The review was called under the licensing objectives of prevention of crime and disorder and protection of children from harm. On 19<sup>th</sup> January 2011 the review was held by a Licensing Sub Committee.</p> <p>The Licensing Sub Committee decided to revoke the Premises Licence for Hayes Superstore. The Premises Licence Holder, appealed against the Licensing Sub Committee’s decision. The appeal was to be heard at Uxbridge Magistrates Court on 25<sup>th</sup> May 2011. However, the appeal had to be adjourned until 10<sup>th</sup> June 2011. Further information will be provided to the Licensing Committee after the appeal has been heard.</p>	<b>Action by</b>

	<p>Officers informed the Committee that they had performed a covert test purchase and the premises had failed this. Members stated that the police must be given more support in dealing with licensed premises, as they had powers to perform closures. Officers said Sgt Ian Meens had been granted delegated authority to carry out these functions; however his powers were limited due to lack of manpower. The Committee stated that this issue needed to be addressed and suggested sending a letter to the Cabinet Member for Improvements, Partnerships and Community Safety, Councillor Douglas Mills, outlining the Committee's concerns regarding the lack of resources available to Sgt Ian Meens. The Committee would also suggest that Cllr Mills speak to the Borough Commander regarding this issue.</p> <p>Officers informed the Committee that a Hayes Tasking Team could be efficiently used to help Sgt Meens. The Committee said this seemed like a useful way forward and would suggest it to Cllr Mills.</p> <p><b>Noted:</b>  <b>The Committee noted the update</b></p> <p><b>Agreed:</b>  <b>The Committee agreed that Legal Services would send a letter to Councillor Douglas Mills on behalf of the Licensing Committee outlining their strong concerns about the lack of manpower available to police the borough's licensed premises.</b></p>	<p>Stephanie Waterford,  Licensing Service /  Beejal Soni,  Legal Services</p>

The revised timetable is:</p> <ul style="list-style-type: none"> <li>• 25<sup>th</sup> May 2011 First legal notice published in local paper</li> <li>• 1<sup>st</sup> June 2011 Second legal notice published in local paper</li> <li>• 22<sup>nd</sup> June 2011 First appointed day</li> <li>• 22<sup>nd</sup> December 2011 Second appointed day</li> <li>• 22<sup>nd</sup> June 2012 Third appointed day – provisions fully in force</li> </ul> <p>Existing operators would be invited to apply for the new licence on the first appointed day and applications would be determined after the Second appointed day. New operators would be able to apply after the second appointed day and applications would be determined after the third appointed day.</p> <p><b>Noted:</b>  <b>The Committee noted the update.</b></p>	<p><b>Action by</b></p> <p>Stephanie Waterford,  Licensing Service /  Beejal Soni,  Legal Services</p>

