Street Trading licence application for extension - Uxbridge Station Flowers

Ed Shaylor <eshaylor@hillington.gov.uk>

30 September 2015 at 18:16

To: licensing <licensing@hillington.gov.uk>

The council's environmental enforcement team were called upon to visit Uxbridge Station Flowers last December 2014 in response to a report that the display was larger than the licensed area.

The matter was dealt with informally and regularised without difficulty.

The enforcement service therefore has no objection to the application.
