RESOLVED:

That Cabinet:

- 1. Notes the contents of the report.**

- 5. Endorses the joint response that has been submitted by the London Boroughs of Hillingdon, Richmond, Wandsworth and the Royal Borough of Windsor and Maidenhead in relation to the previous Government's consultation on Tackling Nitrogen Dioxide in our Towns and Cities as set out in Appendix 4.**
- 6. Affirms this Council's commitment, working either alone, or in conjunction with its partner authorities and others, to take all necessary action, including the commencement of further legal challenges, to oppose the Government's proposals to expand Heathrow Airport and it agrees that delegated authority be given to the Deputy Chief Executive and Director of Residents Services and the Borough Solicitor to formally implement any actions directed by the Leader of the Council.**

Reasons for decision

Cabinet endorsed recent consultation responses to the UK Government on its proposals surrounding Heathrow expansion and air quality, including joint responses with other affected boroughs detailing the devastating impact that this would have on local communities. It was noted that the robust representations made as to why Heathrow expansion should not go ahead would also assist in any necessary further legal proceedings.

Alternative options considered and rejected

The Council could have decided not to respond to the various consultations. However, this was not considered to be a feasible alternative due to the very significant impacts that Heathrow expansion would have on the Borough and its residents.

Officers to action:

Raj Alagh, Borough Solicitor

Classification: Public

6. CHILDREN, YOUNG PEOPLE AND LEARNING POLICY OVERVIEW COMMITTEE - REVIEW OF THE COUNCIL'S RELATIONSHIPS WITH ACADEMIES AND FREE SCHOOLS

The Chairman of the Children, Young People and Learning Policy Overview Committee, Councillor Jane Palmer, presented the finding of the Committee's review to Cabinet, which were warmly endorsed.

RESOLVED:

That Cabinet:

- A. Welcomes the Committee's findings from their review into the Council's current and future relationship with Academies and Free Schools;**
- B. Agrees the following recommendations from the Committee for implementation by officers, in consultation with the Cabinet Member for Education and Children's Services:**

Policy Overview Committee Recommendations

- 1. That the Council provides clear contact details for all school enquiries, including giving consideration to providing a single point of contact to all schools.**
- 2. That officers look at further ways to build on the good relationship between the Council and the Regional Schools Commissioner.**
- 3. That where there are specific attainment and progress concerns at various Key Stages, the Children, Young People & Learning Policy Overview Committee advises that the Council and schools work together to continue to ensure that there are clear and accountable plans in place.**

4. That the Council strongly encourages all school governing bodies to have in place satisfactory induction and continuous professional development arrangements for new and existing governors/trustees.

RESOLVED:

That Cabinet:

Reasons for decision

Cabinet agreed to the creation of a Dynamic Purchasing System which would facilitate the availability of a range of good quality providers to meet the assessed homecare and outreach needs of Hillingdon's residents. It would also support continuity of care as people's needs changed over time.
