##### Board Membership

At its meeting on 10 July 2013, the Board agreed to amend its membership to allow the Hillingdon CCG to have an additional Co-opted Non-Voting Member (clinician) and to permit the Co-opted Non-Voting Members to appoint a named substitute. The updated membership has been attached at Appendix 2.

It should also be noted that, at Council on 12 September 2013, it was agreed that the Deputy Chief Executive and Corporate Director of Residents Services be appointed to the Board as a Co-opted Voting Member with immediate effect.

## Reporting to the Board

The Board Planner is presented for consideration and development in order to schedule future reports to be considered by the Board. The Planner is attached in Appendix 1 and shows some other business that the Board may wish to bring forward to future meetings. Members may also wish to consider any standing items (regular reports) and on what frequency they are presented.

The Board Planner is flexible so it can be updated at each meeting or between meetings, subject to the Chairman's approval.

Board agendas and reports will follow legal rules around their publication. As such, they can usually only be considered if they are received by the deadlines set. Any late report (issued after the agenda has been published) can only be considered if a valid reason for its urgency is agreed by the Chairman.

Advance reminders for reports will be issued by Democratic Services. Reports should be presented in the name of the relevant Board member.

With the Chairman, Democratic Services will review the nature of reports presented to the Board in order to ensure consistency and adequate consideration of legal, financial and other implications. It is proposed that all reports follow the in-house "cabinet style" with clear recommendations as well as corporate finance and legal comments.

The agenda and minutes for the Board will be published on the Council's website, alongside other Council Committees.
