

ELECTION RESULTS 2018, POLITICAL GROUPS ON THE COUNCIL AND CALCULATION OF POLITICAL BALANCE

Reporting Officer: Head of Democratic Services

1. The Borough Council elections were held on 3 May 2018. The results of the elections for all 22 wards are attached for information at Appendix A.
2. The Local Government and Housing Act 1989 provides a statutory basis for the rights of political groups to secure representation upon Council Committee and Sub-Committee meetings in proportion to their respective political strengths within the Council.

RECOMMENDATION: That the election results, the formation of political groups and the subsequent political balance of the Council be noted.

INFORMATION

3. A 'political group' is one which has been constituted in accordance with Regulation 8 of the Local Government (Committees and Political Groups) Regulations 1990 and consists of at least two Members. It is therefore separate from the concept of a political party, although it may well consist of members of the same political persuasion.
4. By definition a political group needs to be comprised of two or more Members who have indicated by notice to the Head of Democratic Services that they wish to constitute a named group, such notice also to indicate the identity of the Leader of the Group. The notice must be signed by all Members who wish to form the Group.
5. Changes in political groups can affect the calculation of the political balance on particular Council bodies. If the membership of a political group drops below two, the group ceases to exist. A Member will cease to be a member of a political group if they are no longer a councillor.
6. The Head of Democratic Services has been notified of 2 political Groups on the Council:
 - The Hillingdon Conservative Group with 44 members and Councillor Puddifoot as Group Leader,
 - The Labour Group with 21 Members and Councillor Curling as Group Leader
7. The political balance calculation below is based on these submissions and the number of Council and Committee places to be determined elsewhere on this agenda:
