

RESIDENTS' & ENVIRONMENTAL SERVICES POC - REVIEW TOPICS FOR SINGLE MEETING REVIEW

Contact Officers: Steven Maiden
Telephone: 01895 250692

REASON FOR ITEM

To enable the Committee to agree a topic to be developed into a full scoping report to be considered at the meeting on 20 January 2014.

OPTIONS OPEN TO THE COMMITTEE

The Committee is asked to select a single area within its remit to be developed into a scoping report. This will require the Committee to provide specific rather than broad areas to focus on. By so doing, officers will be able to produce a scoping report that addresses Members' main concerns and put forward an effective plan for the review.

INFORMATION

The Committee is responsible for undertaking the 'policy overview' role in relation to the services provided by Residents Services. The full range of services under the Committee's remit is outlined in the terms of reference at the start of the agenda.

In selecting topics for further investigation by officers, Members are reminded of the Committee's work since 2009, which included reviews of:

2009/10
§ Street Lighting § Illegal Imported Cosmetics and Food § Planning Enforcement – construction and use of back buildings (homes in back gardens)
2010/11
