## SUMMARY

To inform the Committee of the recent legislation introduced by Government to relax the licensing hours for the duration of the World Cup Tournament.

## RECOMMENDATION

**That the Committee note the information**

## INFORMATION

The Government has introduced legislation which will extend Premises Licences and Club Premises Certificates for a maximum of 4 hours after the kick-off time. The latest kick-off time is at 9pm, meaning that the extension will end at 1am the following morning.

Normal licensing hours will resume at the end of the tournament on 14<sup>th</sup> July 2014.

If premises wish to trade any later during the World Cup Tournament, they can apply for a Temporary Event Notice which will be subject to the usual consultation with the Police and Environmental Protection.

A full copy of the Statutory Instrument document is attached as Appendix 1.
