Notice

Notice of meeting and any private business

The London Borough of Hillingdon is a modern, transparent Council and through effective Cabinet governance, it seeks to ensure the decisions it takes are done so in public as far as possible. Much of the business on the agenda for this Cabinet meeting will be open to residents, the wider public and media to attend. However, there will be some business to be considered that contains, for example, confidential, commercially sensitive or personal information. Such business is shown in Part 2 of the agenda and is considered in private. Further information on why this is the case can be sought from Democratic Services.

This is formal notice under The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 to confirm that the Cabinet meeting to be held on:

23 January 2020 at 7pm in Committee Room 6, Civic Centre, Uxbridge

will be held partly in private and that 28 clear days public notice of this meeting has been given. The reason for this is because the private (Part 2) reports listed on the agenda for the meeting will contain exempt information under Part 1 of Schedule 12A to the Local Government Act 1972 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it. An online and a hard copy notice at the Civic Centre in Uxbridge indicates a number associated with each report with the reason why a particular decision will be taken in private under the categories set out below:

- (1) information relating to any individual
- (2) information which is likely to reveal the identity of an individual
- (3) information relating to the financial or business affairs of any particular person (including the authority holding that information)
- (4) information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
- (5) Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
- (6) Information which reveals that the authority proposes (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) to make an order or direction under any enactment.
- (7) Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Notice of any urgent business

To ensure greater transparency in decision-making, 28 clear days public notice of the decisions to be made both in public and private has been given for these agenda items. Any exceptions to this rule are the urgent business items on the agenda marked *. For such items it was impracticable to give sufficient notice for a variety of business and service reasons. The Chairman of the Executive Scrutiny Committee has been notified in writing about such urgent business.

Notice of any representations received

No representations from the public have been received regarding this meeting.
