General

We shall ensure that all times when the premises are for our licensable activity, there are sufficient competent staff on duty at the premises for the purpose of fulfilling the terms and conditions of the licence and for preventing crime and disorder. We shall ensure that all staff will undertake training in their responsibilities although we are not trading in alcohol however we will make sure particularly with regard to drunkenness and underage persons vising our premises. Records will be kept of training and refresher training.

The Prevention of Crime and Disorder

Any incidents of a criminal nature that may occur on the premises will be reported to the Police. We already have CCTV coverage at the premises and it is operated and maintained at the premises. The CCTV system will make sure that cameras must be sited to observe the entrance and exit doors both inside and outside, cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification, cameras viewing till areas must capture frames not less than 50% of screen, cameras overlooking floor areas should be wide angled to give an overview of the premises, be capable of visually confirming the nature of the crime committed. 6. Provide a linked record of the date, time and place of any image, to provide good quality images -colour during opening times, operate under existing light levels within and outside the premises, have the recording device located in a secure area or locked cabinet, to have a monitor to review images and recorded picture quality, to be regularly maintained to ensure continuous quality of image capture retention, to have signage displayed in the customer area to advise that CCTV is in operation, digital images must be kept for 31 days, police will have access to images at any reasonable time, The equipment must have a suitable export method, e. G. CD/DVD writer so that the police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy, if this format is non- standard (i.e. manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the video on the CD can be replayed by the police on a standard computer. 5.0 REPRESENTATIONS

5.1 We have received one representation from an Interested Party.

Interested Parties	Ground for Representation	Appendix
Councillor Nicola Brightman	Prevention of Public Nuisance	**Appendix 2**

6.0 BACKGROUND INFORMATION

6.1 Map of the area as **Appendix 6**

6.2 There have been no recorded Members' Enquires for this premises.

7.0 OFFICER'S OBSERVATIONS

7.1 This is an application for a Premises Licence for an existing Pizza restaurant/takeaway premises that are seeking to extend their current terminal hour of 23.00 to 02.00 Sunday to Thursday and 3.00 on Fridays and Saturdays. The premises are situated on a shopping parade that includes several other food led businesses that are not authorised for late night refreshment so do not trade past 23.00 hours. There is residential accommodation above the premises along the parade, so the concerns raised by residents to Councillor Brightman regarding the potential for public nuisance are justified and need to be addressed.

I have attempted to mediate with the applicant and objector by forwarding the representation to the applicant highlighting the request for a reduction in the hours sought. Agreement could not be reached, and I have attached the applicant's response to the Councillor's objection at **Appendix 4.**

The Operating Schedule provided by the Applicant was not extensive enough to uphold the objectives but additional conditions as agreed in **Appendix 5** with the Licensing Authority are appropriate and sufficient for the promotion of these.

7.2.1 The representation received mainly raised the following issues:

a) **The Prevention of Public Nuisance** – The representation refers to the Public Nuisance objective following concerns raised by local residents to the potential for an increase in nuisance given the closeness of private dwellings to the establishment during the proposed extended hours. Reference is made to the potential impact of motorcycle deliveries rather than customer attending the premises in person. The general increase in noise from traffic, delivery drivers, staff, littering and anti-social behaviour is cited, and it is correctly asserted to my knowledge that no other premises on the parade operate after 23.00. It also indicated that noise carries further in the quiet hours of the night and I would concur that when noise occurs at unsociable hours of the day when the ambient noise is reduced it can cause sleep disruptions and impair the peaceful enjoyment of a resident's property thereby causing impacts on local residents.

8.0 Relevant sections of s.182 Guidance

Determining actions that are appropriate for the promotion of the licensing objectives

At paragraph 9.42 it states that "Licensing authorities are best placed to determine what actions are appropriate for the promotion of the licensing objectives in their areas. All licensing determinations should be considered on a case-by-case basis. They should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be".

At paragraph 9.43 it states that "The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve".

At paragraph 9.44 it states that "Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. While this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the premises licence holder (such as the financial burden due to restrictions on licensable activities) as well as the potential benefit in terms of the promotion of the licensing objectives. However, it is imperative that the authority ensures that the factors which form the basis of its determination are limited to consideration of the promotion of the objectives and nothing outside those parameters.

