## **Rules of Procedure**

### **Call-In**

- (a) When a decision is made by the Cabinet, an individual Member of the Cabinet or a Committee of the Cabinet, or a Key Decision is made by an officer with delegated authority from the Cabinet, or under joint arrangements, the decision shall be published, including by electronic means, and shall be available at the Civic Centre normally within 2 working days of being made.
- (b) The notice of the decision will bear the date on which it is published and notified to all Members of the Council and will specify that the decision will come into force, and will then be implemented, on the expiry of 5 working days after the publication of the decision, unless the decision is called-in by the Executive Scrutiny Committee.
- (c) The Committee will normally meet in an informal capacity immediately after the conclusion of a meeting of Cabinet to consider which decisions the Members of the Committee might require further information about or to consider for potential call-in. Although meeting in an informal capacity, should there not be a consensus as to which decisions require such consideration then the matter will be determined by a majority vote of those Members of the Committee present and able to vote (with respect to the normal rules as set out in the Code of Conduct).
- (d) The Executive Scrutiny Committee will meet within 5 working days of each Cabinet to hear the call-in of any decisions made at the preceding Cabinet meeting. Decisions to be called in will be agreed by the Chairman of the Committee, the lead representative of the majority party on the Committee and other members of the committee including the education representatives in the case of education decisions. These will be notified to the Scrutiny Advisor within two working days of the Cabinet meeting being held. Officers and/or Cabinet Members responsible for the recommendations leading to the decision or for making the called in decision will be notified and asked to attend the call-in to explain decisions.

Decisions made by an individual Member of the Cabinet or a Key Decision made by an officer with delegated authority from the Cabinet, can be called-in by agreement of the Chairman of the Committee and the lead representative of the majority party on the Committee within 5 working days of the decision being published. These Members shall inform the Scrutiny Advisor who will inform the Head of Democratic Services of the reasons for the call-in. The Executive Scrutiny Committee will meet within 5 days of the Head of Democratic Services being notified to consider the decision.

- (e) If, having considered the decision, the Executive Scrutiny Committee are still concerned about it, then it may:

- refer it back to the decision making person or body for reconsideration, setting out in writing the nature of its concerns, or
- refer the matter to full Council, but only in the circumstances set out below.

A decision will not be referred to full Council unless either the Committee believes it to be contrary to the Policy Framework or Budget, or considers that it was a Key Decision that was not dealt with as such by the Cabinet. If it is referred to the decision maker they shall then reconsider within a further 5 working days, amending the decision or not, before adopting a final decision.

- (f) If following an objection to the decision, the Executive Scrutiny Committee does not hold the two meetings within 10 working days of the date of the Cabinet meeting, the original decision shall take effect at the end of the 10-day period.
- (g) If the matter was referred to full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below.
- (h) If the Council does object, it has no authority to make decisions in respect of a Cabinet decision unless it is contrary to the policy framework, or contrary to or not wholly consistent with the budget. Unless that is the case, the Council will refer any decision to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Cabinet as a whole or a Committee of it, a meeting will be convened to reconsider within 10 working days of the Council request. Where the decision was made by an individual, the individual will reconsider within 10 working days of the Council request.
- (i) If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is the earlier.

### **CALL-IN AND URGENCY**

The call-in procedure set out above shall not apply where the decision being taken by the Cabinet or executive member is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests or could lead to an (increased) risk of damage to people or property. The record of the decisions, and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in. The Head of Paid service or his/her

nominee and the Chairman of the Executive Scrutiny Committee or his/her nominee must be informed that the decision will be implemented immediately upon their all agreeing that the decision is reasonable and to it being treated as a matter of urgency, or after 2 clear days should no objection to urgent implementation be received. Decisions taken as a matter of urgency must be reported to the next available meeting of Council, together with the reasons for urgency.
