### OPERATING SCHEDULE

When do you want the premises licence to start?  /  /   
dd mm yyyy

If you wish the licence to be valid only for a limited period, when do you want it to end  /  /   
dd mm yyyy

Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

The premises is a garage/outbuilding situated at the private residence '54 Mildred Avenue, Hayes, Middx, UB3 1TP' which is proposed to be used in part as an ad hock storage area and office to support a business dealing alcohol supply for private events.

The main processes would be alcohol taken from wholesaler direct to event and on occasion and following an event stored on premises unsold.

The license is sought for the purpose of this storage and because the contracts ie, the purchase made and taken at this premises.

Continued from previous page...

In detail, a client holding an event would contact me with details of their requirements regarding their event eg, time, date, venue, number of attendees etc.  
I would visit the proposed venue to determine the requirements eg, size of bar, number of staff, amount of alcohol etc.  
If the client requested a 'pay bar' ( a bar where each customer pays for their drinks at the bar ) I would then apply for a temporary events notice ( T.E.N. ) to allow me to do that.  
If the client requested a 'free bar' ( a bar where the alcohol is paid for by the client in advance and no money is exchanged at the bar during the event ) the client would be given an appointment to meet in person or discuss over the phone their requirements. They would be advised of quantities of soft drinks, alcohol, ice, equipment and staff required for their event and then given a quotation.  
If the quote is accepted the client is billed and given an invoice. Payments would be made either by cash or credit card in person or credit/debit card via the phone.  
We operate a 'challenge 21' scheme so identification/proof of age would be required prior to sale, clients will be made aware of this from the outset.  
During a client consultation the client would be advised to purchase extra alcohol which if unused at the event can be returned and the appropriate monies refunded so as to alleviate any last minute purchases.  
Alcohol would only be purchased from suppliers to order, which would mean alcohol and other products go from the wholesaler direct to the event. In the case of large event orders, alcohol would only be stored on site for a minimum time before and after an event.  
On event day the alcohol and bar equipment would be transported to the venue and set up. My staff would be at the event where I would be DPS and over seeing the beverage catering.  
The premises are NOT open to the public.  
The premises are located within a private residence and are not visible from any public footpath or highway.  
There are no company logo's/signs or any indication of any business activity visible from any public footpath or highway.  
There is no public advertising of promotions so as to not influence the vulnerable.  
The premises has two entrances a large electric steel shutter door and a regular doorway with locking door.  
There is off street parking behind secure gates which allows loading/offloading to be done without nuisance and disturbance to nearby residents.  
As the premises are situated on my private residence I do not want to bring any anti-social behavior, disturbance or nuisance to my residential area.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Hi Ian

I am concerned about an application to hold events and sell alcohol at the above address in Mildred Avenue. This is a totally inappropriate place to allow the sale of alcohol and allow events. The application also seems to be requesting to be open on every day of the week.

Please could you update me on this application.

Regards,

Dear Ian,

**REPRESENTATION - 54 MIDRED AVENUE, HAYES, UB3 1TP  
THE LICENSING ACT 2003**

Further to the submission and subsequent assessment of the application for a new premises licence in respect of the above address, I, as the officer duly authorised to make representations on behalf of the Licensing Authority, would like to make the following comments in respect of the application.

From the information supplied within the application and operating schedule, the business model proposed by the applicant is understood to be primarily that of a storage facility where alcohol for private events will be stored and loaded into a vehicle, to supply private events. It is appreciated that this application has been made pursuant to Section 190 of the Licensing Act 2003 whereby the premises licence must apply to the location where sales of alcohol are appropriated i.e. the application address.

It is therefore the view of the Licensing Authority that the applicant is intending to promote the measures within the operating schedule and these are considered appropriate for the type of operation proposed, i.e.

- There will be no public admittance other than by appointment, limited to one appointment at a time.
- Off street parking facilities are available.
- Business will not be solicited or advertised on or around the premises.
- Loading and unloading will be restricted between the hours of 10:00-19:00 (daily); this will be undertaken within a private residence and contained behind secure gates.

**Location:** 3S/02      **Ext:** 6874**My Ref:** 99130**Your Ref:** Licensing Application**Date:** 10.02.2015**Re:** 54 Mildred Avenue, Hayes Middlesex UB3 1TP**New Premises Licence Application under the Licensing Act 2003**

I write regarding the above application.

The Environmental Protection Unit is making a representation in respect of this application in relation to the licensing objective of "Prevention of Public Nuisance".

The premises is situated in a quiet residential neighbourhood. The application is for a license to store

alcohol to be used at events for delivery from the garage at the rear of the above premises.

I have reviewed the submitted application for a new premises licence. I note the applicant's proposal to bring surplus alcohol back to the premises at the end of an event. I am concerned there is potential for loading and unloading of alcohol which may include beer barrels /kegs on a concrete floor at unsociable hours will result in public nuisance to the neighbouring residential premises in terms of noise disturbance including vehicle movements in and out of the premises and slamming of delivery vehicle doors at unsociable hours.

The applicant has not stated categorically any proposed plans to prevent customers from attending the premises direct to make enquiries such as late deliveries, incorrect orders or collection from the premises.

The applicant has not demonstrated fully how he will promote the licensing objective of 'Prevention of Public Nuisance'.

I wish to make a formal representation in respect of this application in respect of Public nuisance and would invite the Licensing Committee to consider this representation before reaching any decision regarding this application.

