ADDENDUM SHEET

Item: 5 Page: 1	Location: 61 Wentworth Drive
<i>Amendments/Additional Information:</i> amend condition 7 as follows: Amend 2.c to 2.c. Car Parking Layouts (including demonstration that 1 space is served by an electrical charging point). Delete 2.e Delete 2.f	<i>Officer Comments:</i> To ensure the condition is clear and remove unnecessary requirements.
Additional comment in relation to Access: Amended plans were received which addressed other points within the Access Officers comments and compliance with Lifetime Homes Standards has been secured by condition. Appropriate level access is a requirement of the Building Regulations, a condition to secure level access is therefore unnecessary as it would duplicate other legislation.	To provide further commentary on how the development provides adequate arrangements in terms of accessibility.
