8.0 RELEVANT SECTIONS of the S182 GUIDANCE and LICENSING POLICY

8.48 All parties are expected to work together in partnership to ensure that the licensing objectives are promoted collectively. Where there are no disputes, the steps that applicants propose to take to promote the licensing objectives, as set out in the operating schedule, will very often translate directly into conditions that will be attached Revised Guidance issued under section 182 of the Licensing Act 2003 I 57 to premises licences with the minimum of fuss

9.38 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to: Revised Guidance issued under section 182 of the Licensing Act 2003

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- this Guidance;
- its own statement of licensing policy.

Relevant Sections of the Hillingdon Licensing Policy

2.5 In respect of all licensing functions and determination of any licensing policy, the Council has a duty to promote the four licensing objectives:

- The prevention of crime and disorder;
- The protection of children from harm;
- The prevention of public nuisance;
- Public safety.

9.1 Licensing Sub-Committees will be mindful that licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises. When addressing public nuisance the applicant should identify any

particular issues that are likely to affect adversely the promotion of the licensing objective to prevent public nuisance. They should then include in the operating schedule how they will deal with those matters. The concerns mainly relate to noise nuisance from within the premises or from the use of any outside areas, light pollution, smoke and noxious smells. Due regard will be given to the impact these may have and the Licensing Authority will expect operating schedules to satisfactorily address these issues.

9.7 Applications referred to the Licensing Sub-Committee will be determined on the individual merit of each case. The Licensing Sub-Committee have the power to impose specific conditions when considered necessary in respect of the Prevention of Public Nuisance objective.

10.0 LEGAL COMMENTS

The Sub-Committee shall carry out its functions with a view to taking steps it considers appropriate for promoting the licensing objectives. The licensing objectives are:

- Prevention of crime and disorder
- Public Safety
- Prevention of public nuisance
- Protection of children from harm

The Sub-Committee must ensure that all licensing decisions:

- Have a direct relationship to the promotion of one or more of the four licensing objectives
- Have regard to the Council's statement of licensing policy
- Have regard to the Secretary of State guidance
- Must not be subject to a blanket policy to the extent that it is applied so rigidly that an exercise of discretion in each individual case is precluded

The Sub-Committee is advised that when considering applications for a new premises licence, regard must be had to any relevant representations that are made before taking such steps (if any) as it considers necessary for the promotion of the licensing objectives. The steps are:

- grant the application.
- grant the application subject to conditions the Sub-Committee considers necessary to promote the licensing objectives
- exclude from the scope of the licence any licensable activity(ies) to which the application relates
- refuse to specify a designated premises supervisor
- reject the application

Officers have provided the Sub-Committee with recommendations related to this application. Subject to the above-mentioned factors having been properly considered, the Sub-Committee may depart from the recommendations if there are good reasons for doing so. The Sub-Committee is advised that such departures could give rise to an appeal or judicial review.

Applicant Response

The representation by the Metropolitan Police has been provided us to comment.

The premises applicant is keen to emphasize that this would be gastro pub and the inclusion of regulated entertainment and late sale of alcohol may have given an impression of a different type of premises.

Hence, we suggest an amendment to the application to seek relaxation from some of the conditions proposed by the Police.

Sale of Alcohol;

Sunday to Thursday 0900 to Midnight
Friday and & Saturday nights 0900 to 0100 next morning.

Regulated Entertainment will be removed from the application.

The premises will be closed to public 30 min after the sale of alcohol, and Late night Refreshments will continue until this time.

Additional hours will as per Friday/Saturday alcohol hours. No change to New Years' eve.

Further to these amendments, we seek to remove the Friday/Saturday door supervisor condition. The condition relating to Door supervisors are used during busy periods remain unchanged.

We also would like to remove the condition relating to last entry.
