ADDENDUM SHEET

Item: 7	Page: Agenda B	Location: Highways Verge, Fronting 247 Station Road
<i>Amendments/Additional Information:</i>		<i>Officer Comments:</i>
<p>An e-mail has been received from the Agent in regards to the alternative site at Millington Road/Millington Road Industrial and Business Area suggested by the public consultation. It states that the owners of the Millington Road estate were contacted in regards to a possible telecommunications installation but no response was received. As a site cannot be progressed without permission from the site provider, no site was investigated within the estate. The road verges near to the junction with Station Road are privately owned by the estate and are therefore not available. The road verges are narrow and so provide insufficient space for the required equipment and safe passage of pedestrians.</p>		<p>It is considered that the additional information provided by the agent addresses the concern over the lack of investigation into alternative locations and so it is recommended that reason for refusal No.2 is removed.</p>
<p>The location plan has been revised as the original plan attached to the committee report related to an incorrect site.</p>		<p>For clarity</p>