Yours faithfully,

21st January 2015

Dear Sir/Madam,

Yesterday I was made aware that my neighbour, Nirmal Panesar, at 54 Mildred Avenue, Hayes had made an application to sell alcohol from the garage at the rear of the property. I object to this application on many grounds. Mr. Panesar is the son of the property's owner and in fact owns his own house so why does he not apply for a licence there? The garage where he proposes to sell the alcohol is adjacent to an alleyway which gives both vehicle access and pedestrian access to mine and [REDACTED]. This alleyway is via Ross Close which is a cul-de-sac, an already busy area where residents park so I can envisage there being problems for them and my neighbour when trying to gain entrance to our properties if people are parking to purchase alcohol from the garage.

I also fail to comprehend why anyone would sell alcohol from a residential property when it can be easily obtained from the many off-licences and supermarkets in the area.

I don't wish to stereotype but if people are purchasing alcohol they may also drink it afterwards which could cause a litter problem, noise problem and maybe even that of a health and safety hygiene issue if people use the alleyway as a public toilet.

In summary, I totally object to this application and can see no benefit from it being granted - in fact only negative ones for the neighbourhood and the residents.

Yours faithfully,

Christine O'Connor

Dear Sir/Madam

I am writing about the application to sell alcohol at the garage of the residents of 54 MILDRED AV., UB3 1TP.

My family and I, are asking you not to grant this licence.

The garage they want to sell alcohol from is located in ROSS CLOSE, in front of our family home with small children. We do not want a pub, bar, or anything to do with alcohol in front of our house, the Council never told us that there were going to open pubs in residential area. With all anti-social behaviours that come with alcohol, we believe that your duty should be to protect these young families of ROSS CLOSE than to put them in danger for the sake of business.

Please do not grant this licence.

Yours Sincerely

Dear Sirs,

I wish to express my deep concern and objection to the application, listed above.

Whilst I have no problem with the use of the detached building at the above address as an office, I do have an objection to the storage of alcohol at the same address. Having taken orders for alcohol for events and receiving payment for the same there should be no reason to bring back any excess as that would belong to the client.

The times listed for office use (10.00 - 19.00) are reasonable. However, the times listed for delivery of alcohol and return to base:-

Monday - Friday inclusive (9.00 - 23.00)

Sat / Sunday - - - (9.00 - ?) are not

The times for Sat/Sunday ending at midnight is not feasible, because most events go on past midnight, so any vehicles returning to base will be much later (depending how far he has to drive).

This is a quiet residential estate, so the storage of alcohol is not appropriate. The noise and disruption will be excessive - especially late at night. There are many families with young children who live in the area and also many people do shift work at the airport. The noise of loading and unloading will disturb their hours of rest.

I hope you will take my views into consideration and refuse the application.

Yours faithfully

**PETITION IN RESPECT OF APPLICATION FOR AN ALCOHOL LICENCE**  
**AT 54 MILDRED AVENUE, HAYES, MIDDLESEX. UB3 1TP**

We the undersigned are objecting to the application for an Alcohol Licence for the garage at 54 Mildred Avenue, Hayes, Middlesex, UB3 1TP. (The garage entrance is situated in Ross Close which is a very small, narrow cul de sac of 18 houses).

The reasons being that this is a residential area and we do not feel a business such as this where alcohol is involved should be operated from this residential area.

**Supply of Alcohol** – the requested hours are 0900 until 2300 Monday to Friday and 0900 until 0000 (midnight) Saturday and Sunday.

**Hours Premises are open to the public** – 1000 until 1900 Monday – Sunday.

Our concerns are that once people are aware alcohol is stored in the garage vandalism and burglary could occur. We understand there will not be any advertising outside, but with people visiting the premises (albeit by appointment) word will soon get around. Also the parking issue when customers visit – where will they park. Very limited parking outside 54 Mildred Avenue due to the bus lane, so presumably this will be in Ross Close where there are quite a lot of young children who play there.

Also the noise factor when alcohol is returned late at night to the garage area which is very close to neighbouring houses. What type of vehicle will be used to transport the alcohol?

**PETITION IN RESPECT OF APPLICATION FOR AN ALCOHOL LICENCE**  
**AT 54 MILDRED AVENUE, HAYES, MIDDLESEX. UB3 1TP**

We the undersigned are objecting to the application for an Alcohol Licence for the garage at 54 Mildred Avenue, Hayes, Middlesex, UB3 1TP. (The garage entrance is situated in Ross Close which is a very small, narrow cul de sac of 18 houses).

The reasons being that this is a residential area and we do not feel a business such as this where alcohol is involved should be operated from this residential area.

**Supply of Alcohol** – the requested hours are 0900 until 2300 Monday to Friday and 0900 until 0000 (midnight) Saturday and Sunday.

**Hours Premises are open to the public** – 1000 until 1900 Monday – Sunday.

Our concerns are that once people are aware alcohol is stored in the garage vandalism and burglary could occur. We understand there will not be any advertising outside, but with people visiting the premises (albeit by appointment) word will soon get around. Also the parking issue when customers visit – where will they park. Very limited parking outside 54 Mildred Avenue due to the bus lane, so presumably this will be in Ross Close where there are quite a lot of young children who play there.

Also the noise factor when alcohol is returned late at night to the garage area which is very close to neighbouring houses. What type of vehicle will be used to transport the alcohol?