As with the consideration of licence variations, the licensing authority should consider wider issues such as other conditions already in place to mitigate potential negative impact on the promotion of the licensing objectives and the track record of the business. Further advice on determining what is appropriate when imposing conditions on a licence or certificate is provided in Chapter 10. The licensing authority is expected to come to its determination based on an assessment of the evidence on both the risks and benefits either for or against making the determination".

Proportionality

At paragraph 10.10 it states that "The 2003 Act requires that licensing conditions should be tailored to the size, type, location and characteristics and activities taking place at the premises concerned. Conditions should be determined on a case-by-case basis and standardised conditions which ignore these individual aspects should be avoided. For example, conditions should not be used to implement a general policy in a given area such as the use of CCTV, polycarbonate drinking vessels or identity scanners where they would not be appropriate to the specific premises.

Conditions that are considered appropriate for the prevention of illegal working in premises licensed to sell alcohol or late night refreshment might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check is retained at the licensed premises. Licensing authorities and other responsible authorities should be alive to the indirect costs that can arise because of conditions. These could be a deterrent to holding events that are valuable to the community or for the funding of good and important causes. Licensing authorities should therefore ensure that any conditions they impose are only those which are appropriate for the promotion of the licensing objectives".

Hours of trading

At paragraph 10.13 it states "The Government acknowledges that different licensing strategies may be appropriate for the promotion of the licensing objectives in different areas. The 2003 Act gives the licensing authority power to make decisions about the hours during which premises can conduct licensable activities as part of the implementation of its licensing policy statement. Licensing authorities are best placed to make decisions about appropriate opening hours in their areas based on their local knowledge and in consultation with responsible authorities.
However, licensing authorities must always consider each application and must not impose predetermined licensed opening hours, without giving individual consideration to the merits of each application".

At paragraph 10.15 it states "Shops, stores and supermarkets should normally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping unless there are good reasons, based on the licensing objectives, for restricting those hours".

Licensing hours

At paragraph 14.51 it states "With regard to licensing hours, the Government acknowledges that different licensing approaches may be appropriate for the promotion of the licensing objectives in different areas. The 2003 Act gives the licensing authority power to make decisions regarding licensed opening hours as part of the implementation of its licensing policy statement and licensing authorities are best placed to make such decisions based on their local knowledge and in consultation with other responsible authorities. However, licensing authorities must always consider each application and must not impose predetermined licensed opening hours, without giving individual consideration to the merits of each application".

At paragraph 14.52 it states "Statements of licensing policy should set out the licensing authority's approach regarding licensed opening hours and the strategy it considers appropriate for the promotion of the licensing objectives in its area. The statement of licensing policy should emphasise the consideration which will be given to the individual merits of an application. The Government recognises that licensed premises make an important contribution to our local communities and has given councils a range of tools to effectively manage the different pressures that licensed premises can bring. In determining appropriate strategies around licensed opening hours, licensing authorities cannot seek to restrict the activities of licensed premises where it is not appropriate for the promotion of the licensing objectives to do so".

The need for licensed premises

At paragraph14.19 it states "There can be confusion about the difference between the "need" for premises and the "cumulative impact" of premises on the licensing objectives, for example, on Crime and Disorder. "Need" concerns the commercial demand for another pub or restaurant or hotel and is a matter for the planning authority and for the market. This is not a matter for a licensing authority in discharging its licensing functions or for its statement of Revised Guidance issued under section 182 of the Licensing Act 2003.".

9.0 Relevant sections of Hillingdon's Licensing Policy

Licensing Hours

At Paragraph 25.1 it states that "Prior to the introduction of the Licensing Act 2003, it was believed that fixed and artificially early closing times (established under the Licensing Act 1964) were one of the key causes of rapid binge drinking prior to closing times and one of the causes of disorder and disturbance when large number of customers were required to leave the premises simultaneously".

At Paragraph 25.2 it states that "The aim through promotion of the licensing objectives should be to reduce the potential for concentrations and achieve a slower dispersal of people from licensed premises through flexible opening times".

At Paragraph 25.3 it states that "Arbitrary restrictions that would undermine the principle of flexibility will therefore be avoided. The four licensing objectives will be paramount at all times and the Council will always consider the individual merits of each case".

