

PART I - MEMBERS, PUBLIC & PRESS

applications. Determination of applications must therefore be in accordance with the Council's published Street Trading Policy (the "Policy"). Decisions must be in accordance with the policy unless there are strong reasons for departing from it.

7.2 In accordance with the Policy, applicants must be aged 17 years or older and suitability will be assessed on a case by case basis and information about an applicant's enforcement history with the Council may be referred to.

7.3 In considering applications for the grant or renewal of a street trading licence, the following factors specified in the Policy should be considered:

- Paragraph 2.1 - Traders should be aware that this policy relates only to street trading activities and it is the responsibility of the trader to ensure that they are compliant with other legislation. Traders should consider whether their activities are likely to require authorisation and/or compliance with other regulatory regimes. For example; Planning, Building Control, Food Safety, Health & Safety, Control of Waste, Highway Obstruction, Trading Standards, Late Night Refreshment/Entertainment/Alcohol Licensing etc.
- Paragraph 3.2 - The Council will assess the suitability of the applicant on a case by case basis and may have regard to any relevant enforcement history concerning the applicant and/or the location of the proposed street trading.
- Paragraph 9.1 - Where the Council receives feedback or an objection to an application consultation, it will carefully consider whether that feedback/objection may influence the Councils discretionary decision making powers.

- Paragraph 10.5 of the Policy states:

*"The discretionary grounds for refusal are:*

- a) There are enough street traders in the area offering the same or similar goods to those of the applicant.*
- b) The applicant is unsuitable to hold a licence.*
- c) The applicant has previously demonstrated misconduct or unscrupulous behaviour whilst being the holder of a street trading licence.*
- d) The applicant has failed to comply with the terms or failed to pay a fee of a street trading licence.*
- e) The applicant has failed to propose suitable measures for the storage of perishable items when street trading is not taking place.*
- f) The applicant of a shop front licence is proposing to sell goods or offer services which are not sold or offered for sale within that shop.*
- g) The applicant is not the owner/occupier of a shop outside which a shop front trading licence is sought."*

- Paragraph 10.7 of the Policy states:

*"The Council may also have regard to the other following factors when considering the impact on the local area of the proposed trading activity. This may result in additional conditions being imposed upon any licence granted."*

- a) *Public Safety – whether the street trading activity represents, or is likely to represent, a substantial risk to members of the public from the point of view of obstruction of the highway for emergency vehicles, or otherwise, a fire hazard, unhygienic conditions or other danger that can be reasonably foreseen, that may occur when a trader is using the site.*
- b) *Prevention of Crime and Disorder – whether the street trading activity represents, or is likely to represent, a substantial risk to public order. This is potentially more of an issue for traders wishing to operate as part of the night time economy.*
- c) *Prevention of public nuisance or environmental damage – whether the street trading activity represents, or is likely to represent, a substantial risk of nuisance or environmental issues. Examples include; damage to street surfaces; noise; litter; refuse; vermin; fumes/odours etc.*
- d) *Appearance of trading area – Whether the street trading area is properly constructed and presented and enhances the aesthetic street scene of an area. Guidance will be given to applicants regarding the standard expected by the Council."*

- 7.4 If discretionary grounds for refusal do exist, the Sub-Committee may still decide to award a licence – but this could be for a shorter period than required, or to allow trading only in certain commodities.
- 7.5 Standard conditions will be attached to every street trading licence. Where relevant, the Licensing Sub-Committee may attach specific trading conditions to a street trading licence.
- 7.6 There is no right of appeal against a decision to refuse a temporary street trading licence.

Dear Licensing Officer

**Re: Application for Siras 42-44 Coldharbour Lane Hayes**  
**Address:**

I refer to the application for a renewal/new street trading licence at above location.

The Antisocial Behaviour Investigations Team have considered the application and have decided to object to the grant/renewal of this application on the following grounds...

*10.5 The Discretionary grounds for refusal are:*

*b) The applicant is unsuitable to hold a licence.*

*c) The applicant has previously demonstrated misconduct or unscrupulous behaviour whilst being the holder of a street trading licence.*

*The issue of 2 x FPN's for breach of trading "unlicensed street trading and 1 x Section 34 producer for waste management documentation..*

*Street 46924 1<sup>st</sup> December 2016*

*Street 49663 15th November 2016*

*Street 3067 1<sup>st</sup> December 2016*

I attach the following supporting evidence in respect of my objection:

- 2 FPN's
- 1 Section 34 producer of waste management

I would therefore recommend the refusal of a new street trading licence being granted.
