**8. UPDATES TO LICENSING SUB-COMMITTEE HEARING PROTOCOLS TO PROVIDE FOR REMOTE HEARINGS AND ADMINISTRATIVE ADJOURNMENTS**

**RESOLVED:**

That the Committee review and adopt the two additions to the wording in the hearing protocols as set out in the report relating to:

- 1) Holding of hearings under the Licensing and Gambling Acts remotely;
- 2) The provision for administrative adjournments, if required, outside formal hearings.

Democratic Services had sought a definitive legal view from the Borough Solicitor on the holding of hearings remotely and whether a sub-committee could adjourn administratively without having to convene formally. Legal advice provided by the Borough Solicitor deemed these provisions were permissible if added to the hearing protocols, though for the holding of remote hearings it was advised that this should be the exception, rather than the rule. Members of the Committee agreed the proposed additional wording to the protocols, which would enable hearings and related procedures, where necessary, to be conducted in a more efficient and accessible way for all parties.

**9. COMMITTEE FORWARD PLANNER**

The Committee noted the Forward Planner as set out on the agenda.

**RESOLVED:**

That the Committee note the Forward Planner and suggest any alterations to, or additional items, as set out.

4. 10am, 10 September 2021 (Part 1 minutes)
5. 10am, 17 September 2021 (Part 1 minutes)

*This item was considered in Part II as it contained information relating to an individual, information which is likely to reveal the identity of an individual and information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime. That the public interest in withholding the information outweighed the public interest in disclosing it (exempt information under paragraphs 1, 2 & 7 of Part 1 of Schedule 12A to the Local Government [Access to Information] Act 1985 as amended).*

**11. DEMONSTRATION FROM TRADING STANDARDS - COUNTERFEIT AND SEIZED GOODS (VERBAL UPDATE)**

King-Yip Cheung, Senior Trading Standards Officer, gave a presentation to Members of the Committee on counterfeit goods. Products seized by the Trading Standards Team for investigation from off-licences were shown to Members of the Committee which included alcohol and cigarettes. The Committee were given an in-depth explanation of the crafts of the illegal trade that seek to imitate official branded good on sale.

**RESOLVED: The meeting be adjourned forthwith for a fire alarm taking place.**

The Committee reconvened shortly after the 'all clear' was given from the fire alarm.

In discussing the counterfeit goods, Members requested that information be provided to ward councillors on how to spot illegal products on sale. The Head of Trading Standards, Licensing and Food Safety indicated she would take this away to look at and report back.

The Council's enforcement approach to this was also discussed by Members present, including the most appropriate times to use the Proceed of Crime Act as a deterrent. It was welcomed that the Trading Standards Team was investing in a new role to increase its capacity to do this.

The Committee agreed that ward councillors should be notified at the appropriate time of seizures taking place in their wards, along with information provided to warn other premises nearby. The Head of Trading Standards, Licensing and Food Safety indicated she would take this away to look at and report back.

*This item was considered in Part II as it contained information relating to be taken in connection with the prevention, investigation or prosecution of crime. That the public interest in withholding the information outweighed the public interest in disclosing it (exempt information under paragraph 7 of Part 1 of Schedule 12A to the Local Government [Access to Information] Act 1985 as amended).*

**12. MEMBER FEEDBACK FROM RECENT LICENSING TRAINING (VERBAL UPDATE)**

Members welcomed the recent training session from Gary Grant, a leading licensing barrister and discussed some of the legal practices around good decision-making.

Whilst understanding the separate governance arrangements, Members requested that future licensing sub-committee reports include a planning history relating to the site, if relevant.

*This item was considered in Part II as it contained information in respect of which a claim to legal professional privilege could be maintained in legal proceedings. That the public interest in withholding the information outweighed the public interest in disclosing it (exempt information under paragraph 7 of Part 1 of Schedule 12A to the Local Government [Access to Information] Act 1985 as amended).*

### **13. ANY ITEMS THE CHAIRMAN AGREES AS URGENT OR RELEVANT**

At the end of the meeting, Members of the Committee discussed a matter raised by the Chairman in relation to the risks associated with any potential decision to revoke licenses compared to the use of conditions, and the implications of both when looked at on a case-by-case basis.

*This item was considered in Part II as it contained information relating to be taken in connection with the prevention, investigation or prosecution of crime. That the public interest in withholding the information outweighed the public interest in disclosing it (exempt information under paragraph 7 of Part 1 of Schedule 12A to the Local Government [Access to Information] Act 1985 as amended).*

The meeting ended at 10.59am.

3. To advise Members of the various Licensing policies in force and their dates for revision.

### RECOMMENDATION

**That the Committee note the information.**

### INFORMATION

#### Terms of Reference

The Licensing Committee's Terms of Reference is set out below. The Committee is responsible for overseeing the Council's licensing and related functions and discharges the day to-day decision-making on these to the Licensing Sub-Committee or Council Officers, depending on the nature of the decision to be made.

