Useful information for residents and visitors

Watching & recording this meeting

You can watch the public (Part 1) part of this meeting on the Council's YouTube channel, live or archived after the meeting. Residents and the media are also welcome to attend in person, and if they wish, report on the public part of the meeting. Any individual or organisation may record or film proceedings as long as it does not disrupt proceedings.

Watch a **LIVE** broadcast of this meeting on the Council's YouTube Channel: *Hillingdon London*

Those attending should be aware that the Council will film and record proceedings for both official record and resident digital engagement in democracy.

It is recommended to give advance notice of filming to ensure any particular requirements can be met. The Council will provide seating areas for residents/public, high speed WiFi access to all attending and an area for the media to report. The officer shown on the front of this agenda should be contacted for further information and will be available to assist.

When present in the room, silent mode should be enabled for all mobile devices.

Travel and parking

Bus routes 427, U1, U3, U4 and U7 all stop at the Civic Centre. Uxbridge underground station, with the Piccadilly and Metropolitan lines, is a short walk away. Limited parking is available at the Civic Centre. For details on availability and how to book parking space, please contact Democratic Service. Please enter from the Council's main reception where you will be directed to the Committee Room.

Accessibility

For accessibility options regarding this agenda please contact Democratic Services. For those hard of hearing an Induction Loop System is available for use.

Emergency procedures

If there is a FIRE, you will hear a continuous alarm EXIT and assemble on the Civic Centre forecourt. Fire Marshal or Security Officer. In the event of a SECURITY INCIDENT, follow instructions issued via the tannoy, a Fire Marshal or a Security Officer. Those unable to evacuate using the stairs, should make their way to the signed refuge locations.

Agenda

CHAIRMAN'S ANNOUNCEMENTS

Hearing Protocol

- 1 Apologies for Absence
- 2 Declarations of interest in matters coming before this meeting
- 3 To confirm that the items of business marked Part I will be considered in Public and items marked Part II will be considered in Private

Order of proceedings – application under the Licensing Act 2003

The Chairman of the Sub-Committee will open the hearing by introducing the Councillors, explaining the purpose of the proceedings and the general procedure. The Chairman will then check that there are no additions or alterations to the list of those appearing at the hearing.

Introduction by the Regulatory Services/Licensing Officer

The Applicant / Licence Holder

Responsible Authorities (if present)

Other Parties (residents etc...)

DISCUSSION LED BY THE SUB-COMMITTEE

The Chairman will lead the discussion. This will be a chance for all parties to provide comments on any submissions that have been made to the Sub-Committee.

Closing remarks from each party

Sub-Committee deliberates

Chairman announces the decision

The Council's Regulatory Services/Licensing Officer will introduce the report and will outline the matter before the Sub-Committee, giving any relevant background information. The Sub-Committee may ask questions of the officer.

The Applicant, licence holder or the person representing him/her will be invited to address the Sub-Committee. They will be allowed sufficient time to present his/her case. The Sub-Committee may ask questions.

Responsible Authorities will be invited to address the Sub-Committee and will be allowed sufficient time. The Sub-Committee may ask questions of the Responsible Authorities.

Other parties will be invited to address the Sub-Committee. Where there are a number of parties making similar representations the Chairman will expect the parties to nominate a spokesperson to make the representations and all will be allowed sufficient time. The Sub-Committee may ask questions of the Other Parties.

The Chairman will invite the Responsible Authorities and Other Parties to make brief closing remarks on the application. The Applicant / licence holder makes the final closing remarks.

The Sub-Committee will remain in the room to deliberate and make their decision, with only the Legal Advisor and the Clerk to the Sub-Committee remaining. All others present will be asked to leave the room. If the meeting is being broadcast, any filming will be stopped for this part.

Parties may return to the room when invited to do so and the Chairman will announce the decision. The Chairman will remind the Applicant / licence holder that the decision will be sent to them in writing. There can be no further questions or statements.

1.0 SUMMARY

To determine an application for a Premises Licence in respect of Starbucks Coffee Shop, Willow Tree Retail Park, Glencoe Road. This follows representations from Ward Councillors, Residents and the local Member of Parliament. The application is attached at **Appendix 1**

2.0 RECOMMENDATION

See **Appendix 2**

3.0 APPLICATION

The application for a premises licence has been applied for by Bryan Cave Leighton Paisner LLP on behalf of Starbucks Coffee Company Ltd.

The application is for Starbucks to provide Late Night Refreshment 7 days a week. Late Night Refreshment is the provision of hot food and drink served between 23:00 - 05:00.

3.1 Type of application applied for

New Premises Licence for provision of late night refreshment.

3.2 Description of the Premises

The premises will be operating a single storey unit. The operator will offer a range of coffees, teas and snacks to customers. Customers will be able to purchase items via a drive thru window. The premises will also offer customers a possibility to sit inside and consume drinks and snacks.

A plan of the premises can be seen at **Appendix 1**

3.3 Licensable Activity

<u>Activity</u>	<u>Proposed for new premises licence</u>
Supply of Late Night Refreshment Consumption on and off the premises	✘

3.4 Licensable Activity Hours

	Late Night Refreshment	Opening Hours
Monday	23:00 - 05:00	00:00 - 23:59
Tuesday	23:00 - 05:00	00:00 - 23:59
Wednesday	23:00 - 05:00	00:00 - 23:59
Thursday	23:00 - 05:00	00:00 - 23:59
Friday	23:00 - 05:00	00:00 - 23:59
Saturday	23:00 - 05:00	00:00 - 23:59
Sunday	23:00 - 05:00	00:00 - 23:59

3.5 Operating Schedule and Conditions

The conditions proposed can be seen in section M of the premises licence application. The conditions are aimed to ensure compliance with the four licensing objectives. Installation of a CCTV system which can store images for 31 days has been proposed. A system for logging all crimes that occur on the premises has been proposed in the operating schedule.

Measures have been proposed to ensure that litter and waste do not accumulate from customers immediately outside the premises.

4.0 **CONSULTATION**

4.1 Closing date for representations

13th June 2018

4.2 Public Notice published in local newspaper

Uxbridge Gazette 23rd May 2018

5.0 REPRESENTATIONS

5.1 Responsible Authorities

Stephanie Waterford acting as responsible authority for licensing has provided a letter in respect of the application. **Appendix 3**

5.2 There have been three representations from Ward Councillors and the Local Member of Parliament

Cllr Lindsay Bliss	Prevention of crime and disorder Prevention of a public nuisance	Appendix 4
Cllr Jagjit Singh	Prevention of a public nuisance	Appendix 4
MP John McDonnell	Prevention of a public nuisance Prevention of crime and disorder	Appendix 4

5.3 There have been 48 representations to this application from residents. **Appendix 5**

6.0 BACKGROUND INFORMATION

6.1 Current Licence held

No licence is currently held.