At Paragraph 25.4 it states that "In accordance with guidance there is no fixed restriction on terminal hours for any particular areas of the borough. Such a restriction could cause the migration of patrons from one area to another and create the circumstances that the legislation is attempting to avoid. Each application will be dealt with on its merits. It is for the applicants to detail in their Operating Schedule exactly what times they intend to open and close the premises and what measures they will take to ensure that they do not cause nuisance or disturbance to their neighbours in the vicinity. The later the terminal hour applied for, the greater will be the need to address the issues of disturbance and nuisance".

Licence Conditions

At Paragraph 20.1 it states that "Conditions on premises licences and club certificates are determined by:

a) The measures put forward on the Operating Schedule
b) Mandatory conditions within the Act
c) Measures decided at a hearing by the Licensing Sub Committee"

At Paragraph 20.2 it states that "Conditions attached to licences by the Licensing Authority that have been proposed by the applicant in their operating schedule should be consistent with the steps set out in the operating schedule. This means that the effect of these conditions should be substantially the same as that intended by the terms of the operating schedule".

At Paragraph 20.3 it states that "Any conditions attached to licences following relevant representations will focus on matters within the control of the Premises Licence Holder or Club Management Committees. They will address matters which have a direct impact on those living, working or engaged in normal activities in the vicinity, as well as patrons of the licensed premises. They will not be used as a means of attempting to attach responsibility to Premises Licence Holders or Club Management Committees for matters outside their reasonable control, such as anti-social behaviour once away from the premises or licensable activity".

At Paragraph 20.4 it states that "The Licensing Authority will not impose standard conditions upon every licence issued, however it may have regard to model conditions produced by the Government and/or the Institute of Licensing and it may choose to impose these in appropriate circumstances".

10.0 LEGAL CONSIDERATIONS

10.1 When considering an application for a grant of a new Premises Licence, the Sub-Committee shall carry out its functions with a view to taking steps it considers appropriate for promoting the licensing objectives. The licensing objectives are:

- Prevention of crime and disorder
- Public Safety
- Prevention of public nuisance
- Protection of children from harm

10.2 Members should note that each objective is of equal importance. There are no other licencing objectives and the four objectives are paramount considerations at all times.

10.3 An application for a new premises licence may be made pursuant to s.16 and s.17 of the Act, and with regard to the Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005/42 and the licensing Act 2003 (Fees) Regulations 2005/79.

10.4 The Sub-Committee must ensure that all licensing decisions:

- Have a direct relationship to the promotion of one or more of the four licensing objectives
- Have regard to the Council's statement of licensing policy
- Have regard to the Secretary of State guidance
- Must not be subject to a blanket policy to the extent that it is applied so rigidly that an exercise of discretion in each individual case is precluded

10.5 Where relevant representations are made, the Licensing Authority must hold a hearing to determine the application, unless all are agreed that such a hearing is unnecessary s.18(3)(a) Licencing Act 2003.

10.6 Relevant representations are those that relate to the effect of the granting of the application on the promotion of the licensing objectives made by an interested party or responsible authority that have

not been withdrawn and are not, in the opinion of the relevant licencing authority, frivolous or vexatious s.18(7) Licensing Act 2003.

10.7 The Sub-Committee can only consider matters within the application that have been raised through representations from interested parties and responsible authorities. Interested parties must live within the vicinity of the premises. All applications will be decided on a case by case basis.

10.8 Following a hearing, the Sub-Committee must consider all relevant representations, and having taken into account the promotion of the licensing objectives, under s.18(3(b) and (4) Licensing Act 2003, a decision can be taken:-

i. To grant the licence, subject to the mandatory conditions and conditions consistent with the operating schedule;
ii. To impose additional relevant conditions to such an extent as is considered necessary for the promotion of the licensing objectives;
iii. To exclude any of the licensable activities to which the application relates;
iv. To amend the times for all or some of the licensable activities;
v. To refuse to specify a person in the licence as the premises supervisor;
vi. To reject the application.

10.9 Conditions will not be necessary if they duplicate a current statutory requirement. The licencing Authority may therefore only impose such conditions that are necessary to promote the licensing objectives arising out of the consideration of the representations.

10.10 If the Sub-Committee determines that it is necessary to modify the conditions, or to refuse the application for a Premises Licence application, it must give reasons for its decision.

10.11 The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under s.149 of the Equality Act 2010. In summary s.149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

i. Eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
ii. Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
iii. Foster good relations between persons who share relevant protected characteristics and persons who do not.