Specifically, the Committee's Terms of Reference are:

- 1) To oversee the discharge of all licensing functions of the Council as the licensing authority under the Licensing Act 2003, Gambling Act 2005, Local Government (Miscellaneous Provisions) Act 1982, London Local Authorities Act 1990; the Scrap Metal Dealers Act 2013 and The Police Reform & Social Responsibility Act 2011, except, in respect of each, the determination of the Council's Statement of Licensing Policy and the publication of that Statement.
- 2) To establish and appoint sub-committees to determine any applications requiring a hearing under the Licensing Act 2003, Gambling Act 2005, Local Government (Miscellaneous Provisions) Act 1982, London Local Authorities Act 1990 and the Scrap Metal Dealers Act 2013 or otherwise the determination of any application not delegated to officers.

- 3) To arrange for the discharge of the functions governed by the Licensing Act 2003, Gambling Act 2005, Local Government (Miscellaneous Provisions) Act 1982, London Local Authorities Act 1990 and the Scrap Metal Dealers Act 2013 by its sub-committees or by officers except where prohibited by the Licensing Act 2003 and Gambling Act 2005
- 4) To receive and consider reports, where appropriate, on the needs of the local tourist economy, employment and investment in the area and any other matter directly related to the licensing functions in the Borough.

### **The Licensing Committee's role**

The Licensing Committee makes few decisions itself, other than agreeing how the Licensing Sub-Committee operate, i.e. through their hearing protocols. Delegation No.4 above is the primary one exercised by the Committee, which is usually where it receives information reports or presentations on matters, such as from the various Responsible Authorities (See Appendix 3), to ensure the Committee is kept abreast of wider licensing matters. The Committee uses a Forward Planner, set out on this agenda, to plan this activity. The Committee also ratifies the minutes of the Licensing Sub-Committee as the parent body.

### **Delegations (i.e. who takes what decision)**

Appendix 1 shows the Council's Constitution, Chapter 8. This sets out the detailed delegation of the various licensing functions under:

- The Licensing Act 2003
- Gambling Act 2005
- Sex Establishments legislation
- Scrap Metal Dealers Act 2013
- Street Trading legislation

Delegations are to the full Council or Cabinet (in the case of approving policies), or to the Licensing Sub-Committee or Officers in respect of day-to-day licensing decisions on the above matters. Usually the sub-committee determine applications where there are objections or representations. If there are no such representations, then officers are authorised to determine the matter.

### **Key Licensing policies**

Appendix 2 shows the key policies which the Licensing Sub-Committees operate under (and in accordance with) when making decisions. The Council is required to have such key licensing policies in places and review them periodically. Some require Full Council approval and others Cabinet only. The Licensing Committee is, therefore, naturally a key consultee on these.

For example, an updated draft Gambling Policy is scheduled to come to the Licensing Committee at its October meeting for comments. Other policies will be scheduled on both the Cabinet Forward Plan and this Committee's Forward Planner as they come forward for review.

## **Licensing Protocols**

As well as the key licensing policies mentioned above, there are a range of protocols (guidance documents) that have been approved by the Licensing Committee. They are not policy documents, more operational, and helpfully explain how the Licensing Sub-Committee operate and makes decisions in respect of its licensing hearings. These are issued with the agenda for each meeting and circulated to all parties involved.

The most recent update to the Licensing and Gambling Protocols was last year and permitted the ability to hold Licensing Sub-Committee hearings remotely (or virtually) on an exceptional basis. Whilst virtual meetings are possible for Licensing Sub-Committees, they are not for the parent Licensing Committee which is governed by different local government meeting legislation, and therefore, must meet in person.

## **Ward Councillor call-in**

Ward Councillors are automatically notified of any new licensing applications received from Public Houses, Off licenses, night clubs, street traders and bars etc... As such, the Council has agreed a provision to enable ward councillors to 'call-in' applications under the Licensing and Gambling Acts to a Licensing Sub-Committee for determination - rather than determined officers. The same provision exists for planning applications to Planning Committees. However, any Ward Councillor must cite the relevant Licensing Objectives and valid reasons for why they wish the matter to be called-in. The Ward Councillor will then be invited to attend to speak at the Licensing Sub-Committee.

# Appendix 1 - Chapter 8 - Licensing Decisions

[Extract from Council Constitution]

The Council takes decisions on local licensing matters, including those under the Licensing Act 2003 and the Gambling Act 2005 and other legislation set out. The Council may discharge this through a parent Licensing Committee, which has the duty to set up a Licensing Sub-Committee to determine matters and these are generally where representations are received. The Licensing Committee or the Full Council may also discharge licensing decisions to officers, and these are generally where there are no representations made.

## Licensing Committee

The Licensing Committee discharges the Council's functions under the Licensing Act 2003, Gambling Act 2005, Sex Establishment Venue Licences under the Local Government (Miscellaneous Provisions) Act 1982, Street Trading determination functions under the London Local Authorities Act 1990 and the Scrap Metal Dealers Act 2013, which are statutory in nature.

