OPTIONS OPEN TO THE COMMITTEE

The Committee is asked to select an area or areas within its remit to be developed into a scoping report. This will require the Committee to provide specific rather than broad areas to focus on. By so doing, officers will be able to produce a scoping report that addresses Members' main concerns and put forward an effective plan for the review.

Members can select multiple review topics, as well as specify whether it should be a major or minor review.

3. As in previous years, the Committee is recommended to use this first meeting of the year to set a work programme for the next 12 months and select topics for major and minor reviews.
4. Members are asked to give consideration to possible review topics for this Municipal Year.

Charity Waste at New Years Green Lane

5. A possible review topic for the Committee consider relates to a problem which exists within the Borough of the disposal of charity waste at New Years Green Lane. Officers are aware of charities from outside the Borough who bring their waste to New Years Green Lane. Disposal of waste from charity shops within the Borough is currently permitted free of charge.
6. However, large quantities of waste from charities outside of the Borough are being found to dispose of large quantities of their waste at New Years Green Lane. This is because some neighbouring authorities are now charging for the disposal of charity waste.
7. Nigel Dicker, the Deputy Director of Residents Services will attend the meeting and provide Members with the background to the topic and to suggest areas which the Committee could look a as part of a review .

Other possible review topics

8. Members are reminded of other areas which have been suggested as possible reviews: Allotments, Shisha bars, weed control and Street Scene & Street Furniture .
9. Members views are requested on suggested topics for this municipal year.
