21. **MEMBERS' QUESTIONS** (*Agenda Item 7*)

7.3 QUESTION SUBMITTED BY COUNCILLOR BRIGHTMAN TO THE CABINET MEMBER FOR SOCIAL SERVICES, HOUSING, HEALTH & WELLBEING – COUNCILLOR CORTHORNE:

“Would the Cabinet Member please provide an update on the matter raised in the motion from Councillor Duncan at the Council Meeting on 22nd November 2018, when it was suggested that the Council was “acquiring properties for housing where this will evict tenants who are then made homeless”?”

Councillor Corthorne advised that, since the Council meeting on 22 November, the matter had been investigated alongside supporting information submitted by Councillor Duncan. The matter in question related to a property in Kings Road. As stated at the previous meeting, it was the Council's policy to acquire properties with vacant possession. In this case, the landlord had served the eviction notice on 10 May 2017. The Council's first interest in acquiring the property was in January 2018, and the sale was completed in May 2018, 12 months after the serving of the eviction notice.

Councillor Corthorne highlighted that the Council continued to reduce homelessness in the Borough, and had acquired almost 300 properties in just over a year, including outright purchase and private rented accommodation for families.

By way of a supplementary question, Councillor Brightman asked:

“Given that it was not Council policy or practice to acquire tenanted properties, could the Cabinet Member provide an update in respect of Barnet Council's acquisition of 50 properties in Yeading from Palace Capital, and the assistance and support being given to the existing tenants by Barnet Council?”

Councillor Corthorne advised that as the purchaser of the properties, Barnet Council had written directly to all of the affected tenants to confirm that none would be forced out of their homes and made homeless.

Barnet Council were organising face to face meetings with each tenant to agree their preferred option on a case by case basis. Barnet Council had stated that tenants would have the option to remain in their home. Hillingdon's Homeless Prevention Service was available to offer support and guidance to any of the residents affected.

As of now, Barnet Council had spoken with 24 households and had identified a total of 13 who had been offered the opportunity to remain in their homes. It was Hillingdon Council's understanding that Barnet Council were acquiring properties through a subsidiary company and that residents would be offered assured shorthold tenancies at their current level of rent.

7.1 QUESTION SUBMITTED BY COUNCILLOR BLISS TO THE CABINET MEMBER FOR SOCIAL SERVICES, HOUSING, HEALTH & WELLBEING – COUNCILLOR CORTHORNE:

“50 families in Yeading have been given notice to vacate their long term homes as the properties have been sold by Palace Capital to Barnet Council. Can the Cabinet Member update us on the discussions between Hillingdon and Barnet Council? Some families are due to lose their homes on the 15th February, and are desperate to know where they can go for help with their housing needs.”

Councillor Corthorne referred Councillor Bliss to his answer to question 7.3, but highlighted that while Hillingdon officers were engaging with senior managers at Barnet Council, Barnet were taking the lead in this matter.

By way of a supplementary question, Councillor Bliss asked:

“Could the Cabinet Member confirm when Hillingdon was advised of Barnet Council's intention to purchase these homes, and why there was no dialogue with residents and local Councillors before the eviction notices were received?”

Councillor Corthorne advised that Hillingdon was aware that the properties were going to be made available for purchase, but were not attracted to the proposition as there were sitting tenants in place. Regarding Barnet Council's actions, this was an internal matter for that Council.

7.2 QUESTION SUBMITTED BY COUNCILLOR ARNOLD TO THE LEADER OF THE COUNCIL - COUNCILLOR PUDDIFOOT:

“Would the Leader of the Council please update Council, and in due course the residents of this Borough, on the outcome of the request made to Back Heathrow Ltd. at the Council Meeting held on 22nd November 2018.

Following a number of misleading and disingenuous statements made by the organisation Back Heathrow Ltd., the Leader of the Council requested, for the purpose of openness and transparency that they supply the Council with details of providers of finance and support received for the last three financial years, within 40 days.

The Leader stated that Back Heathrow Ltd. was not a resident-focussed organisation but was a puppet of Heathrow Airport Ltd. and that he doubted that the organisation would respond appropriately but would instead demonstrate a complete lack of scrutiny that would go against the grain of local opinion. Is he now in a position to confirm his assessment?”

Councillor Puddifoot advised that Back Heathrow Ltd. had not supplied the information requested, were clearly the puppet of Heathrow Airport Ltd., and therefore could not be taken seriously. Hillingdon had started the current financial year with funding set aside to fight the Heathrow expansion totalling £331,000. Expenditure so far this year, after deducting £117,000 received from partnering boroughs, had

reduced that figure to £163,000.

The current year's budget contained an earmarked reserve of £250,000 to fund half the running costs of Uxbridge Police Station, which was no longer required as MOPAC has declined Hillingdon's offer of assistance. Accordingly, as indicated in the 2019/20 Budget which came to Cabinet in December, this sum would be added to the Heathrow Expansion Fighting Fund, giving a total of £413,000 funding available.

This was fulfilling the promise that Hillingdon had made to the people of the Borough at the local election in May last year, in that Hillingdon Council would defend Hillingdon residents and its environment against the detrimental effects of Heathrow Expansion, however much it cost and for however long it took.

There was no supplementary question.

7.4 QUESTION SUBMITTED BY COUNCILLOR RILEY TO THE CABINET MEMBER FOR CENTRAL SERVICES, CULTURE AND HERITAGE – COUNCILLOR LEWIS:

“Could the Cabinet Member please let us know what the Council is doing to mark Holocaust Memorial Day, which takes place on 27th January?”

Councillor Lewis confirmed that Holocaust Memorial Day (HMD) took place on 27 January each year, and was a time to remember the millions of people murdered during the Holocaust, under Nazi Persecution and in the genocides which followed in Cambodia, Rwanda, Bosnia and Darfur.

Holocaust Memorial Day was a time to learn the lessons of the past and recognise that genocide did not take place on its own; it was a steady process which could begin if discrimination, racism and hatred were not checked and prevented. It was highlighted that while UK residents were fortunate to live without risk of genocide, discrimination had not ended, nor had the use of the language of hatred or exclusion. Accordingly, there was still much to do to create a safer future, and Holocaust Memorial Day was an opportunity to start this process.

The theme of Holocaust Memorial Day 2019 was ‘Torn From Home’, which encouraged audiences to reflect on how the enforced loss of a safe place to call ‘home’ was part of the trauma faced by anyone experiencing persecution and genocide.

Hillingdon Libraries would be marking Holocaust Memorial Day by hosting the ‘Torn From Home’ theme, as well as showing the Oscar winning 1997 Film ‘Life is Beautiful’. Events to be hosted included poetry and reading projects. The full itinerary was available via the Council website and social media, and at each of library including the mobile library.

There was no supplementary question.