6.2 Other licensed premises nearby

Name of premises	Sale of alcohol /Late night refreshment	Regulated Entertainment
B & M Stores Unit 2 - Willow Tree Lane Retail Park, Glencoe Road, off Willow Tree Lane	08:00 hours until 22:00 hours every day. No late night refreshment	No Regulated Entertainment
Burger King Willow Tree Lane	Late night refreshment Sunday to Thursday 2300 to 2400 hours Friday and Saturday 2300 to 0100 hours the following day	No Regulated Entertainment
Tesco Yeading Extra Glencoe Road, Yeading	Sale by retail of alcohol Monday to Sunday 00.00 hours to 24.00 hours	No Regulated Entertainment

6.3 Map and Photos of the area

Appendix 6

- Map - Showing the layout of the retail park
- Photo 1 - Showing the entrance barrier to the Starbucks Coffee Shop
- Photo 2 - Shows the exit of the drive thru facility
- Photo 3 - Close up picture of the exit of the drive thru
- Photo 4 - Order window of the drive thru
- Photo 5 - Main entrance and barrier to the retail park
- Photo 6 - Pedestrian entrance to the coffee shop
- Photo 7 - Wide shot of the drive thru exit
- Photo 8 - Showing proximity to B&M Store
- Photo 9 - Entrance to the drive thru
- Photo 10 - Wide angle shot of the drive thru
- Photo 11 - Wide angle shot of the car park adjacent to the coffee shop
- Photo 12 - Photo demonstrating proximity of Starbucks to Burger King

6.4 Visits made by Local Authority Licensing Officers

20th June 2018 visit was carried out by the Licensing Service. I can confirm the business was not trading.

Access to the retail park is gained from Glencoe Road. Access to the main area of the site is currently restricted between 21:30 and 06:00 Monday to Saturday and 17:30 - 08:00 on Sundays.

To gain access to the drive thru windows requires access to the main area of the retail park. The premises are situated between two licensed premises B&M Stores and Burger King.

7.0 OFFICER'S OBSERVATIONS

7.1 Observations

This is an application for a premises licence to be granted to Starbucks Coffee Shop. The Starbucks is a newly built unit at Willow Tree Retail Park, Yeading. Starbucks Coffee shop is being constructed on the car park area of B&M Stores.

This is an application to licence Starbucks Coffee Shop for Late Night Refreshment from 23:00 - 05:00 seven days a week.

Willow Tree Retail Park was the subject of complaints relating to organised car meets. As a result of the car meets, physical barriers were installed to curtail this type of behaviour and to block access to the main car park using a series of gates and bollards.

The applicant has proposed proportionate conditions for the activities applied for. The applicant proposes to install physical security measures to ensure the car park does not attract car racers and other anti social behaviour. The proposed alterations to the car park will block access to the main area.

The relevant representations received are mainly concerned with an increase in anti social behaviour and noise. These concerns are generally as a result of increased retail capacity at the Willow Tree Retail Park.

8.0 RELEVANT SECTIONS of the S182 GUIDANCE and LICENSING POLICY

3.12 Schedule 2 to the 2003 Act provides a definition of what constitutes the provision of late night refreshment. It involves the supply of 'hot food or hot drink' between the hours of 23.00 and 05.00 to the public for consumption on or off the premises. It includes the supply of hot food or hot drink between those hours on premises to which the public has access. Under Schedule 2, food or drink is considered to be 'hot' if, before it is supplied, it has been heated on the premises or elsewhere for the purpose of enabling it to be consumed at a temperature above the ambient air temperature and at the time of supply it is above that temperature; or after it is supplied, may be heated on the premises for the purpose of enabling it to be consumed at a temperature above the ambient air temperature.

3.13 Shops, stores and supermarkets selling only cold food and cold drink, whether it is immediately consumable or not, from 23.00 are not licensable as providing late night refreshment. The 2003 Act affects premises such as night cafés and takeaway food outlets where people may gather to purchase hot food or drink at any time from 23.00 and until 05.00. In this case, supply takes place when the hot food or hot drink is given to the customer and not when payment is made. For example, supply takes place when a table meal is served in a restaurant or when a takeaway is handed to a customer over the counter.

3.21 The provision of late night refreshment is regulated primarily because it is often linked to alcohol-fuelled crime and disorder in the night-time economy, such as at fast-food takeaways where late-night drinkers congregate. However, these safeguards may not be needed everywhere or for every type of late night refreshment business. For example, some late-night cafés serving hot drinks after 23.00 may be located nowhere near pubs and nightclubs or areas associated with alcohol-related crime and disorder.

9.2 Relevant Sections of the Hillingdon Licensing Policy

10.6 If relevant representations are received from a Responsible Authority, Elected Members or interested parties the application will be determined by a Licensing Sub-Committee.

17.3 The Licensing Authority will not impose standard conditions upon every licence issued; however it may have regard to model conditions produced by the Government and/or the Institute of Licensing and it may choose to impose these in appropriate circumstances

21.4 In accordance with guidance there is no fixed restriction on terminal hours for any particular areas of the Borough. Such a restriction could cause the migration of patrons from one area to another and create the circumstances that the legislation is attempting to avoid. Each application will be dealt with on its merits. It is for the applicants to detail in their Operating Schedule exactly what times they intend to open and close the premises and what measures they will take to ensure that they do not cause nuisance or

disturbance to their neighbours in the vicinity. The later the terminal hour applied for, the greater will be the need to address the issues of disturbance and nuisance.

10.0 LEGAL COMMENTS

The Sub-Committee shall carry out its functions with a view to taking steps it considers appropriate for promoting the licensing objectives. The licensing objectives are:

- Prevention of crime and disorder
- Public Safety
- Prevention of public nuisance
- Protection of children from harm

The Sub-Committee must ensure that all licensing decisions:

- Have a direct relationship to the promotion of one or more of the four licensing objectives
- Have regard to the Council's statement of licensing policy
- Have regard to the Secretary of State guidance
- Must not be subject to a blanket policy to the extent that it is applied so rigidly that an exercise of discretion in each individual case is precluded

The Sub-Committee is advised that, when considering applications for a new premises licence, regard must be had to any relevant representations that are made before taking such steps (if any) as it considers necessary for the promotion of the licensing objectives. The steps are:

- grant the application
- grant the application subject to conditions the Sub-Committee considers necessary to promote the licensing objectives
- exclude from the scope of the licence any licensable activity(ies) to which the application relates
- refuse to specify a designated premises supervisor
- reject the application

Officers have provided the Sub-Committee with recommendations related to this application. Subject to the above-mentioned factors having been properly considered, the Sub-Committee may depart from the recommendations if there are good reasons for doing so. The Sub-Committee is advised that such departures could give rise to an appeal or judicial review.

