Telephone: 01895 250833

REASON FOR ITEM

To enable the Committee to agree a topic to be developed into a draft scoping report to be considered at the next meeting of the Committee.

OPTIONS OPEN TO THE COMMITTEE

The Committee is asked to select a single area within its remit to be developed into a scoping report. This will require the Committee to provide specific rather than broad areas to focus on. By so doing, officers will be able to produce a scoping report that addresses Members' main concerns and put forward an effective plan for the review.

INFORMATION

1. The Committee is responsible for undertaking the 'policy overview' role in relation to the Administration and Finance area of the Council. The full range of services under the Committee's remit is outlined in the terms of reference at the start of the agenda. These are primarily strategic policy and internal functions such as finance, property, personnel, democratic services, legal services, ICT, economic development, as well as equalities and diversity.
2. Previous experience from both Hillingdon and other Councils indicates that the Committee can have the greatest impact by focusing on a work programme agreed at the start of the Council year. Similarly, focusing upon one or two items at each meeting can help Members engage with the major issues and encourage stakeholder engagement.
3. As in previous years, the Committee is recommended to use this first meeting of the year to set a work programme for the next 12 months and select one or two topics for major review.
4. In selecting topics, Members are reminded of the Committee's work in from 2006 to 2013, which included reviews of:
