Ian

As a Ward Councillor I object to the request for increased opening hours due to the close vicinity of residential housing. Please ensure that this is drawn to the attention of the committee.

Regards

Ray

Dear Cllrs,

As consultees to the licensing process, please be advised, that this department has received an application for a new premises licence for the following premises located in your ward.

Home, PH

Formally ( Fox and Geese )

[16 High Road Ickenham UB10 8LJ](#)

The application can be found on the council website, and I have attached a copy here. The application seeks to extend the opening/operating hours on Friday and Saturday nights by an hour.

The consultation period will end on 21st December 2017 and any relevant representations to this application must be received by this date. We are unable to accept any representations received after this date or any representations that are not relevant.

Relevant representations need to relate to the one or more of the four licensing objectives, which are:

- Crime and disorder
- Prevention of children from harm
- Public safety
- Prevention of public nuisance.

Information on how to make a relevant representation can also be found on the council website. Alternatively you may contact the Regulatory Services team for advice on 01895 277433.

Please be advised that it is not a statutory requirement to include residents in the licensing consultation process, so you may wish to draw this application to the attention of, any residents associations or individual residents, in the vicinity of the premises.

Regards

Hi Ian

I object as Ward Councillor to the request to increase the opening hours on the following grounds due to its close proximity to residential housing and a retirement home:

Prevention of a public nuisance

Crime &amp; disorder

Regards

John