## Terms of Reference

The Committee's Terms of Reference are:

- 5) To oversee the discharge of all licensing functions of the Council as the licensing authority under the Licensing Act 2003, Gambling Act 2005, Local Government (Miscellaneous Provisions) Act 1982, London Local Authorities Act 1990; the Scrap Metal Dealers Act 2013 and The Police Reform & Social Responsibility Act 2011, except, in respect of each, the determination of the Council's Statement of Licensing Policy and the publication of that Statement.
- 6) To establish and appoint sub-committees to determine any applications requiring a hearing under the Licensing Act 2003, Gambling Act 2005, Local Government (Miscellaneous Provisions) Act 1982, London Local Authorities Act 1990 and the Scrap Metal Dealers Act 2013 or otherwise the determination of any application not delegated to officers.
- 7) To arrange for the discharge of the functions governed by the Licensing Act 2003, Gambling Act 2005, Local Government (Miscellaneous Provisions) Act 1982, London Local Authorities Act 1990 and the Scrap Metal Dealers Act 2013 by its sub-committees or by officers except where prohibited by the Licensing Act 2003 and Gambling Act 2005
- 8) To receive and consider reports, where appropriate, on the needs of the local tourist economy, employment and investment in the area and any other matter directly related to the licensing functions in the Borough.

## Membership, Training and Frequency

The Committee will have 10 Members (*10 is the minimum required and 15 the maximum under regulations*). Political balance rules do not apply to the make-up of the Committee, but the Council has decided to apply these rules to the Committee and its sub-committee. The

Licensing Committee will meet on a regular basis. Mandatory licensing training is required for committee members.

### **Quorum**

No business shall be transacted at a meeting of a Licensing Committee unless there is present at least one third of the whole number of Members of the body concerned or 3 Members of the Committee whichever is the greater.

## **Licensing sub-committee**

### **Membership**

There will be a single Licensing Sub-Committee which will comprise 3 Members of the parent Licensing Committee selected on a rota basis, with any substitute Members, if required, being selected from the Licensing Committee only. The meetings of the Sub-Committee will ordinarily be chaired by the Chairman of the Licensing Committee. Political balance rules do not apply to the make-up of the Sub-Committee.

### **Quorum**

2 Councillors

### **Operation and Protocols**

The Licensing Sub-Committee will meet when required to effectively discharge its functions or to determine matters as set out in this Chapter below. These meetings will also be known as Licensing Sub-Committee 'hearings'. Such hearings will operate under protocols agreed by the parent Licensing Committee. As set out in the currently agreed protocols, it is permitted under law, by exception, to hold such hearings remotely and also to adjourn administratively after notice has been given for a hearing without the requirement to formally convene first.

## **Delegation of Licensing Functions**

The Tables below set out the delegation of Licensing functions to the Licensing Sub-Committee and Officers as agreed by the parent Licensing Committee. In respect of Officer delegations listed, the Council has delegated the following licensing decisions to the Corporate Director of Place who, in accordance with S101 of the Local Government Act 1972, may agree to sub-delegate these to other officers. For completeness, it also shows those related functions reserved to Full Council and Cabinet, which are set out in their own delegations.

### HEADLINES

This report advises Licensing Committee of the recent legislative, case law and industry updates.

### RECOMMENDATION

**That the Committee notes the report.**

### SUPPORTING INFORMATION

#### Licensing Fees

When a business default on their annual premises licence fee, local authorities have a discretion under s.55A Licensing Act 2003 to suspend their premises licence. In response to the Covid19 pandemic Kit Malthouse MP in a ministerial letter dated 8<sup>th</sup> April 2020 said:

*“Local authorities have discretion when considering non-payment or late payment of an annual premises licence fee or a late-night levy charge. While section 55A of the Licensing Act 2003 requires that the licence be suspended, it is possible to delay when that suspension takes effect. Where businesses are experiencing difficulties, I would expect them to make their licensing authority aware. The authority should consider delaying any suspension of the licence where the delay in payment or non-payment is related to COVID19.”*

The Local Government Association in their guidance published on 17<sup>th</sup> April 2020 recommended delaying suspension with a view to seeking outstanding fees once the business becomes fully operational again.

#### Legislation Update

In response to the impact of the Covid19 pandemic the legislature introduced The Business and Planning Act 2020 which came into force on 22<sup>nd</sup> July 2020. This piece of legislation introduced **pavement licences** on application to local authorities and an automatic extension on existing premises licences to allow **off-sales**.

The Alcohol Licensing (Coronavirus) (Regulatory Easements) (Amendment) Regulations 2021 extends the above provisions to 30<sup>th</sup> September 2022 however, there are proposals (see clause 184 & Sch.17 of the Levelling up and Regeneration Bill 2022) to make **pavement licences**

permanent. The Home Office has confirmed in a letter to the Institute of Licensing that the Regulatory easement in respect of off-sales of alcohol will cease in September 2022:

*"...Given the absence of Covid restrictions in England and Wales, there is no legal basis for a further extension and, accordingly, the measure will lapse on 30 September 2022. Any premises licence holder who wishes to continue to benefit from the changes that the easements allowed will need to apply for an off-sales licence. Whilst they are not obliged, licensing committees might decide to consider whether any such applications could be decided via the minor variations process, in particular for premises licence holders who are currently taking advantage of the easements."*
