EXECUTIVE DECISION REQUESTS TO CABINET MEMBERS:

Four executive decision requests have been published collectively on 15 April 2020 by Democratic Services as shown below.

The Leader of the Council and relevant Cabinet Members are invited to consider these and make a decision on the recommendations within the reports electronically on Thursday 23 April 2020.

This process is in lieu of the scheduled Cabinet meeting on the same date which is now not taking place. You can find out more about the Cabinet Members making these decisions [here](#).

One decision request is deemed confidential for the reasons set out, but any decision on this will be made public shortly thereafter.

Once all decisions are made and published on this website, Councillors on the [Executive Scrutiny Committee](#) will be invited to review them electronically for any clarifications or potential for scrutiny call-in.

Subject to the above, these decisions will then come into effect at a time indicated in order for Council officers to action.

These decisions are being taken in accordance with The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012. For clarity, this is not a remote or virtual meeting under new Regulations.