Appendix 1

**Application for a premises licence to be granted
under the Licensing Act 2003**

PLEASE READ THE FOLLOWING INSTRUCTIONS FIRST

Before completing this form please read the guidance notes at the end of the form. If you are completing this form by hand please write legibly in block capitals. In all cases ensure that your answers are inside the boxes and written in black ink. Use additional sheets if necessary.

Appendix 1

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31 day period.
2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open. This staff member must be able to provide a Police or authorised council officer copies of recent CCTV images or data with the absolute minimum of delay when requested.
3. An incident log shall be kept at the premises, and made available on request to an authorised officer of the Council or the Police, which will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received concerning crime and disorder
 - (d) any incidents of disorder
 - (e) any faults in the CCTV system
 - (f) any visit by a relevant authority or emergency service
4. During the hours of operation of the premises, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be swept and or washed, and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.

b) The prevention of crime and disorder

See box a

c) Public safety

Health and safety risk assessments will be undertaken and all staff shall be trained therein

Appendix 1

d) The prevention of public nuisance

All appropriate steps will be taken to ensure that local businesses are not disturbed by any licensable activity at the premises. Staff will continually exercise supervision throughout the premises.

e) The protection of children from harm

All staff will be trained in relation to their responsibilities under the Licensing Act 2003

Officer's recommendation:

Grant the licence subject to the planned works to secure the car park completed. The licence conditions consistent with the operating schedule are also attached to the licence.

Conditions Consistent with the Operating Schedule

- The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the police licensing team.
- All entry and exit points will be covered enabling frontal identification of every person entering in any light condition
- The CCTV system shall continually record whilst the premises is open and during all times when customers remain on the premises
- All recordings shall be stored for a minimum of 31 days with time and date stamping.
- Viewings shall be made available immediately upon the request of police or authorised officer throughout the proceeding 31 day period.
- An incident log shall be kept at the premises made available on request to an authorised officer of the council or the police, which will record the following :
 - A, All crimes reported to the venue
 - B, All ejections of patrons
 - C, Any complaints concerning crime and disorder
 - D, Any incidents concerning disorder
 - E, Any faults in the CCTV system
 - F, Any visit by a relevant authority or emergency service
- During the hours of operation of the premises, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises. The area shall be swept and or washed , and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.

Your Reference;

Date; 13th June 2018

Dear Sir,

**STARBUCKS DRIVETHRU, WILLOWTREE RETAIL PARK, HAYES
THE LICENSING ACT 2003**

I am writing to you as the Officer duly authorised to make representations on behalf of the Licensing Authority, in regard to the review of premises licence application submitted by the Metropolitan Police Service, for the above premises.

I am aware of the issues in the retail park area with organised car meets and unauthorised car events taking place which has caused high levels of crime, antisocial behaviour and nuisance.

There have been great achievements and progress made by the Police, Site Management Company and the leaseholders of the existing units to put a stop to these events and I have noted that there has not been an event at the site since February.

This has been achieved by introducing gates which close off the car park at 9pm and also a Security Team who are based at the site.

I have been dealing with the Licensing Police Officer, the applicant and their legal representatives to reach a compromise to allow access to the new Starbucks Unit, whilst maintaining the closure of the wider car park area.

I am pleased to say that this appears to have been reached and I have included a plan of the proposals at the end of this letter.

Licensing Service
Residents Services

swaterford@hillington.gov.uk

www.hillingdon.gov.uk

London Borough of Hillingdon,

35/08, Civic Centre, High Street, Uxbridge, UB8 3PH

The proposals would essentially create a barriered zone around the new unit with controlled access via drop down bollards and gates.

I am satisfied that this will not affect the status quo of the car park and therefore would not undermine the Licensing Objectives under the Act.

I have no objection to the licence being granted subject to the car park works being carried out prior to the commencement of licensable activities.

Please let me know if you require any further information.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Stephanie Waterford', with a small flourish at the end.

Cc: Cllr Mohinder Birah <mbirah@hillington.gov.uk>, Cllr Jagjit Singh <jsingh2@hillington.gov.uk>

Hi Steven

I would like to put in an objection to this proposal on the grounds of crime and disorder and public nuisance. There have been a number of occasions where large number of cars have congregated in the car park after the shops have closed, and they use the car park as a race track. This has caused a great deal of noise which has been a real problem for local residents, as well as the danger of speeding cars and pollution from exhaust fumes. The local police have worked hard to stop this happening, and the gates to the car park are now closed outside the operating hours for B&Q and B&M, so the only access is to Burger King.

Due to the entrance to Starbucks being planned inside the car park it will be impossible to close the gates that are currently used as that would stop any access to Starbucks. The local residents were already concerned about the planning application being granted (due to the lack of consultation no one was aware until it was too late to object), and the planned increase to 24/7 operation would leave the car park open for those who are using it for their car "meets".

Unless a way is found to keep the car park secure at night, I will have to object to this latest licencing application.

I know there is a meeting planned between officers, the local police and members of the Yeading Ward Panel next week. Unfortunately I will not be able to attend, but hope that my e-mail will back up the objections.

Regards
Lindsay

Hi Steven,

We had serious car racing issues before and local residents were seriously concerned. If they find the permanent solution such as keeping the gate closed at night then it would be fine otherwise I will have to object to this licencing application. Also is it possible to do a consultation with local residents?

Kind regards,
Jagjit Singh.

Re: Starbucks Drive Thru, Glencoe Road, Yeading

I am emailing to object to the application by Starbucks for a 23 hour licence

This site was been subject to anti social behaviour over a long period of time. This took the form of large groups of youths congregating on the site late at night and in the early hours of the morning.

In addition, there were others who used the site to race in their cars, performing stunts, again late at night and into the early hours which was a cause of considerable noise and disturbance for the local residents

I worked with the local police and the council officers to press that the owners of the site put measures in place to deter this behaviour and to ensure that barriers were installed and locked at night.

I might add that the problems on this private piece of land took many hours of the council officer and local police officer time. To grant a 24 hour licence will leave the site insecure and the fear is that the problems of anti social behaviour will return

In addition, whilst this kiosk is on an industrial site, it is centrally based in a residential area. There is nothing else open and so to allow this to operate during the night will bring in traffic and noise that my constituents' are not currently being subjected to as well as the potential to open up the site to anti social behaviour again.

I also fear that this will set a precedent by which others such as Tesco and Burger King will apply to extend their opening hours

I am happy to supply any copies of the correspondence between the police, council and the owner of the site should you require this

I do hope that you will not grant a licence given the concerns raised

Thank you for your consideration

Yours

John

McDonnell MP

I understand that the new Starbucks in Willow Tree Retail Park (Glencoe Road) has applied for a license to open 24 hours a day.

With the current problems of anti-social behaviour in this area and in consideration of the local residents I am registering my opposition to the granting of a license for 24 hour opening.

