'Assessing Primary RE: beyond the tick box'

Wednesday 28th March 2012

OUTSTANDING PROFESSIONAL DEVELOPMENT OPPORTUNITY FOR RE TEACHERS AND RE SUBJECT LEADERS

Need to be prepared for an Ofsted RE subject inspection?

**Want to find out how progress in RE can be excellent evidence for SMSC?**

Aims of the Day

This conference addresses practical ways of embedding Assessment for Learning techniques into RE planning. We will use the principles of Assessment for Learning, skills in RE and examples of pupils' work to demonstrate effective strategies for enabling progression for pupils at KS1 and 2 in RE. We will explore practical ways of introducing meaningful Assessment for Learning in RE across the school.

This course is usually £190 per person but by hosting locally and working collaboratively we are able to reduce the cost to £75 per delegate which includes lunch and course materials.

Fiona is a primary specialist. She has been a primary teacher for many years and more recently the RE and SACRE Curriculum Adviser for a unitary authority in a plural context.