<p>8.</p>	<p><b>TIGER BAR AND GRILL REVIEW UPDATE</b> (<i>Agenda Item 7</i>)</p> <p>Officers presented the report to the Committee stating that an application for a Review of the premises licence for Tiger Bar &amp; Grill made by Sgt Ian Meens on behalf of the Metropolitan Police Service was received on 25<sup>th</sup> February 2011. The review was called under the licensing objectives of prevention of crime and disorder and prevention of public nuisance.</p> <p>On 15<sup>th</sup> April 2011 the review hearing was held by the Licensing Sub Committee and the decision was made to suspend the license for a period of 2 months to allow for compliance with amendments to the license conditions. Officers informed the Committee that they had undertaken unannounced visits at the premises.</p> <p>Members of the Committee raised concerns over shish lounges which were present at the Tiger Bar and Grill, and at Liquid in Uxbridge. Officers informed the Committee that smoking was out of the remit for the Licensing Committee, and was dealt with by the Food Health and Safety team. Members requested that a letter be sent to the Food Health and Safety team requested a joined up approach with the licensing team to ensure communication links are opened between the two services. The letter would also call for the monitoring of the situation and for action to be taken where necessary.</p> <p>The Chairman requested all Members of the Committee, in their capacity as Ward Councillors to encourage their residents to come forward about untoward behaviour taking place in their borough. Members stated that there was a difficulty in reporting this behaviour as many people preferred to remain anonymous which meant action could not be taken against the anti-social behaviour. Ward Councillors were asked to encourage their residents to support their local Council to quash this behaviour and report any disorder or criminal activity.</p> <p><b>Noted:</b> <b>The Committee noted the update.</b></p> <p><b>Agreed:</b> <b>The Committee agreed that Legal Services write a letter to the Food Health and Safety Team from the Licensing Services calling for robust action to be taken against those in violation of smoking rules and regulations. The letter should also call for open lines of communication between Licensing Services and the Food Health and Safety team to ensure an overall monitoring of the situation.</b></p>	<p><b>Action by</b></p> <p>Stephanie Waterford, Licensing Service / Beejal Soni, Legal Services</p>
<p>9.</p>	<p><b>STREET TRADING POLICY UPDATE</b> (<i>Agenda Item 8</i>)</p> <p>On 26<sup>th</sup> May 2011, Cabinet approved the draft Street Trading &amp; Markets Licensing Policy for public consultation. This was pursuant to a Cabinet decision in April 2011 to recommend delegation of decisions related to non-contested applications to the Deputy Chief Executive &amp; Corporate Director of Planning Environment Education &amp; Community Services and to instruct officers to prepare a street trading policy.</p>	<p><b>Action by</b></p>

The draft street trading & markets policy contained the following key features or proposals for street trading activity in the borough:

1. A set of terms and conditions worded so that traders can understand what is expected of them;
2. The Deputy Chief Executive and Corporate Director of Planning, Environment, Education and Community Services, acting in consultation with the Leader, may make minor changes to the policy;
3. Street trading in the form of occasional street markets and charity / community events will be licensed under the Food Act 1984, so reducing administrative burdens on applicants and giving the Licensing Service and applicants greater flexibility in coordinating such events;
4. All applications will be subject to a 21 day consultation period. If objections to an application are received, the application will be determined by a Licensing Sub-Committee;
5. The criteria for accepting and refusing street trading applications is clarified.

The London Local Authorities Act 1990 (as amended) required a public consultation be held for a minimum of 28 days before a decision is made on the final policy and licence conditions.

Officers stated that they would use the policy as the basis for the 28 day consultation with internal and external stakeholders. The proposed policy would be advertised on the Council's website, the Street Champions e-mail bulletin and would take the form of a legal notice in the Uxbridge Gazette and London Gazette.

The draft policy would also be distributed to various partners and internal stakeholders including the Metropolitan Police Services, Food Safety Team, Highways Team and Waste Management, for comment. Officers also propose to offer meetings to discuss the draft policy with various applicants and concerned traders, so as to address any concerns and to encourage a positive dialogue, setting this as the approach to the regulation of street trading.

Once consultation had been carried out and any representations made are analysed, officers would report back to Cabinet with any proposals for amendment. Full Council would also need to amend the terms of reference of the Licensing Committee to take into account the licensing of markets.

Members of the Committee asked who the consultees were. Officers said they included key stakeholders, town centre organisers, London Borough of Hillingdon teams (Waste Management Services, Highways Services and Environment Protection Unit) and residents associations.

The proposed amendments to the protocols are necessary in order to give effect to this decision.</p> <p>Members raised a query regarding the minimum number of Members needed to sit on an urgent Street Trading Application hearing. Officers clarified that the usual number of Members was three, with the minimum being two. ### SUMMARY

To update the committee in respect of the implementation of the Street Trading and Markets Policy

### RECOMMENDATION

**That the committee note the report.**

### INFORMATION

On 27<sup>th</sup> July 2011, Cabinet approved the Street Trading & Markets Licensing Policy to come into force on 7<sup>th</sup> September 2011. This was pursuant to a Cabinet decision in April 2011 to recommend delegation of decisions related to non-contested applications to the Deputy Chief Executive & Corporate Director of Planning Environment Education & Community Services and to instruct officers to prepare a street trading policy.