Subject: Proposed Starbucks - 24 hour opening in Yeading

To: "contact@hillington.gov.uk" <contact@hillington.gov.uk>

Dear Sirs,

I am writing to object to the application of a 24 hour licence for the new Starbucks premises in Yeading.

As you are probably aware a lot of hard work has gone into reducing problems in the car park in which Starbucks has been built. If the Starbucks 24 hour licence is granted it will encourage car meetings again and obviously there will be all night access to the car park. At the present time, the gate to retail park closes when B & Q shuts.

For residents nearby, it will cause enormous disruption as people will use the car park as a race track for cars and motorbikes. In addition to this, there will be a considerable amount of litter being dumped around the premises.

The stores in this part of Yeading are situated in a very residential area with houses surrounding them therefore any 24 hour store opening will have a great impact on the local residents.

We do hope that you will consider the impact on our neighbourhood.

Yours sincerely,

licensing . <licensing@hillington.gov.uk>

Dear Sir/Madam,

I wish to object to the new Starbucks outlet in Willow Tree Retail Park being allowed to open for 24-hours a day.

I live opposite Starbucks. This is an isolated area with mainly residential properties.

For the past few years there have been noisy gatherings of car drivers driving in and out of the park late at night for hours keeping residents awake. Starbucks being allowed to open for 24 hours will make this situation worse.

Starbucks in yeading

To: Licensing@hillingdon.gov.uk

Dear sirs

To who this concerns il object to a 24 hour Starbucks in yeading because il live literally opposite burger King its is noisy especially when it's a Friday Saturday and Sunday evening il work early in the morning. There be more joy racers in the car park, more litter around the area and around the local streets and be delivery's early and late for star bucks it's noisy with burger King as it is. I be very sorry for the staff who has to work during the night with drunks after the pubs etc unsafe trouble (health and safety).

It should be the same opening hours as burger King which il don't object to that which I suggest

Il just don't know why they need a 24 hour star bucks in this area

Cheers

To whom it may concern,

I am writing to object to the application of a 24 hour licence for the new Starbucks in Yeading.

As you are probably aware a lot of hard work has gone into reducing problems in the car park in which Starbucks has been built. By allowing Starbucks to be open 24 hours will it encourage car meetings again and obviously all night access to the car park.

For local residents this causes so much disruption and noise especially during the night, I live on Fosdyke Close but could still often hear this going on. Us and especially residents living closer should not have to put up with this. Extra litter also maybe come a problem which is bad enough as it is!

The stores in this part of Yeading are situated in a very residential area with houses surrounding them therefore any 24 hour store opening will have a great impact on the local community.

Please consider the above points in your decision process.

Kind Regards

Starbucks outlet in Willow Tree Retail Park

12 June 2018 at 10:35

To: licensing@hillington.gov.uk

Dear Sir or Madam,

I would like to object to Starbucks being given a License to trade for 24hours a day on several grounds.

1. The noise for residents around the Retail Park
2. We have had unsocial people in cars frequenting the area around the Retail Park and it is very worrying for all local residents when the people speed down Glencoe Road (which is a dead end) in their cars because they think they can get Into Lady Margaret Road the other side of the Grand Union Canal.
3. We already have unsocial parking where cars are parked at all hours so the Occupants can go into the open space at the end of the road. Opening Starbucks Would only encourage this further.
4. A 24 hour opening would mean that it would be a "take away" and the debris from the cars are just thrown out of the windows of the cars when they have finished with
It. I then have to go out every morning to collect all the rubbish that is dumped opposite my house and throw it in the recycling or the dustbin.
5. If you give permission for Starbucks for a 24 opening then Burger King will want the same and we do not need any more dirt, noise or unsocial behaviour at the top of our road.

I am sure there are other reasons but as I only got to know about the License yesterday

It does not give a lot of time for research. Therefore I would like to put in for a complaint to be registered about the likely 24 hour opening of Starbucks. If you live nearby you would go home for a coffee so it will only be used by people who do not live in the area.

Dear Sir/madam,

I understand that a new Starbucks in Yeading outlet has applied for a 24hrs opening application.

My husband and I would strongly object to their trading 24hrs due to pollution, antisocial behaviour and noise issues.

London Borough of Hillingdon Licensing Team *(by email)*

Dear Licensing Team,

I am writing to express my concern at the current application for a 24 hour Starbucks Coffee Shop (Drive thru) at Willowtree Retail Park, Glencoe Road, Yeading, UB4 9SN. My objection is based on the prevention of public nuisance licensing objective.

The premises site and the remainder of the Willowtree Retail Park have been the source of public nuisance for many years as a result of people coming to the retail park to drive around the car park at high speeds late in the evening and in the early hours of the morning. These people also play loud music, shout and drop significant amounts of litter. You will note that my address is not particularly close to the application site, however, the noise emanating from it is audible from my property.

At present the issue is at a low ebb as a result of the combined efforts of the Council and Police, however, this application has the potential to cause the previous problems to reoccur. Specifically I am concerned that Starbucks will make returning to the car park more appealing to those perpetrating the Anti-Social Behaviour.

I am also concerned by the applicant's lack of care for local residents. The below extract from their application form is indicative of this in that they say that they will prevent local businesses from being disturbed by licensable activity at the premises, but do not reference those neighbours living only 20-30 metres from their site.

d) The prevention of public nuisance

All appropriate steps will be taken to ensure that local businesses are not disturbed by any licensable activity at the premises. Staff will continually exercise supervision throughout the premises.

I would also note that none of the surrounding premises are open after 1am (and this is only Burger King on Friday and Saturday nights), so the likelihood of their being disturbed by the licensable activity (provision of late night refreshment) is significantly lower than the likelihood of residents being disturbed. Even if there is no further anti-social behaviour the noise which will be created by additional vehicle movements in the area will cause nuisance to local residents.

I understand that the Licensing Team / Sub Committee is very unlikely to reject this application outright owing to the significant financial might of Starbuck and the costs of a likely appeal by them to the Magistrates Court. Assuming that the Sub-Committee won't act in the interests of local residents and reject the application, I would like to suggest that the hours be restricted to match the present opening hours of Burger King (Monday - Thursday 07:00-24:00, Friday and Saturday 07:00-01:00 and Sunday 09:00-23:00). I would also suggest that the following conditions be added to the licence:

- The premises to be open only as a Drive Thru after 10pm each night.

- No persons to be permitted to park a vehicle in the Car Park after 10pm each night.
- Staff not to serve those they should reasonably suspect of committing anti-social behaviour in the local area.
- Premises to hold regular meetings with local residents and police at least every 3 months.

