28. **ANNUAL REPORT OF THE AUDIT COMMITTEE** (*Agenda Item 7*)

Councillor Flynn moved, and Councillor Morgan seconded, the recommendation as set out on the Order of Business. Following debate (Councillors Eginton and Goddard), it was:

RESOLVED: That the annual report of the Audit Committee 2020/21 be noted.

29. **MEMBERS' QUESTIONS** (*Agenda Item 8*)

8.3 QUESTION SUBMITTED BY COUNCILLOR TUCKWELL TO THE CABINET MEMBER FOR ENVIRONMENT, HOUSING & REGENERATION- COUNCILLOR LAVERY:

“Can the Cabinet Member please update me on the progress of the rollout of the separate Food Waste Collection Service and how this will contribute to the Council's Climate Change Plan?”

Councillor Lavery advised that, in May 2021, the Council had moved to a separate collection service for food waste across the Borough rather than it being collected with the garden waste. Promotional and educational activity had been undertaken over the summer which had increased residents' participation in food waste recycling from 30,000 households to 39,000. Once collected, the food waste was processed at a plant in Surrey where it was turned into electricity.

It was noted that the gases created by food waste in landfill made up 10% of greenhouse gasses globally. In Hillingdon, a survey had revealed that around 40% of black bag waste was food.

By way of a supplementary question, Councillor Tuckwell asked whether there were any plans to expand the service further in Hillingdon.

Councillor Lavery advised that the food waste collection service had previously only been available to houses as they were the households that had been in receipt of the green waste collection. The new separate collection service meant that it was now available to flats and maisonettes and action was being taken to extend it to bigger flatted developments.

The Cabinet Member encouraged all Members to participate in the food waste collection scheme.

8.1 QUESTION SUBMITTED BY COUNCILLOR GARDNER TO THE CABINET MEMBER FOR FAMILIES, EDUCATION AND WELLBEING- COUNCILLOR O'BRIEN:

“Can the Cabinet member confirm that the Hillingdon Youth Council has continued to be a voice for young people in the Borough despite the pandemic? Can she say how many schools in Hayes are involved in the initiative and if the case is that the young people of Hayes are underrepresented, what steps are planned to increase this number, so that the membership of the Youth Council can effectively represent the whole Borough?”

Councillor O'Brien advised that the Youth Council included young people aged 11 to 19 (and those aged up to 25 with special educational needs) providing a voice for those who lived, worked or studied in the Borough. The Youth Council provided young people with the opportunity to develop their skills, confidence and knowledge. The Hillingdon Youth Council had 18 active members representing a number of schools from across the Borough including: Bishopshalt, Douay Martyrs, Haydon, Merchant Taylors, Oakwood, Ruislip High and Swakeleys.

Throughout the pandemic, the Youth Council had remained active and had held meetings virtually. Councillor O'Brien had taken part in a Q&A session, quiz and debate with representatives at a Youth Council meeting in June 2021. One of the Youth Council members had said, “During lockdown, I have found the virtual HYC meetings to be a window into the world. It's a place where I am welcome, my views are heard and I can have deep discussions and debates with my friends.”

The Youth Council had sought to make a difference with work and surveys on issues

such as domestic abuse, knife crime reduction and waste and recycling. The Youth Council worked in partnership with the UK Youth Parliament, on which Hillingdon had two representatives. In addition, Hillingdon had two London Youth Assembly representatives, one of whom was the Deputy Chair.

Although the Youth Council was located at Fountains Mill, consideration was being given to moving them to the Civic Centre so that they could use the Council Chamber for their meetings. Action would also be taken to increase young people's engagement with the Youth Council and to promote and forge new links with young people from across the Borough. Ward Councillors were encouraged to raise awareness of the important work undertaken by the dedicated Youth Council.

By way of a supplementary question, Councillor Gardner asked whether the Youth Council could be encouraged to make physical contact with the young people in schools in the Hayes area to hear the views and worries of students about their environment following the tragic incident that took place near the Global Academy in June 2021.

Councillor O'Brien advised that the Youth Teams would once again be going into schools (now that they had reconvened following the summer holidays) to talk to the students and promote the Youth Council. She noted that, following the incident in June, Global Academy had taken exceptional measures to work with students.

8.4 QUESTION SUBMITTED BY COUNCILLOR MAKWANA TO THE CABINET MEMBER FOR FAMILIES, EDUCATION AND WELLBEING- COUNCILLOR O'BRIEN:

"Could the Cabinet Member please update Council on the number of school places offered to primary and secondary pupils in Hillingdon this academic year?"

