# A useful guide for those attending Planning Committees

## Petitions, Speaking and Councillors

**Petitions** – Those who have organised a petition of 20 or more people who live in the Borough, can speak at a planning committee in support of or against an application. Petitions must be submitted in writing to the Council in advance of the meeting. Where there is a petition opposing a planning application there is also the right for the applicant or their agent to address the meeting for up to 5 minutes. The Chairman may vary speaking rights if there are multiple petitions

**Ward Councillors** – There is a right for local councillors to speak at planning committees about applications in their Ward.

**Committee Members** – The planning committee is made up of the experienced Councillors who meet in public every three weeks to make decisions on applications.

## How the meeting works

The planning committees consider the more complex or controversial proposals for development and also enforcement action.

Applications for smaller developments such as householder extensions are generally dealt with by the Council's planning officers under delegated powers.

An agenda is prepared for each meeting, which comprises reports on each application

Reports with petitions will normally be taken at the beginning of the meeting.

The procedure will be as follows:-

1. The Chairman will announce the report;
2. The Planning Officer will introduce it; with a presentation of plans and photographs;
3. If there is a petition(s), the petition organiser will speak, followed by the agent/applicant followed by any Ward Councillors;
4. The Committee may ask questions of the petition organiser or of the agent/applicant;
5. The Committee discuss the item and may seek clarification from officers;
6. The Committee will vote on the recommendation in the report, or on an alternative recommendation put forward by a Member of the Committee, which has been seconded.

## How the Committee makes decisions

The Committee must make its decisions by having regard to legislation, policies laid down by National Government, by the Greater London Authority – under 'The London Plan' and Hillingdon's own planning policies. The Committee must also make its decision based on material planning considerations and case law and material presented to it at the meeting in the officer's report and any representations received.

Guidance on how Members of the Committee must conduct themselves when dealing with planning matters and when making their decisions is contained in the 'Planning Code of Conduct', which is part of the Council's Constitution.

When making their decision, the Committee cannot take into account issues which are not planning considerations such as the effect of a development upon the value of surrounding properties, nor the loss of a view (which in itself is not sufficient ground for refusal of permission), nor a subjective opinion relating to the design of the property. When making a decision to refuse an application, the Committee will be asked to provide detailed reasons for refusal based on material planning considerations.

If a decision is made to refuse an application, the applicant has the right of appeal against the decision. A Planning Inspector appointed by the Government will then consider the appeal. There is no third party right of appeal, although a third party can apply to the High Court for Judicial Review, which must be done within 3 months of the date of the decision.