Yours Faithfully

Licence application for new Starbucks outlet in Willow Tree Retail Park (Glencoe Road)

To: "licensing@hillingdon.gov.uk" <licensing@hillingdon.gov.uk>

I should like to register my formal objection to the application to open the new Starbucks outlet in the Willow Tree Retail Park as a 24 hour licence. As my bedroom window looks out over this area I am constantly disturbed by the traffic noise going in and out of the retail park and the only relief I get is when the existing shops shut at night. Local residents have campaigned tirelessly over the last few years to reduce the problems caused disruptive , noisy, and anti social behaviour in this car park and allowing a 24 hour opening time to this will only increase the likelihood of such behaviours returning. You have already refused 24 hour licences for other retailers in this residential area in the past for the same reasons. I only hope you exercise a similar degree of common sense about this application

Yours Sincerely

licensing . <licensing@hillingdon.gov.uk>

No to 24hr Starbucks Yeading

To: licensing@hillingdon.gov.uk

Hi

I strongly say NO to Starbucks opening 24 hours.
We only just got rid of noisy cars in the car park
of B&M late at night. This will only cause noise and disturbance
for local residents
Tesco shuts at 9 and burger king at 11. Then peace till the morning.
There is a 24hr mcdonalds less than 1 mile up the road
if someone wants a coffee in the middle of the night.

New Starbucks Store in Yeading requesting planning permission to open 24hrs

13 June 2018 at 17:14

To: Licensing@hillingdon.gov.uk
Cc: mcdonnellj@parliament.uk

To Whom it may concern

I would like you to note my objection to the proposed 24hr opening of the new Starbucks store in Yeading.

I live very near to it and below are the reasons for this not to be accepted:

We have had major problems with anti-social behaviour in this carpark on numerous occasions as there have been modified car meetings causing excessive noise and racing around the carpark. I have called the police about this many times and even last Monday 11th June around 10.45pm motorbikes were revving their engines and racing around the grounds.

Then last night at around 1.45am, local premises alarm went off for a length of time.

There is the constant noise of generators operating throughout the night

Tescos deliveries are loading and unloading in the early hours and we hear trolleys moving across their carpark.

The lorries are excessively noisy in the old Willow Tree pub site next door.

Lights from the car rental company are disruptive as they are near to our back bedroom where we sleep.

We have worked really hard to get the ramps fitted in B&Q/B and M carparks which has reduced the presence of the travelling community vehicles which also overran the site.

I have lived at my address since 1992 and feel that as a hard-working tax-payer I should be able to have peace and quiet in my home. My husband gets up for work at 3am in the morning and is often disturbed when he tries to sleep from early evening.

We have enough issues around the area already and therefore do not think that a 24hr Starbucks is the way forward for our community who are working hard to make the area much safer for everyone.

I look forward to receiving a reply from you accordingly.

Regards

Dear Sir

As a resident who lives opposite the B&Q car park (Triandra Way) we have been notified that the new Starbucks has applied for a licence to open 24 hours a day.

We strongly object to this. We have two young children and we lose count as a family to the sleepless nights and disturbances of all the traffic, noise (not to mention the litter) with people using the car park, WITHOUT having to put up with this for 24 hours a day.

We have had major problems with people using the car park for meetings in their modified cars and although this seems to have settled with the introduction of the speed bumps, feel it will only be a matter of time before it attracts more unwanted unsocial behaviour.

I trust this object will be taken seriously and on board and to receive acknowledgement.

I look forward to your response

To: contact@hillingdon.gov.uk

I would like to object to the application for a 24 hour trading licence for this as yet unopened outlet.

This coffee shop (famous for not paying its fair share of UK taxes) is situated in a car park in the middle of a relatively quiet residential area. Tesco across the road are not permitted 24 hour trading due to close proximity of housing. I seem to remember there being a covenant on Sunday opening in the area which was successfully challenged on the understanding they would not open 24 hours or make deliveries at night or on Sunday's. Why therefore would a coffee shop be allowed to open all night. We have had serious problems with illegal car racing in this car park and the extensive locking barriers will be pointless if they are left open all night to access this outlet. Who is the target market? All the neighbours will be asleep, it is a dead end road so no passing trade and we all have our own kettles thankyou! There are 24 hour facilities at white hart roundabout and Lombardy park both about half a mile away.

Please don't spoil our neighbourhood.

URGENT : NO to Starbucks 24hr

12 June 2018 at 22:44

To: licensing@hillington.gov.uk

Please consider this email as an objection for the late license 24 hr application by Starbucks Outlet n the Willow Tree Development in Hayes near Glencoe Road.

I am extremely against this application and am very concerned for public safety as already this car parking area is used of a night for joy riders to race their very load cars doing between 80 to 100 miles per hour (or something approximate) causing a disruption for all residents causing a public nuisance. I live on my own with two very young children (5 and 10) and already have had to move their bedrooms to the front of the house albeit only 5 metres further away.

I have on occasion wanted to approach these joy riders to ask them why they are doing this but I fear my safety. I think that this will cause more crime and disorder in this area as this will now give more people another place to congregate to pass their spare time.

I only live in Patching way which is one road from this outlet and this is already making me feel anxious.

Only last night the joy riders came at 10.30 and around midnight. I will not have any hesitation now by calling 999 if this continues as I feel now that the emergency services need to hear from all that are affected.

Maybe Starbucks should think about the strain that this is going to be putting on our emergency services along with the antisocial behaviour where residents will feel scared and all the children that are kept awake most nights because already this has been too difficult to control.

Don't suppose they have thought about the children and families that will be too afraid to live in their own homes and the lack of sleep and quality of life this would bring !

Already there are travellers that access the site which the police are currently aren't able to stop. In my opinion the whole of that site should have iron gates that come down after 8 pm.

Surely Starbucks will consider loosing a few cups of coffee for the sake of all of our quality of life... If only the could see how residents are affected already!

Please register this

Many thanks for your consideration

Kind Regards,

Sent from my iPad

Fwd: Objection to planning permission and 24 hour trading license for Starbucks on Willow Tree Retail Park, Glencoe Road, Yeading

Subject: Objection to planning permission and 24 hour trading license for Starbucks on Willow Tree Retail Park, Glencoe Road, Yeading
To: "contact@hillington.gov.uk" <contact@hillington.gov.uk>

Dear team,

Please acknowledge my objection to the build of a new structure, namely, Starbucks on Willow Tree Retail Park in Glencoe Road, Yeading and my objection to the application for 24 hour trading. I also object to any future applications for a license to sell alcohol in Starbucks at any time.

In addition, I object in advance, to any change in current trading hours, concerning B&Q, B&M, Burger King and Tesco Yeading Extra.

All these businesses have been built in the middle of what used to be a very quiet, private residential estate, which did not suffer with large volumes of crime or anti-social behaviours.

