

MOTIONS

9.1 MOTION FROM COUNCILLOR D.MILLS

That, following the publication of proposed new parliamentary constituencies by the Boundary Commission for England, Council authorises the Head of Democratic Services in conjunction with the Leader of the Council, to respond with a counter proposal that has at least two of the three constituencies covering the Borough, consisting of solely Hillingdon wards.

Council notes that the Boundary Commission must work within numbers as laid out by statute but also notes that one of the Commission's key principles is the continuity of wards within existing constituencies. Council therefore proposes that only three Hillingdon wards change rather than the five wards currently suggested.

Council further asks the Boundary Commission to achieve the continuity of wards principle in neighbouring Boroughs of Ealing, Harrow and Brent by creating more constituencies that are wholly contained within the same Borough.