10.12 Section 149(7) of the Equality Act 2010 defines nine relevant protected characteristics these are:

i. age
ii. gender reassignment
iii. being married or in a civil partnership
iv. being pregnant or on maternity leave
v. disability
vi. race including colour, nationality, ethnic or national origin
vii. religion or belief
viii. sex
ix. sexual orientation

10.13 Officers have provided the Sub-Committee with recommendations related to this application. Subject to the above-mentioned factors having been properly considered, the Sub-Committee may depart from the recommendations if there are good reasons for doing so. The Sub-Committee is advised that such departures could give rise to an appeal or judicial review.

10.14 Interested parties, Responsible Authorities and the Applicant have the right to appeal the decision of the Licensing Sub-Committee to the Magistrates' Court within a period of 21 days beginning with the

day on which the applicant was notified by the Licensing Authority of the decision to be appealed against.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We shall ensure that all times when the premises are for our licensable activity, there are sufficient competent staff on duty at the premises for the purpose of fulfilling the terms and conditions of the licence and for preventing crime and disorder. We shall ensure that all staff will undertake training in their responsibilities although we are not trading in alcohol however we will make sure particularly with regard to drunkenness and underage persons vising our premises. Records will be kept of training and refresher training.

b) The prevention of crime and disorder

Any incidents of a criminal nature that may occur on the premises will be reported to the Police. We already have CCTV coverage at the premises and it is operated and maintained at the premises. The CCTV system will make sure that cameras must be sited to observe the entrance and exit doors both inside and outside, cameras on the entrances must capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification, cameras viewing till areas must capture frames not less than 50% of screen, cameras overlooking floor areas should be wide angled to give an overview of the premises, be capable of visually confirming the nature of the crime committed. 6. Provide a linked record of the date, time and place of any image, to provide good quality images –colour during opening times, operate under existing light levels within and outside the premises, have the recording device located in a secure area or locked cabinet, to have a monitor to review images and recorded picture quality, to be regularly maintained to ensure continuous quality of image capture retention, to have signage displayed in the customer area to advise that CCTV is in operation, digital images must be kept for 31 days, police will have access to images at any reasonable time, The equipment must have a suitable export method, e. G. CD/DVD writer so that the police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy, if this format is non-standard (i.e. manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the video on the CD can be replayed by the police on a standard computer. Copies must be made available to Police on request.

c) Public safety

Appropriate fire safety procedures are in place including fire extinguishers (foam, H20), fire blanket, internally illuminated fire exit signs, numerous smoke detectors and emergency lighting, all appliances are inspected regularly. All emergency exits shall be kept free from obstruction at all times.

d) The prevention of public nuisance

leave quietly and have regard to our neighbors.

e) The protection of children from harm

Being in trade of non alcoholic food only, we are highly unlikely to be serving children at their own, however we are fully prepared to cope with any indecent activity being which may be harmful with regards to children.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Re: New Licence Application - Laash Pizza

Cllr Nicola Brightman <nbrightman@hillingdon.gov.uk>

Tue 6/22/2021 9:42 PM

To: Mark McDermott <mmcdermott@hillingdon.gov.uk>; Cllr Darran Davies <DDavies@hillingdon.gov.uk>; Cllr Paula Rodrigues <prodrigues@hillingdon.gov.uk>

Dear Mark,

Having discussed this extension of operating hours with residents above the takeaway and across the road, the overwhelming feedback was that 0200hrs and 0300hrs is far too late for a delivery service to be operating in a residential area; that is an activity better suited for an industrial estate. They feel there would be a general increase in traffic and people, delivery drivers (There has already been a resident petition against motor cycle bays because of noise concerns) and staff coming and going. Additionally because of the positioning of the buildings, noise carries further in the quiet hours of the night, which will impact the quality of sleep on 'school nights'. They also believe it will increase littering/ASB as can been seen elsewhere where Delivery Drivers wait for jobs.

A quick check of Deliveroo operating times for Herbies Pizza (I presume Laash Pizza is a franchisee as the shop is liveried as such) shows the latest last orders time within Hillingdon is 2330hrs on a Friday night.

Cllr Rodrigues who has operated a coffee shop on the parade and lived above it for over 2 decades says there are no businesses that operate on the parade after 2300hrs out of respect for the residents.