I have lived on the estate for 21 years. Over the years, Tesco have attempted to apply for 24 hour trading which had rightly been refused, due to resident's properties being situated just a few metres from the store. Since permission was given for the huge extension to the store, residents have been plagued by noise disturbances from numerous extra deliveries throughout the night, breaching the delivery restrictions. We have also suffered anti-social behaviours brought about by the Tesco car park being used for gang fights, begging, drug use/dealing, filming of cars being crushed for Bollywood films, live music concerts, illegal transportation of stolen vehicles and people trafficking, abandoned vehicles and catavans, arson attacks and as a gypsy site and small holding for a donkey and cockerall on a regular basis.

Over the past 2 years, we have also been plagued by the 1000's and 1000's of people from all over the country, descending on the B&Q and B&M car parks for illegal car meets on a regular basis. Both Hillingdon Borough Council and the police are fully aware of these illegal car meets and the huge problems they cause residents. They were allowed to escalate completely out of control, to the point that the police didn't have the resources to shut them down, due to sheer numbers of attendees. There have been instances where the attendees have been involved in fights with gypsies who have set up camp there, over 'their turf'. The anti-social behaviours these car meets generate have left us having to move out of our home and to stay in local hotels to enable us to feel safe and to sleep, as the car meets go on until 3am - 4am. I have 2 daughters, one of which has special needs and I have cancer. We just want a peaceful life. The kind of anti-social behaviours we have to endure when the illegal car meets take place are:-

Loud, revving, supered up engines

Screeching of tyres as the cars wheel spin and don't continually around the car parks

Loud explosions from exhausts backfiring with flames emitting, which have actually been reported by some frightened residents as gunfire or explosives as the sound is very similar

Drug dealing/use

Illegal street traders (hot dog van, Burger van, ice-cream van, car meet clothing stalls)

Attendees throwing fireworks at resident's vehicles as they try to access their homes

Use of small roads on the estate and the Hayes Bypass as a racetrack. Vehicles often drive at very high speeds with their lights off and number plates removed

Thumping music from car sound systems

Attendees driving wrecklessly under the influence of drink and drugs

B&M stay open past trading hours to sell alcohol to the 1000's of attendees

Litter strewn all over the carparks and residential estate

The noise disturbances have been reported as far away as Northolt on the opposite side of the A40.

Residents have been working with the Management Company and police for the past 2 years to get these illegal car meets shut down. Eventually, barriers were installed across the car park entrances in Willow Tree Retail Park and once stores are shut at 9pm, the barriers are locked. Speed ramps were installed to prevent speeding. A mobile security company were employed to ensure no vehicles enter the car park once the stores shut at 9pm.

This was a huge success and put an end to the illegal car meets a few months ago. Residents are happy and are able to sleep well in their own homes once more.

I am the Vice Chair of the Ward Panel and have worked tirelessly with the rest of the panel, the police, residents and the Management company to achieve this fantastic result, of which we are all very proud. Sadly, the stress caused to the individual at the Management Company, responsible for the retail park, became too much for her and she is no longer in the position.

Residents were not informed that a Starbucks restaurant was to be built in the car park that we have only just regained control over. There were no site notices displayed prior to the building works commencing, yet the build went ahead. Police confirm that they were not consulted either.

As I understand, information regarding reports of any anti-social behaviour and numbers of attendances by police, to the location of an intended new business build, should have been requested, but were not. The building just appeared with no-one having any knowledge of what it was.

In addition, it has just been brought to the attention of the police and the Ward Panel, that Starbucks have submitted an application for a 24 hour trading license.

Once again, residents have not been informed, nor have the police. No letters have been received by the residents that will be affected if this 24 hour license is given.

As no separate entry and exit has been built for Starbucks, the 24 hour trading license would mean that the car park barriers which are currently locked at 9pm, would have to remain open permanently. This would then mean that the car parks would be used again for the illegal car meets (and gypsy site), effectively undoing all the work that the police, Ward Panel, residents and Management company have worked so hard, for so many years, to achieve.

There is absolutely no business justification for a 24 hour restaurant in our private residential estate, as there are two 24 hour Macdonalds just down the road, in both directions.

Residents are understandably angry that they have not been advised prior to the build of this new business, particularly after all the anti-social problems they have had to endure over the past few years. They are also angry that they have not been notified of the application for 24 hour trading.

It would be helpful if you could explain why these processes have been seemingly 'skipped' and why the build went ahead without any consultation with residents or police.

Residents are concerned that we could find ourselves living next door to a nightclub or abortoire next, with no prior notice, as the planning applications are not being shared or communicated. Residents feel that the processes involved in this new build business has all been very 'cloak and dagger'.

Residents are also concerned that should a 24 hour trading license be granted for Starbucks, then B&Q, Burger King, B&M and Tesco Yeading Extra would demand the same. This is a quiet residential area, not an industrial estate. Many of the residents, like myself, have properties just a few metres from these stores and our properties would be devalued due to excessive 24/7 noise nuisance and anti-social behaviours this would cause.

I would like to have the opportunity to share your feedback with the residents on these issues, particularly concerning the lack of communication and consultation concerning the new Starbucks building which has just appeared.

Subject: Objection to licence application - Starbucks (Willow Tree Retail Park, Yeadon)

To: contact@hillingdon.gov.uk

Cc: John McDonnell MP <mcdonnellj@parliament.uk>

Dear Sir/Madam,

I am writing to object to the application made by the new Starbucks outlet at Willow Tree Retail Park on Glencoe Road, Yeadon.

There have been problems for years on this car-park, with anti-social behaviour, including late at night, and very large groups of cars gathering and performing stunts, wheel-spins, 'doughnuts' and racing on the car-park perimeter and on adjacent roads.

The presence of an outlet that is open 24 hours would attract more of these problems. It would also increase the amount of litter that is dropped on our streets in the surrounding area. There are a large number of residential roads that are very close to this car-park, and the noise and disturbance from ASB on the site has an impact on many people.

Other outlets in the area have applied for 24-hour opening and been refused, due to concerns about the impact on residents, and in keeping with the covenants that were in place when the development was first built.

Frankly, I and many of my neighbours are disappointed that the building was approved at all. Residents, together with the Safer Neighbourhood Team and the Council, have worked together to improve security on site with new barriers. These are now rendered useless as they will need to be left open in order to allow customers to access the Starbucks after the other shops have closed.

To reiterate, this car-park is not in an isolated industrial complex - it is surrounded by residential streets, which have been suffering from anti-social behaviour on the site in question for many years. The presence of a 24-hour outlet would be totally inappropriate.

Many thanks,

Starbucks 24 hour opening in Yeading

To: Licensing@hillingdon.gov.uk

Dear Licensing Authority, Hillingdon Borough Council,

As a local resident in Yeading for over 30 years I wish to register my complaint at any suggestion of a 24 hour opening of a

Starbucks Cafe on the 312 roundabout at Willow Tree, Yeading. This would be an absolute ridiculous development and would make this junction a beehive for unsocial persons creating noise and pollution in the area. We already have too many development

businesses in the area which makes the area more like an industrial area rather than a quiet residential area of Yeading in which I choose to live. 24 hour opening of these premises would be beyond the pale for a whole residential community living around Jollys lane etc. I wish to register my complaint and objection to this development and I am very surprised that the Council and our elected

Councillors have not totally prevented this before the residents have to protest.

