Alternative options considered / risk management

None as the Gambling Act 2005 requires the Council, as the Licensing Authority, to publish a statement of gambling principles every 3 years.

Comments of Policy Overview Committee(s)

The Residents' and Environmental Services POC reviewed the draft policy and changes (in accordance with the policy framework procedure rules) at its meeting on 18 November. It endorsed them for consideration by the Cabinet.

Supporting Information

In April 2009, a working party was convened to carry out the first review of the Council's Statement of Gambling Licensing Policy. The working party was made up of the following officers:

- Norman Stanley, Licensing Service Manager
- Stephanie Waterford, Licensing Officer
- Sue Pollitt, Deputy Consumer Protection Manager
- Beejal Soni, Licensing Lawyer
- Natasha Dogra, Democratic Services
- Sgt Ian Meens, Police Licensing Sergeant
- Paul Hewitt, Local Safeguarding Children Board

The working party agreed that the current gambling licensing policy has worked well since its implementation in 2007 and has not been subject to any challenge. It was therefore agreed by the working party not to change the content or format to any great degree, however some minor changes were proposed and full consultation began on 17th July 2009.

The full Licensing Authority were informed of the process and invited to make any comments or proposals for the new policy. This included Members of the Licensing Committee.

The working party was re-convened after consultation on 10th September 2009 to discuss the responses and the policy was amended accordingly.

In summary, the changes to the policy include:

- Para 3.3 – 3.4 – New paragraphs added to replace old paras 3.3 – 3.18 as the working party felt that they were superfluous to the needs of the policy.
- Para 5.7 – Changes to the stakes and prizes of gaming machines have been made in line with the new statutory limits.
- Para 5.30 and 5.43 – The last sentence was removed as this was a duplication of other provisions within the Licensing Act 2003.
- Para 5.32 – The working party felt that the requirement for an applicant to submit a full detailed premises plan for a gaming machine permit was a duplication of the premises licence application process under the Licensing Act 2003. A new para 5.32 was added to cover the location of gaming machines.
- Para 6.1 – Revised to expand the definition of a 'Temporary Use Notice'.
- Para 6.5, 6.7 & 6.8 – Expanded to clarify the 'Temporary Use Notice' procedure.

- Para 8.4 – Revised by new paras 8.4 and 8.5 to expand the decision making powers of the Licensing Authority.

The draft policy was presented to the full Licensing Committee and subsequently agreed on 1st October 2009.

Approval process and time-line

- Draft policy to be approved by the full licensing committee (*Approved on 1st October 2009*)
- Draft policy to RESPOC for review 18/11/09
- Draft policy to Cabinet for approval 17/12/09
- Policy to full Council 14/01/10 for adoption

EFFECT ON RESIDENTS, SERVICE USERS & COMMUNITIES

What will be the effect of the recommendation?

The Gambling Act 2005 requires the Council, as the Licensing Authority, to have a Statement of Gambling Principles. This legislation requires the Licensing Authority to promote the three prime licensing objectives being:-

- Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime;
- Ensuring that gambling is conducted in a fair and open way and;
- Protecting children and other vulnerable persons from being harmed or exploited by gambling.

The Statement of Gambling Principles will therefore have an impact on local residents, service users, local businesses and communities.