Kingshill Parade is having a much needed upgrade to make it more family friendly, with al fresco (socially distanced) dining and modern street furniture etc. so a pizza parlour operating until 0300hrs isn't conducive to that aim.

Therefore we oppose the extension of operating until 0200hrs and 0300hrs. We are ok with a closing time of 2300hrs Sunday-Thursday and 2330hrs on Friday and Saturday to fit in with the Herbies operating model.

Hope that helps to understand the situation from a local perspective.

With kind regards,

Nicola

Dear Mark,
We had requested a very reasonable timing, and our delivery operations are very smooth, neither we serve any alcohol or any other entertainment, apart from that our drivers stay inside the shop, though I understand the noise concerns but do not agree to the suggested timings.
Deliveroo is a massive chain and we are a local business,which is struggling to meet our expenses at the moment, neither there is enough footfall at kings hill parade, so it's not fair to compare.

Yes, it is good news that the parade is getting upgraded.

Hope this helps.

Dear Mr. McDermott,

LICENSING ACT 2003
LAASH PIZZA, 298 KINGSHILL AVENUE, HAYES UB4 8BX

I am writing to you as the Officer duly authorised to make representations on behalf of the Licensing Authority, in relation to the application for a new premises licence submitted by Laash Pizza Limited.

The application proposes for the provision of late night refreshment up to 02:00 hours Sunday to Thursday and up to 03:00 hours Friday and Saturday.

The Licensing Authority wishes to make a representation against this application based on the following licensing objectives:

The prevention of crime and disorder
The prevention of public nuisance

The prevention of crime and disorder

In their operating schedule, Section 18(b), of their application, the applicant refers to having a CCTV system. However, we feel that it would also be beneficial for a staff member to be on the premises who is able to operate the CCTV system. In addition, we would also expect a good operator to keep an incident log book and record certain situations so that the relevant authorities can have confidence that Management are taking the appropriate action. Furthermore, we feel that there should be at least two members of staff working at the premises after 23:00 hours. We would therefore suggest the following conditions:

1. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open.

2. An incident log shall be kept at the premises and made available on request to an authorised officer of the Council or the Police. It will record the following: (a) all crimes reported to the venue (b) any complaints received concerning crime and disorder (c) any incidents of disorder (d) any faults in the CCTV system, (e) any refusal of the sale of alcohol (f) any visit by a relevant authority or emergency service.

3. There shall be a minimum of 2 adult members of staff on the premises after 23.00 hours each day of trading until closing.

The prevention of public nuisance

The applicant has applied for the provision of late night refreshment indoors up to 02:00 and 03:00 hours. We have concerns about the proposed finishing times for this licensable activity and the risk of any potential disturbance to residents living within the vicinity. Earlier finishing times may wish to be considered by the applicant so they are more appropriate for the local area.

At Section 18(d) of their operating schedule the applicant states that they will have notices "prominently displayed to remind customers to leave quietly and have regard to our neighbours". However, we feel that the applicant has not fully addressed this licensing objective and other potential issues that may arise. We would further ask for following conditions to be considered:

4 Regular checks shall be carried out to ensure that the area direct outside the premises is free from litter or rubbish.

5 Signage shall be displayed at the premises stating their hours of operation.

6 No stock deliveries to the premises shall take place between 23:00 hours and 08:00 hours.

7 No disposal of waste shall take place between 23:00 hours and 08:00 hours.

8 Doors and windows shall be kept closed from 23:00 hours until closing to prevent transmission of noise.

9 Delivery drivers and staff shall be instructed to respect the needs of local residents including:

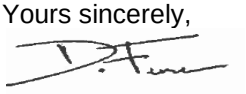
(i) entering and leaving their vehicles quietly and considerately
(ii) not leaving their vehicle engines running
(iii) ensuring that any recorded music being played in their vehicle is kept to a low volume at the premises
(iv) parking their vehicles considerately
(v) using any smoking area quietly when on a smoking break
(vi) leaving the premises quietly at the end of their shift

The applicant may wish to discuss the above suggestions and so there may be some movement forward where issues may be resolved. I will keep you fully updated as matters progress.

I am happy to attend a hearing, if required, to verbally deliver my representation and also to answer any queries from the Licensing Sub-Committee.

If you have any queries regarding this matter, then please feel free to contact me.

Yours sincerely,



Daniel Ferrer
Licensing Team Manager