Yours Sincerely

Dears sirs,

As residents of Kilpatrick Way, we would like to register our objection to Starbucks Yeading's application for a licence to open 24hrs a day. With previous experiences of anti-social behaviour, noise and litter especially during the summer months we feel this is a step backwards. This is a residential area and there is no reason for this to be open 24hrs. We can clearly here the noise when cars are in this car park area late at night revving their engines and 24hr opening will only attract noise throughout the night.

I note that Costa coffee at Lombardy, is only open as shown below, surely these are more realistic hours.

Subject: Objection to 24 hours opening of Starbucks in Yeading

To: contact@hillington.gov.uk,

To whom it may concern.

I am writing this email as a nearby resident to object to the proposed 24 hour opening of Starbucks at willow Tree Retail Park.

In the past we have been seriously affected during the night due to cars using the retail park as a race track and this has only improved over the last year or so.

We feel that this license would lead to anti-social behaviour and disruptive, noisy and dangerous meetings of modified cars as previously.

Thank you for your attention.

PROPOSED 24 HOUR OPENING STARBUCKS, WILLOW TREE RETAIL PARK, YEADING

12 June 2018 at 12:38

To: "licensing@hillingdon.gov.uk" <licensing@hillingdon.gov.uk>

As requested buy your offices today please accept this as an objection to Starbucks opening 24 hours a day on the above site. We have had problems with anti social behaviour in the area for many years by boy racers and the like and feel this would encourage more of this type of activity. The knock on effect to adjacent streets from extra litter problems and noise level is a major concern.

I hope you take these comments into consideration, as a neighbours, when making your decision. I feel this would have an effect on my health, as a registered disabled, due to the worries mentioned above.

If you need any further information please contact me on this email which is my daughter's as I do not have access to internet etc.

Thank you in advance.

Subject: 24 hour licence for the new starbucks Willowtree retail park Glencoe Road

To: contact@hillingdon.gov.uk

Dear Sirs,

I wish to object the the 24 hour licence that Starbucks has applied for with regards to their new location on Willowtree Retail park Glencoe Road. This is a mostly residential area that already has issues with anti social behaviour, 24 opening will only add to the issues and disturb residents.

I hope that the Council makes the right decision **and do not issue a licence to trade 24 hours.**

Kind regards

Objection to 24 hour Starbucks in Yeading

13 June 2018 at 13:56

To: "licensing@hillingdon.gov.uk" <licensing@hillingdon.gov.uk>

Hello Licensing Team,

my name is _____ and I reside at _____

This note is to object to the 24 hour opening of the new Starbucks at the above Address

Reasoning as follows:

Disturbance and Anti Social Behaviour at odd hours;

Increase traffic to the neighbourhood during Sleep Time - which will increase noise and pollution.

Yeading Starbucks

13 June 2018 at 14:53

To: "Licensing@hillingdon.gov.uk" <Licensing@hillingdon.gov.uk>

Dear sirs I would like to strongly object to the application from Starbucks for a 24 hr license, on the grounds it will cause noise and disruption to the surrounding residents

licensing . <licensing@hillingdon.gov.uk>

APPLICATION FOR 24 HOUR OPENING AT STARBUCKS, WILLOW TREE RETAIL PARK, YEADING

11 June 2018 at 17:28

To: licensing@hillingdon.gov.uk

I wish to OBJECT, most strongly, to the application by Starbucks for a licence to open 24 hours a day at their new outlet in Willow Tree Retail Park, Yeading.

I live approximately 800 yards from the new outlet. Essentially, this is a residential area. Why is there a need for a new fast-food/coffee outlet, especially with 24 hour opening, in this location? We already have a Burger King outlet & Tesco Cafe.

There is no demand from local residents for a new fast-food/coffee outlet, especially with 24 hour opening. The only demand will come from people who live & travel from outside the immediate residential area!!

We already have significant problems with large quantities of uncollected litter waste, noise & anti-social behaviour(during sleeping hours). The amount of uncollected litter waste from Burger King & Tescos in the parkland area at the bottom of my garden is disgusting, leading to rat & other vermin infestation!! The new Starbucks outlet, will only INCREASE these problems & health hazards!!

Burger King & Tescos have restricted opening hours.

P.s. I was unaware of the new Starbucks outlet in Willow Tree Retail Park until very recently. I was given NO notification of the original planning application or the opportunity to object, which I would most certainly have done.

licensing . <licensing@hillingdon.gov.uk>

Starbucks 24hr Application Objection

11 June 2018 at 11:27

To: licensing@hillingdon.gov.uk

Morning

I have already responded to the latest planning application, but, in addition.

For many years we have been plagued with late night, illegal, very noisy car racing round the B&Q and B&M car parks. Often from 19:00 up to 02:00.

The Police have been brilliant and have managed to get security gates fitted which are locked when these stores are closed.

The Police are now trying to get Tesco to also lock their gates as they have had to disperse many gatherings in recent months.

Please please don't allow Starbucks to open up this area to large noisy out of hours gatherings again. If they can be curtailed to the B&M gates being locked/unlocked or whatever hours you consider suitable.

You have already turned down many Tesco 24hr applications and we thank you for that.

licensing . <licensing@hillingdon.gov.uk>

objection to 24 hour café licence Starbucks Yeadning

To: "licensing@hillingdon.gov.uk" <licensing@hillingdon.gov.uk>

Dear Si/Madam

Please could you add my objection to the application by Starbucks for a 24 hour café licence

My objection is that

1 my property backs onto towards the Burger King- Starbucks premises and we have just managed with a lot of campaigning to get gates fitted to stop the carpark being used for car racing out of hours

The opening of Starbucks for 24 hours will reintroduce this menace

2 Additionally as the roads around the rear of Tesco Jolly's lane etc are off the beaten track we are plagued with people dealing or smoking substances at night sitting in their cars or just loitering by the alleyway of Tesco's we do not need any more traffic in this respect which you will surely get as the Starbucks is not even on the main A312

3 Security and general petty crime is on the increase in this local as at that time of night who realistically is going to need a coffee especially as truckers are not necessarily going to come off the main road to get a coffee when there is a Macdonalds one more roundabout down which is more accessible. The car park will become a suitable holding penn for street and burglary opportunists

Happy to discuss this further

Your faithfully

from Mail for Windows 10

Fwd: Starbucks licencing application objection

13 June 2018 at 14:25

To: licensing@hillington.gov.uk

> Dear LBH,

>

> I am writing in objection to the recent 24 hour licencing application in relation to Starbucks coffee shop, yeading.