Councillor O'Brien advised that Hillingdon had continued with its strong track record of offering school places to children in the Borough. The Council's £154m school building and expansion programme would help to meet future demand. This had meant that, for the last 15 years, Hillingdon had managed to stay ahead of the demand for school places in the Borough and education remained a top priority for the Council.

This summer, 3,664 Hillingdon resident primary school applications had been processed for starting in Reception. This had been a 5.7% decrease on the previous year (across London the number of applications had decreased by 6.72%). Hillingdon had had the sixth highest number of applications in London: 99.3% of children had been offered their preferred primary school places and 93.7% had been offered their first preference, rating Hillingdon second across London for giving parents their first preference choice.

This summer, Hillingdon had processed 3,607 Hillingdon resident secondary school applications for starting in Year 7. This had been a 3% decrease on the previous year (across London the number of applications had increased by 0.4%) and coincided with an increase in the number of children being home schooled during the pandemic. Hillingdon had received the ninth highest number of applications in London: 94% of children had been offered their preferred secondary school places and 67% had been offered their first preference.

Over the last week, Hillingdon had already received approximately 500 in year / late

applications. This was an exceptionally high number and officers were working their way through them.

There was no supplementary question.

8.2 QUESTION SUBMITTED BY COUNCILLOR PRINCE TO THE CABINET MEMBER FOR HEALTH AND SOCIAL CARE - COUNCILLOR PALMER:

“What additional mental health support has the Council provided to residents as a result of the impact of the COVID-19 pandemic?”

Councillor Palmer advised that, pre-pandemic, around one in four people had experienced mental health problems in any given year. This had increased during the pandemic, with many existing support services stepping up to deal with the increase in demand and new initiatives being launched. The Covid grant had been used to offset additional costs.

The response of mental health support services could be seen in the wider context of the Council’s Covid response. Adult social work had maintained statutory services throughout the pandemic, with a 137% increase in needs assessments and 51% increase in adult safeguarding enquiries where mental health had been the primary support reason.

The Council had continued to work closely with Central and North West London NHS Foundation Trust (CNWL) who provided a range of mental health services. Officers had continued to signpost residents to self-referral services such as CNWL’s Single Point of Access and Talking Therapy services. Referrals had been made to Crisis, the Home Treatment Team and the Liaison Psychiatry Team. Additional services had been set up including: a Mental Health Emergency Access Centre which had helped to move people out of A&E; and a step down house to bridge the gap between hospital and long term accommodation.

Young people had continued to have access to services such as KOOTH. It had also been agreed by Cabinet that Hillingdon People would be used to help support the mental health of young people under 16.

The voluntary sector had played its part by commissioning extra services such as mental health employment support. The Community Hub had contacted over 28k residents who had been classed as clinically extremely vulnerable to assess their mental health needs and Mind had seen a 260% increase in calls to its telephone support service. Library staff had called residents to ensure that they were not left lonely and isolated and many Councillors had volunteered to collect prescriptions. Councillor Tuckwell, as the Council’s mental health champion, had been looking at where improvements could be made to service delivery.

Councillor Palmer thanked the Social Care Team for ensuring that Hillingdon kept its residents safe and the voluntary sector and health colleagues for their role in partnership working.

By way of a supplementary question, Councillor Prince asked, with the Government cutting Universal Credit by £20 per week, what action the Council was taking to provide mental health support to those residents experiencing problem debt accrued during the pandemic.

Councillor Palmer advised that the services provided by the Council did not differentiate against someone's mental health. The Council had been working in partnership with the voluntary sector and was able to signpost residents experiencing mental ill health and make positive referrals to services provided by organisations such as the Citizens Advice Bureau.

If Councillor Prince had specific issues that she would like to highlight, Councillor Palmer asked that she make contact with her or Councillor Tuckwell outside of the meeting.

30. **MOTIONS** (*Agenda Item 9*)

9.4 MOTION FROM COUNCILLOR CORTHORNE

Councillor Corthorne moved, and Councillor Edwards seconded, the following motion:

“That this Council welcomes the establishment of the UK Government's "Operation Warm Welcome" programme to ensure that those refugees from Afghanistan who served alongside and assisted British forces and their families are supported as they look to rebuild their lives in the UK.

“This Council notes that the UK and, specifically, the London Borough of Hillingdon has a proud history of providing a safe haven and support to those fleeing persecution. The Council gave an early undertaking to receive Afghan families under the Government's Afghan Relocations and Assistance Policy and it is continuing to work with Government in support of the national resettlement programme.

“This Council notes the considerable responsibility and continuous commitment of the London Borough of Hillingdon in supporting refugees from across the globe given the local authority's status as a port of entry into the UK through Heathrow Airport.

