

EXTERNAL SERVICES SCRUTINY COMMITTEE - WORK PROGRAMME 2015/2016

Contact Officer: Nikki O'Halloran
Telephone: 01895 250472

Appendix A: Work Programme 2015/2016

REASON FOR ITEM

To enable the Committee to plan and track the progress of its work in accordance with good project management practice.

OPTIONS OPEN TO THE COMMITTEE

Members may add, delete or amend future items included on the Work Programme. The Committee may also make suggestions about future issues for consideration at its meetings.

INFORMATION

1. The Committee's meetings tend to start at either 5pm or 6pm and the witnesses attending each of the meetings are generally representatives from external organisations, some of whom travel from outside of the Borough. The meeting dates for the remainder of the municipal year are as follows:

Meetings	Room
Tuesday 12 January 2016 - 6pm	CR6
Tuesday 16 February 2016 - 6pm	CR3 & CR3a
Tuesday 15 March 2016 - 6pm	CR5
Tuesday 26 April 2016 - 6pm	CR5

Future Meetings

2. At its meeting on 17 November 2015, the External Services Scrutiny Committee received updates in relation to health services in the Borough. Following the discussion, Members requested further information for consideration at today's meeting. This information will be considered in an earlier item on the agenda.
3. Since the Committee's last meeting, it has been established that the Draft Better Care Fund Plan 2016/2017 will not be considered by the Health and Wellbeing Board until February 2016. As such, the Committee will not be able to receive the report until its meeting on 15 March 2016.
4. To ensure that no single meeting has an excessive number of items to consider, it is proposed that the updates on the implementation of recommendations from previous reviews be moved from the meeting on 16 February 2016 to 15 March 2016.
5. It should be noted that the Programme of Meeting 2016/2017 will be considered by Council at its meeting on 14 January 2016. Future meeting dates for this Committee will subsequently be published on the Council's website.
