6.0 BACKGROUND INFORMATION

6.1 Premises licence

- a) A premises licence held at the address was revoked following a sub-committee licensing hearing on 20 February 2018 following a review of the premises licence submitted by the Council's Trading Standards Department.

The revoked premises licence holder was Mr Amandeep Singh Sachdeva

- b) On 19 March 2018 the Licensing Authority received notification that Mr Sachdeva had appealed the revocation decision reached by the Council and this currently awaits being heard at Uxbridge Magistrates Court on a date to be arranged. Meanwhile, the premises can continue trading until final determination of the revocation issue.
- c) Further to the revocation, a new premises licence application was submitted. The applicant was Mrs Taranjit Kaur Kapoor. This application received representations and subsequently was heard by the licensing committee on the 23rd April 2018. At the hearing the application was refused.
- d) A second new application was subsequently submitted on the 4th June by Personal Licence courses for and on behalf of Mr Chopra. This is the application subject to this report.

6.2 Description of the Premises

The premise was primarily an off-licence selling alcoholic and non alcoholic drinks, various tobacco products, groceries, fruits and vegetables. The premise was operating as normal pending the outcome of the appeal process.

6.7 Complaints received

There is no record of any complaints being received by the Regulatory Services Team.

7.0 OFFICER'S OBSERVATIONS

Observations

This is an application from Mr Varyam Singh CHOPRA. The applicant is applying as an individual. Mr Chopra has shown that he resides at 82 Norwood Road Southall. UB2 4DR. The application has not included that Mr Chopra is a personal licence holder. Therefore, he is not currently in a position to be an authorised Designated Premises Supervisor.

Historically within the licensing trade and wholly with this premises application, there is concern that when a premise has had its licence revoked that any further re licence of the same premises is from a person wholly unconnected with the previous licence holder under whose control the licence was removed.

From the time the application was received until the time the licensing report was compiled no contact has been made from the applicant's agent regarding the applicant making himself available for this type of investigation.

On many occasions at Hillingdon and in this case the applicants agent is aware that there is a concern by the responsible authorities regarding qualifying this separation and that failure to do so would likely be met with a representation as in this case. The fact that the new applicant has not been available for any examination of his position and for said concerns to therefore be quantified and possibly dismissed it therefore remains a concern that the applicant has not met the standards of the licensing objectives.

A conclusion that could be drawn is that the new applicant has not permitted the Responsible Authorities any opportunity to satisfy any concerns and this must be seen in relation to the facts that the applicant is not in a position to wholly satisfy the authorities that a proper and clean change of control and ownership has been made.

No proof of assignment of lease or proof of segregation of the above relationship in the business has been submitted with the application or subsequently to show a clear separation between the new applicant and the previously revoked (pending an appeal) licence holder.

A licensing visit conducted on 28th June to the premises further establishes that at the point the application was made, the business was still effectively being controlled by the previously revoked (pending an appeal) licence holder. This new application may be an attempt to circumvent the legal process (revocation proceedings) and it is very likely that a close personal and /or business relationship still exists

Local Authorities have to examine carefully the facts of an application to prevent reckless licence holders from using the system to continue to operate where licenses are lost and licensing authorities are right to take a careful examination of these applications particularly those that appear to be a ruse.

8.0 Relevant sections of S.182 Guidance

The Guidance issued by the Secretary of State under S182 of the Licensing Act 2003 states:

The purpose of the Guidance

At paragraph 1.7, "This Guidance is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality."

Determining actions that are appropriate for the promotion of the licensing objectives

At paragraph 9.42, "Licensing authorities are best placed to determine what actions are appropriate for the promotion of the licensing objectives in their areas. All licensing determinations should be considered on a case-by-case basis. They should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be."

At paragraph 9.43, "The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve."

9.0 Relevant sections of the Licensing Policy

8.46 While applicants are not required to seek the views of responsible authorities before formally submitting their application, they may find them to be a useful source of expert advice on local issues that should be taken into consideration when making an application. Licensing authorities may wish to encourage co-operation between applicants, responsible authorities and, where relevant, local residents and businesses before applications are submitted in order to minimise the scope for disputes to arise.

8.47 Applicants are expected to provide licensing authorities with sufficient information in this section to determine the extent to which their proposed steps are appropriate to promote the licensing objectives in the local area. Applications must not be based on providing a set of standard conditions to promote the licensing objectives and applicants are expected to make it clear why the steps they are proposing are appropriate for the premises.