As well as reforming the process for making street trading applications to be less bureaucratic and complicated, the policy also introduces a single licence for street markets under the Food Act 1984.

Copies of the policy are available from the Licensing Service.

### SUMMARY

To update the Licensing Committee on the result of an appeal to Magistrates Court made in respect of an off licence known as Hayes Superstore.

### RECOMMENDATION

**That the committee note the information below**

### INFORMATION

On 3rd December 2010 an application to review the premises licence for Hayes Superstore, 75 Station Road, Hayes, was received from the Council's Trading Standards department.

The review was on the grounds of prevention of crime and disorder and protection of children from harm as Trading Standards Officers found that between October 2006 and April 2010, the premises licence holders had been selling non-duty paid goods namely alcohol, offering for sale tobacco products which did not have the statutory health warning labels on them and for selling alcohol to underage persons. This review application was supported by the Metropolitan Police Service.

A licensing sub committee was held on 17th January 2011 and having heard all relevant evidence, the decision of the sub committee was to revoke the premises licence.

The premises licence holder appealed against the committee's decision and the Appeal was heard at Uxbridge Magistrates Court today, 1st August 2011.

At the hearing, due to the information given by the appellant under cross-examination by Counsel, the District Judge stated that the appeal was doomed to fail due to the appellant's dishonesty.

Therefore the Appeal was withdrawn there and then with full costs being awarded to the Council.

## APPEALS PENDING

### SUMMARY

For the Committee to decide how to proceed with the Licence appeals which have been lodged with the Magistrates Court following the recent licence revocations.

### RECOMMENDATION

**That the Committee issue an instruction as to how to proceed with the Appeals.**

### INFORMATION

The Licensing Sub-Committees have recently revoked five premises licences.

Three of these premises licence holders have lodged appeals against the decisions.

The implications of the appeals are that the premises may continue to operate under the terms of their premises licences during the appeal period and until the appeal is heard which can take several months.

Officers are seeking instructions from the Committee as to how to proceed with the Appeals. There are two options available to the Committee;

- Defend the Council's decision to revoke the licence and continue with the Appeals
- Do not defend the Council's decision to revoke the licences and allow the appeals

Due to report deadlines, a full up-to-date list of the appeals will be presented by the Licensing Officer at the Licensing Committee meeting for decision.

### FINANCIAL IMPLICATIONS

None

### LEGAL IMPLICATIONS

A premises licence-holder has a right to appeal against a decision of the Licensing Authority to revoke a premise licence under Section 181 of the Licensing Act 2003 (the "Act").

The decision of a Licensing Authority to revoke a premises licence only comes into effect once the right of the licence-holder to appeal has passed. The licensable activities may therefore continue during the appeal period.

The appeal process must be commenced by the licence-holder within 21 days of receipt of the written notice of the decision of the Licensing Authority. In light of the burden of work already on the Magistrates' Court system, the appeal may take several months to be resolved.

An appeal is made to the Magistrates' Court direct. When considering an appeal the Court has the power to:

- a) dismiss the appeal; or
- b) substitute its decision for that of the Licensing Authority; or
- c) remit the matter back to the Licensing Authority to be disposed of in accordance with the direction of the Court. This could include a re-determination of the matter.

The Court may make an order for costs as it sees fit under Section 181 of the Act. Guidance issued by the Justices Clerks Society does suggest that an award for costs should be the exception and not the rule. If a Licensing Authority has acted responsibly it should follow that costs are not awarded.

The Licensing Authority will always be the respondent in any appeal under Section 181 of the Act as it is the Authority that determined the original application. It is permissible for the Licensing Authority not to defend its decision to revoke the premises licence; however in this scenario the Court has the power to require a delegated officer to attend should it deem this necessary.
