Dear Ms Waterford,

**Re; Temporary Event Licence.  
The Lounge Bar & Restaurant, Dawley Road, Hayes, UB3 1EN.**

On Thursday 2nd July 2015, Police received an application from the above premises for one application under Section 100 of the Licensing Act 2003. The Temporary Event Notice application has been made by Miss Claudette St Paul. The dates and times of the application are as follows:

Friday, 17th July 2015 until 02.00 hours on Saturday morning.

Saturday, 18th July 2015 until 0300 hours on Sunday morning.

Sunday, 19th July 2015 until 0130 hours Monday morning.

On behalf of the Commissioner of Police I wish to make an objection to this application based on the Prevention of Public Nuisance Objection, on the grounds that the premises was recently granted a Temporary Event Licence for Saturday 13th June 2015 and this resulted in the police receiving numerous complaints from local residents about nuisance and anti social behaviour being caused by customers leaving the premises in the early hours of the morning.

The complaints were about drunkenness, people shouting and shrieking, drinking in the street and throwing empty beer cans into residents gardens, people hanging about outside making noise and a report of one male dropping his trousers so that he could take a photograph of his genitals.

I must also mention the premises also had a Temporary Event Licence for the weekend after and this went off without any incidents being reported to the police, however this application is for the whole weekend and going by the history of complaints from the local resident police have concens that there is a very high risk that there will be further incidents of Anti Social Behaviour and Nuisance should this Temporary Event Licence be granted.
