Reporting to the Board

The Board Planner, attached at Appendix 1, is presented for consideration and development in order to schedule future reports to be considered by the Board. Members may also wish to consider any standing items (regular reports) and on what frequency they are presented.

The Board Planner is flexible so it can be updated at each meeting or between meetings, subject to the Chairman's approval.

Board agendas and reports will follow legal rules around their publication. As such, they can usually only be considered if they are received by the deadlines set. Any late report (issued after the agenda has been published) can only be considered if a valid reason for its urgency is agreed by the Chairman.

Advance reminders for reports will be issued by Democratic Services but report authors should note the report deadlines detailed within the attached Board Planner. Reports should be presented in the name of the relevant Board member.

With the Chairman, Democratic Services will review the nature of reports presented to the Board in order to ensure consistency and adequate consideration of legal, financial and other implications. It is proposed that all reports follow the in-house “cabinet style” with clear recommendations as well as the inclusion of corporate finance and legal comments.

The agenda and minutes for the Board will be published on the Council's website, alongside other Council Committees.