>

> I have noted from the application that it fails to identify and recognise the issues which would flow from the granting of a 24hr licence arrangement. The detailed measures within the application only focus on activities within its own boundaries. Therefore, I would ask the council to reject the application for the following reasons:

>

> 1. Access and operation requires the usage / flow through the large car park area which is subject to repeated anti social behaviour. This is not a consideration in the application.

>

> 2. Carpark area is unmanned and not covered by CCTV as indicated in the store. The same measures should be required in the vicinity in which it operates. This store should be required to take further responsibility for the private land it uses as an access point i.e. the main carpark, or create it's own roadside access and have the carpark secured at night.

>

> 3. Inadequate policing in the borough does not allow for a response from the police during antisocial behaviour problems as it is not a priority. I have regularly reported and called 101 in regards to anti social behaviour surrounding this site and never received a response. Residents whom reside in the surrounding area are subjected to car racing in that car park on a regular basis.

>

> 4. Increased noise

>

> 5. Set a precedent for other stores, being burger king & tesco to submit a 24hr licence arrangement.

>

> 6. No consideration for adjacent residents in the application.

7. No person or company on takes any responsibility for that car park or what happens within it. I have spoken to bandq before surrounding car racing and they just shrug there shoulders and say it's not our problem, so no doubt Starbucks coffee would be exactly the same :(.

>

> Please could you update me to confirm you have considered my objection and update me on progress of this application.

>

> Kind Regards

>

Date: 12 June 2018 at 17:34

Subject: Objection to 24hr Starbucks proposal for Willow Tree retail park

To: contact@hillingdon.gov.uk

Sirs,

I have read today the "Starbucks Coffee Shop (Drive Thru) Plan and app" held on the Hillingdon.gov.uk site.

I wish to register an objection to Starbucks being open 24hrs.

My objection is on the basis that currently nothing on the site or nearby is open during the additional hours requested hence there is currently NO local demand for such hours. For Starbucks to make money from this, which obviously is their objective, they will have to bring in demand. That will create problems of noise, disruption and litter, including beyond the perimeter of Starbucks so outside their influence. It will also create a precedent for other service providers.

Please keep me informed on the progression of this issue.

[regards,](#)

Starbucks application for 24 hour trading license.

To: licensing@hillington.gov.uk

Dear Sir /Madam

I wish to object to Starbucks 24 hours trading application (Glencoe road trading estate) my objections are as follows.

1. We have only just got the barriers up to prevent the car meets in that car park and I fear this would act as a draw to these people and we will once again have to endure the noise of screeching tyres and bangs from back firing cars.
2. The increase rubbish and disturbance this would cause us. I already get noise and rubbish from cars that buy food from Burger King 24 hours that is on the same site. They sit and eat and throw their rubbish down out side my house, also so in side the park which is adjacent to my house.
3. The late night traffic and extra noise pollution it would add to this already over burdened residential area.
4. I also fear they will apply for an alcohol license as do many of their shops. They call it their "secret menu" and supply in drinks.

Fwd: Starbucks Drive Thru at Yeading - Application for 24 hour Opening Licence

contact centre 1 <contactcentre1@hillingdon.gov.uk>
To: Licensing <Licensing@hillingdon.gov.uk>

14 June 2018 at 11:27

----- Forwarded message -----

Date: 11 June 2018 at 20:36
Subject: Starbucks Drive Thru at Yeading - Application for 24 hour Opening Licence
To: "contact@hillingdon.gov.uk" <contact@hillingdon.gov.uk>

Hi

Have recently been advised by the Yeading Safer Neighbourhood Team that Starbucks new drive thru is looking to open 24 hours a day. We as local residents already have to tolerate noise and inconsiderate behaviour from TESCO's and surrounding car parks including the playing of loud bass music and wheelspinning from car and motor cycle drivers at all hours of the day and night. Our fear is that will be somewhere else to attract such people who have no consideration for local residents and even more litter issues on top of those we already have.

Things have got a little better but this may undo all that work and things may get worse again.

All we are asking that you please consider the social impact on local council tax paying residents when considering this application. We don't really need another place for such people to congregate, this area is sufficiently supplied with such places not too far away in more non residential areas.

Many Thanks

Subject: URGENT - AGAINST LICENSING APPLICATION

To: "contact@hillingdon.gov.uk" <contact@hillingdon.gov.uk>

Hi

I would like to lodge my objection to the new Starbucks at Willow Tree Retail Park having 24 hour opening. There is absolutely no need in having a coffee shop open all night on this site, and would serve no purpose other than to attract unwanted loitering and mess in the area. If this is granted to Starbucks then Burger King and Tesco will soon be applying for the same. This is a highly populated residential area that was here before all these new shops were put in, it is bad enough that we have vast volumes of traffic on a daily basis without encouraging people to be here every night too.

Objection to Licensing Application for 24 hour opening of new Starbucks outlet at Willow Tree Retail Park, Glencoe Road, Yeading

11 June 2018 at 12:51

To: Licensing@hillingdon.gov.uk

I understand that an application for a license to open the new Starbucks in Yeading for 24 hours a day has been submitted to you and I would like to strongly object.

Over the past few years, local residents have worked with the Council and the Safer Neighbourhood Team to try and reduce anti-social behaviour in the car park of the Willow Tree Retail Park. Surely, allowing 24 hour opening, would undo all of this work.

As a resident, I have had to endure noise from cars racing around this car park often keeping me awake into the early hours, so much so, that I have to have the windows closed even on the hottest nights to suppress the noise. There is also a problem with noisy early morning refuse collections from existing businesses in this area.

It is my view that granting a 24 hour license to Starbucks would be detrimental to the area. It would increase traffic and would therefore cause more disturbance to local residents. I also believe that granting this application would encourage other local businesses to apply for 24 hour opening.

Starbucks Opening At Willow Tree Retail Park

To: "licensing@hillington.gov.uk" <licensing@hillington.gov.uk>

Good Afternoon

My name is

I understand that Starbucks have applied for a 24hr licence at this site . I would like to register my objection to this.

I live directly opposite this retail park and at this moment in time on a regular basis i am disturbed during the evening and the night by meetings by drivers with modified cars and then racing them around the car park ,drivers waiting to get into Burger King beeping there horns and then there are the extra delivery lorry's, anti social behaviour where cars park up and then turn there load music on till the early hrs of the morning and this happens at any time during the evening or night . Allowing Starbucks to open would just make things even worse as far as I'm concerned as you would certainly get mini cabs waiting there for there fare to or from Heathrow and where would it stop would other company's want to do the same .I remember when Tesco first opened they where not allowed to open Sundays that soon changed and now on a Sunday I'm like a prisoner in my own home because of the traffic it generates .I have to get up very early in the morning for work (03:00)at Heathrow surely i must be entitled to a good nights sleep.