14.0 Representations

At paragraph 14.1, "This policy will not seek to exclude any rights enshrined in the Act or any other legislation for applicants or those making representations against applications. Each application and representation will be treated on its merits taking into account the legislation, the Guidance issued under section 182 of the Licensing Act 2003 and this policy."

At paragraph 14.2, "Representations can be made to the Council, as Licensing Authority, by a 'Responsible Authority' or by 'Interested Parties' which include bodies or individuals who live in the vicinity of such a premises, and residents association, trade associations and other businesses operating in the vicinity. Representations can be made concerning:-

- Applications for new premises licences or club premises certificates

- Applications to vary premises licences or club premises certificates
- Personal licence applications on criminal grounds (only by the Police)"

At paragraph 14.3, "Responsible Authorities are the public authorities specifically designated under the Licensing Act 2003 to be consulted on all licence applications and are also entitled to make representations."

At paragraph 14.10, "All valid representations will form part of a committee report that will become a public document. It will be given to the applicant, their agent, responsible authorities, other persons making representations and any other party requesting a copy as well as the Licensing Sub-committee 10 working days prior to the hearing. Anonymous representations will not be accepted."

16.0 Decision Making and Licensing Hearings

At paragraph 16.4, "A Licensing Sub-Committee will sit to hear all applications for premises licences, club premises certificates, interim authorities, provisional statements, designated premises supervisors and personal licences which have attracted relevant representations from either a 'responsible authority' or 'other person'."

10.0 Legal Considerations

When considering licence applications the Sub-Committee shall carry out its functions with a view to taking steps it considers appropriate for promoting the licensing objectives. The licensing objectives are:

- Prevention of crime and disorder
- Public Safety
- Prevention of public nuisance
- Protection of children from harm

The Sub-Committee must ensure that all licensing decisions:

- Have a direct relationship to the promotion of one or more of the four licensing objectives
- Have regard to the Council's statement of licensing policy
- Have regard to the Secretary of State guidance
- Must not be subject to a blanket policy to the extent that it is applied so rigidly that an exercise of discretion in each individual case is precluded

The Sub-Committee is advised that when considering applications for a new premises licence, regard must be had to any relevant representations that are made before taking such steps (if any) as it considers necessary for the promotion of the licensing objectives.

The steps are:

- grant the application.
- grant the application subject to conditions the Sub-Committee considers necessary to promote the licensing objectives
- exclude from the scope of the licence any licensable activity(ies) to which the application relates
- refuse to specify a designated premises supervisor
- reject the application

Officers have provided the Sub-Committee with recommendations related to this application. Subject to the above-mentioned factors having been properly considered, the Sub-Committee may depart from the recommendations if there are good reasons for doing so. The Sub-Committee is advised that such departures could give rise to an appeal or judicial review.

In considering this application, the Sub-Committee may wish to take into account the judgement in the case of **R v Knightsbridge Crown Court ex p International Sporting Club (London) Ltd [1982] 1 QB 304**. The case concerned three London casinos which had operated in breach of the relevant gaming laws. Each lost its licence. The licence holders appealed and then sold the companies to third parties in the interim. The new 14 RBNB §9 (Lord Bingham). 15 McCool §7 (Lord Bingham CJ) 16 Ibid. §25. 6 owners replaced the entire previous management with new staff. The sale amounted to a re-structuring of the businesses. In its judgement, the Court stated:

“We have no hesitation in saying that past misconduct by the licence holder will in every case be a relevant consideration to take into account when considering whether to cancel a licence. The weight to be accorded to it will vary according to the circumstances of the case. There may well be cases in which the wrongdoing of the company licence holder has been so flagrant and so well publicised that no amount of restructuring can restore confidence in it as a fit and proper person to hold a licence; it will stand condemned in the public mind as a person unfit to hold a licence and public confidence in the licensing justices would be gravely shaken by allowing it to continue to run a casino”

The Court commented that it risks bringing the licensing regime into disrepute if reckless licence holders can avoid the consequences of their behaviour by simply transferring the licence into someone else's name or selling the business when they got caught and so, effectively, get away with it. The deterrent effect of licensing enforcement would be lost and licensing authorities are right to take a robust stance against such transfers, particularly those which appeared to be a ruse.

