888	<b>Hillingdon's Independent Fostering Agency Framework for the West London Alliance - Award of Contract</b>	The West London Children's Services Efficiencies Programme was launched in Spring 2011, comprising the 6 West London Authorities plus Westminster, Hammersmith and Fulham and Barnet. Hillingdon's role as the lead borough in delivering this project was agreed by Cabinet in March 2012. It is anticipated the collective purchasing power will deliver significantly preferable rates for IFAs, with additional fee reductions and discounts. Cabinet authority is required to enter into agreements or arrangements with one or more local authorities. Following Cabinet approval of the report, the remaining eight London boroughs will seek authority from their respective Cabinets to access the framework during April 2014.