9.1 MOTION FROM COUNCILLOR DUNCAN

At the request of Councillor Duncan, who had submitted her apologies for the meeting, it was agreed that this motion be held over until the next meeting of the Council on 18 November 2021.

“That this Council believes planning works best when developers and the local community work together to shape local areas and deliver necessary new homes and other developments and, therefore, calls on the Government to protect the right of communities to object to individual planning applications.”

RESOLVED:

9.2 MOTION FROM COUNCILLOR DHILLON

Councillor Dhillon moved, and Councillor Allen seconded, the following motion:

“That this Council is concerned by the number of cases involving unsafe building practices and standards affecting the safety of Hillingdon residents by private building control operators and their practices.

“We therefore call upon the Leader and Cabinet Member to examine the issues in Hillingdon and make them known to the government with a request to strengthen the legislation / regulation and accountability of such private building control operators to be on par with those our own local authority building control services.”

Following debate (Councillor Lavery), the motion was put to the vote.

The motion was lost.

9.3 MOTION FROM COUNCILLOR CURLING

Councillor Curling moved, and Councillor Mathers seconded, the following motion:

“That this Council recognises the growing problem of the recreational use of Nitrous Oxide, as a psychoactive substance, across the borough. This is not only harmful to the individuals inhaling it, but it also contributes to public safety dangers associated with people driving whilst under the influence of a psychoactive substance, as well as, anti-social behaviour and huge amounts of littering of disused gas cannisters and balloons.

“Although it is illegal to supply and use Nitrous Oxide for this purpose, it remains a considerable problem for the residents of Hillingdon to endure. Council therefore calls on the Cabinet to take some proactive action to achieve some positive results in the following four areas:

- A campaign to raise awareness and discourage the use of Nitrous Oxide.
- Better enforcement action.
- Investigating Illegal Sales.
- Tackling the littering problem.”

Councillor Riley moved the following amendment, which was seconded by Councillor Denys:

That the words “huge amounts of” be deleted from the first paragraph and that everything after the first paragraph be deleted and replaced with:

"We welcome the Home Secretary's recent announcement of a review to be undertaken by Advisory Council on the Misuse of Drugs, of the possibility of including the possession, use and sale etc for psychoactive substances for recreational use being a class C drugs offence and we will continue to work with partner agencies to raise awareness, aid enforcement and discourage the misuse of this substance".

Following debate (Councillors Allen, Curling, Dhillon, Hensley, D Mills and Sansarpuri), the amendment was put to the vote.

The amendment was carried.

The substantive motion was put to the vote and it was:

RESOLVED: That this Council recognises the growing problem of the recreational use of Nitrous Oxide as a psychoactive substance, across the borough. This is not only harmful to the individuals inhaling it, but it also contributes to public safety dangers associated with people driving whilst under the influence of a psychoactive substance as well as anti-social behaviour and littering of disused gas canisters and balloons.

31. **ADJOURNMENT DEBATE** (*Agenda Item 10*)

An Adjournment Debate on the subject of 'litter' was conducted in accordance with Council Procedure Rule 15. Councillors Bridges, Dhillon, Mathers, R.Mills and Tuckwell spoke on the matter.

QUESTIONS FROM MEMBERS OF THE PUBLIC

5.1 QUESTION FROM MR TONY ELLIS OF KEWFERRY ROAD, NORTHWOOD TO THE CABINET MEMBER FOR PUBLIC SAFETY & TRANSPORT - COUNCILLOR RILEY:

Would the Council pass a by-law prohibiting the use of garden machinery after 6pm on weekdays, after 1pm on Saturdays and all day on Sundays?

Throughout the summer we residents in Northwood have been unable to enjoy our gardens in the evenings and weekends because of the noise of garden machinery. Commercial gardeners and residents alike use lawnmowers, saws and leaf blowers until late into the evening on weekdays, Saturday afternoons and all-day Sundays creating a cacophony of noise, making it impossible for neighbours to sit and enjoy the peace of their gardens.

I also believe that the use of garden machinery outside of these hours is in contravention of the Human Rights Act as the noise prevents our enjoyment of our gardens.

REPORT OF THE HEAD OF DEMOCRATIC SERVICES

Reporting Officer: Head of Democratic Services

(i) URGENT IMPLEMENTATION OF DECISIONS

RECOMMENDATION: That the Urgency decisions detailed below be noted.

