<b>37. Adult Education Service</b>										
<b>Tuition Fees</b>										
The Adult Education service provides learning opportunities for residents of all abilities, across a wide range of courses, which will enhance workplace prospects and deliver special interest classes. The service receives its income through a combination of funding from Central Government, the Council and fees. Fees have already been set for the 2015-16 academic year which started on 1 August 2015; it is proposed that a revised course and fees schedule will be submitted to Cabinet in May 2016 once course planning has been completed in early 2016, and before the beginning of the new academic year in August 2016.