Dear Sir,

**CK FOOD & WINE, 153 NORTH HYDE ROAD, HAYES
THE LICENSING ACT 2003**

With reference to the new premises licence application submitted by Mr Varyam Singh Chopra, in respect of the above premises, you are advised that I am writing to you as the Officer duly authorised to make representations on behalf of the Licensing Authority.

You will be aware that the same premises was recently the subject of a premises licence review application whereby the Licensing Sub-Committee resolved to revoke the licence on 20th February 2018. The licence holder at the time of the revocation was Mr Amandeep Singh Sachdeva.

The same premises was then the subject of a new premises licence application in the name of Mrs Taranjit Kaur Kapoor, which was subsequently refused by the Licensing Sub-Committee on 23rd April 2018.

The premises licence review was applied for following an operation by Trading Standards where large quantities of illicit tobacco and class C drugs were found on the premises.

Additionally, Mrs Kapoor's application was refused because of her links with the previous licence holder and the Licensing Sub-Committee's lack of confidence in her ability to uphold the Licensing Objectives.

When presented with the new application made by Mrs Kapoor, the Licensing Authority asserted that this demonstrated a desire for Mr Sachdeva and his business partner, Mr Kapoor, to continue their business activities from Ocean Superstore. That the new application by Mrs Kapoor was an attempt to cover all bases to ensure that business activities continue, whomever the licence holder happens to be. This new application appears to be the same, in fact served by the same Licensing Agent, Mr Panchal.

The original premises licence revocation decision is currently being appealed through the Magistrates Courts, thereby rendering the licence in force until such time as the appeal is settled.

As responsible authority, we are now asked to consider a further new application for this premises and determine whether or not Mr Varyam Singh Chopra is independent of the previous licence holder and is capable of upholding the licensing objectives.

In making enquiries to Mr Chopra's agent, Mr Panchal, we have been informed that Mr Chopra is out of the country and will not be returning before the last date of the application consultation period.

We have also been informed that there is no documentation available in respect of a new lease, business plan, new supplier accounts etc.

In the absence of the applicant and without any documentation to demonstrate his independence or ability to uphold the licensing objectives, I must make a representation against the grant of a new licence.

The Licensing Authority remains unconvinced that this proposed premises licence represents a legitimate transfer of business.

If I, and the other responsible authorities are presented with information which would alleviate our concerns, I would consider withdrawing my representation.

In conclusion, I would invite the Sub-Committee to consider the refusal of the premises licence on the grounds that this decision is necessary and appropriate for the promotion of the crime prevention objective.

I intend to be present at the hearing to verbally deliver my representation and also to answer any queries from the Licensing Sub-Committee.

Yours faithfully

Re: New premises licence application.

The Metropolitan Police would like to make the following representations in support of the London Borough of Hillingdon Licensing Service, regarding the new premises licence application submitted by Mr. Varyam Singh Chopra for the address stated.

The Metropolitan Police Service is supporting the refusal of this premises licence in line with the licensing objectives and in particular 'The Prevention of Crime and Disorder'.

On 20th of February 2018 The Licensing Sub Committee revoked the premises licence of this venue following a hearing in which it was brought to light the illegal activities taking place within the venue. The licence holder at the time of the revocation was Mr Amandeep Singh Sachdeva.

On 23rd of April 2018 the same premises was then the subject of a new premises licence application, submitted by a Mrs Taranjit Kaur Kapoor. On this occasion the Licensing Sub Committee refused the application submitted by Mrs Kapoor because of her connection with the previous licence holder and her inability to present a credible case regarding the new premises application.

As a responsible Authority and an upholder of crime and disorder I feel that this application and the applicant has not sufficiently satisfied my concerns surrounding what is required of a legitimate business owner in a challenging area. Without credible foundation or sufficient evidence to support this application I suggest that it falls below what is expected of a responsible Premises Licence Holder.

Where previous concerns have been raised and detected, a new applicant wishing to trade in a challenging area needs to be in a position to provide sufficient knowledge, and a credible business package endorsing the licensing objectives and the expectations of that business's legal and social responsibilities. By not providing sufficient evidence to prove that this application by Mr Varyam Singh Chopra is independent of the previous licence holder I must make a representation against the grant of a new licence.

If the applicant provides credible evidence to reduce the concerns of the responsible authorities then I would consider withdrawing my representation.

Yours faithfully.

PC Dave Butler
Police Licensing Officer
Hillingdon Borough.