Information

1. The Constitution allows a Cabinet or Cabinet Member decision to be implemented before the expiry of the 5-day scrutiny call-in period, provided the decision is deemed urgent and agreement is given from the Chairman of the relevant Select Committee to waive the scrutiny call-in period. All such decisions are to be reported for information only to the next full Council meeting.
2. Since those noted at the 09 September 2021 Council meeting, the following decisions have been made using urgency procedures:

Date of Decision	Decision Type / Nature of Decision	Decision-Maker
1/11/21	To formally surrender two existing leases subject to an agreement for the grant of a new lease for the library and adult education areas, upon completion of the new school building for Harlington Community School.	Leader of the Council, in conjunction with the Cabinet Member for Property & Infrastructure

Background Papers: Decision Notices

(ii) PLANNING COMMITTEES

RECOMMENDATION: That the 'Minor Applications Planning Committee' be re-named as the 'Borough Planning Committee' with immediate effect.

Information

1. At the annual meeting of the Council on 20 May 2021 it was agreed to establish two planning committees - a 'Minor Applications' committee and a 'Major Applications' committee and to remove the current area-based committees and HS2 Sub Committee. Each committee to consist of 7 Members, politically balanced.
2. Since that time, although the two committees have been operating effectively, there has been some feedback received that the name 'Minor applications' can be slightly misleading, giving rise to the impression that the applications being considered are not significant or noteworthy.
3. It is therefore proposed to rename the committee, with immediate effect' as the 'Borough Planning Committee' to more accurately reflect the nature of the work undertaken by the Committee.

4. No change is proposed to the name of the 'Major applications' committee or the terms of reference of the committees.

Background Papers: None

iii) **CHANGES TO COMMITTEE MEMBERSHIPS**

RECOMMENDATION: That the following change to committee memberships for 2021/2022, as proposed by the Conservative Group, be approved:

- **Borough Planning Committee** (subject to name change approval above) – **Councillor Tuckwell to replace Councillor Morgan.**
- **Audit Committee** – the appointment of **Councillor Sullivan as a substitute Member.**

(iv) **NORTH WEST LONDON JOINT HEALTH OVERVIEW AND SCRUTINY COMMITTEE (NWL JHOSC) MEMBERSHIP**

RECOMMENDATIONS: That:

- a) **Council agrees to join the NWL JHOSC,**
- b) **Councillor Nick Denys be appointed as the London Borough of Hillingdon representative to the NWL JHOSC and**
- c) **the Head of Democratic Services, in consultation with the Chief Whip of the relevant party, be given delegated authority to appoint further Members and / or substitute Members to the Committee should they be requested by the JHOSC.**

Information

1. The NWL JHOSC was originally set up to respond to the NHS review, 'Shaping a Healthier Future'.
2. The JHOSC currently comprises representatives from the boroughs of Brent, Camden, Ealing, Hammersmith and Fulham, Harrow, Hounslow, Kensington & Chelsea, Richmond, Wandsworth and Westminster. It meets with representatives of NHS North West London to consider matters concerning health care that are subject to consultation.
3. With changes proposed in the Health and Care Bill, it is thought that now would be an opportune time for the Council to join the JHOSC and that Councillor Nick Denys, as the Chairman of the External Services Select Committee, be appointed as the Council's representative.
4. Membership of the JHOSC will further strengthen the Council's own sphere of influence in respect of health scrutiny. Members on the External Services Select Committee and the Cabinet Member for Health and Social Care will be kept abreast of developments by Democratic Services.
5. Should any additional representation be required from the London Borough of Hillingdon, Council is asked to delegate authority to the Head of Democratic

Services to appoint further Members or substitute Members to the Committee as required.

MOTIONS

9.1 MOTION FROM COUNCILLOR DUNCAN

That this Council believes planning works best when developers and the local community work together to shape local areas and deliver necessary new homes and other developments and, therefore, calls on the Government to protect the right of communities to object to individual planning applications.

9.2 MOTION FROM COUNCILLOR MATHERS

That the 2021 United Nations Climate Change Conference, also known as COP26, held in Glasgow has been a stark reminder to us all that more needs to be done to avoid the climate change crisis which, without strong action, will have dire effects on current and future generations.

This Council agrees that strong action must be taken locally to reduce carbon emissions and that the Council can do more to achieve carbon zero in the borough than that set out in our current climate change action plan.

Therefore, the Council agrees to update the climate change strategy to include a commitment to:

- ensure that all the Council's procured services are carbon zero by 2035;
- support and work with businesses and organisations towards making the entire borough zero carbon by 2050;
- review the Council's investment strategy within the next 12 months to give consideration to climate change impacts in the council's investment portfolio.

This Council also commits to increasing its accountability and transparency on climate change action by:

- proactively including young people in the process, ensuring that they have a voice in shaping the future;
- publicly reporting on the level of investment in the fossil fuel industry that our pensions plans and other investments have;
- holding an annual 'people's assembly' with residents and relevant organisations to discuss and shape revisions to the climate change action plan.
